## **Reflections Of The Christ Mind:**

Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold. Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love. So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted. In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching. Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness. Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him. Reflections of the Christ Mind presents the most important teachings the author has received through his spiritual awakening. Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness. The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts. Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today. Reflections of the Christ Mind Paul Ferrini, 2000
