*Reflections of the Heart* LeRon E. Easley, Winnifer Wilson, 2013-01-10 Reflections never fade they are only transparent and every time you look deep enough into your heart you never see what you really want but only a reflection and in due time your true desires would show itself to you and no longer be just a transparent reflection Every day we make the connection by touching It becomes a growth process where we learn to understand one another those contributions that we make are the distinct pieces of ourselves those things that expand our thoughts feelings and emotions The experiences of today are just more stumbling blocks I must succeed in order to venture anywhere closer towards my endeavors the objective is more than just making it Its turning a bad situation around in order to create something worthwhile Remembering instills the desire to think about those pleasant things that at one time enriched our lives feeling touches upon the core of what had existed reminding the heart of all that was and all that is real These things enables a person to understand what was then and what is now Instilling the sense of direction towards what is to come Being is the acknowledgement of oneself It is a measure that characterizes not only the structure of that individual It

also focuses on set reservations and intent upon ones life In this book we will come to know one another well come to learn that as well as the world revolves around us so do we evolve around each other LeRon Easley LeRon Everett Easley began writing in an effort to assist others who were literally challenged in order to help them construct emotional packed letters to their family and loved ones He envisioned how distant people were apart from one another within those relationships they shared and created a tool that would empower people to communicate what he believed that others felt inside LeRon Everett Easley is a man who rose from the pits of a correctional facility having obtained a Bachelors Degree in Organizational Management His passion has been to write various expressions based on thoughts feelings and emotions and expressions that would give interpretation to what many of us would feel deep within our hearts Winnifer Wilson Winnifer Wilson was born in Dayton Ohio Jan 22 1959 under studied at South Western Business College Ive always wanted to write Poetry or songs after the death of my youngest daughter with my granddaughter the pain was overwhelming so it encouraged me to put my pain to use With LeRon Easley being my biggest inspiration Who is the author of this book to help target our young adults who are the future for us all to stay in the right path of life stay in school stay focused and be yourself With the help of my mentor LeRon who has helped me focus and think clearly about the things that I have endured in my life One thing to remember in life is this Everything that you have went through and still going through makes you stronger even though it may seem like it gets worst at first My hope is that one day all children will be able to create their wonders and live out their dreams

Reflections from the Heart - An Anthology of 100 Poems Dr Bhaskar Bora, Dr Merry Baruah, Shantanu Phukan, 2024-05-07 Reflections From The Heart is an anthology of a hundred short poems by three poets These have all come from a crucible of lived experiences which have left a deep impression on the poets minds their hearts and indeed the core of their beings They have all three of them finely honed sensibilities that have been tempered by all the vicissitudes that they as individuals have been through And yet these speak to all for they have a universality that makes every reader recognize the emotion that gave rise to them and the truth that each one of them encapsulates These poems are not for the most part emotions recollected in tranquillity The

feelings and emotions that they are imbued with remain within the skeins of the lines themselves sometimes raw sometimes a little distanced but never really too far away from the heart They cannot really be called tranquil poems for the experiences that gave rise to them remain and disturb even today Bhaskar Bora's poems have a power that comes from the circumstances that many of them were written in A doctor with a flourishing practice he found himself wheelchair bound after complications from a neurosurgical operation In his despair poetry the writing of it became a cathartic experience His life story is moving and the reader can empathise with the emotions embedded in his poems of that period But his grit in creating a new profession for himself that of a restaurateur his thoughts and emotions on this journey are inspirational especially as through his poems we get a first hand account of both his despair and his courage His loss of mobility is paralleled by a soaring creativity And yet in some poems there is also a beautiful sense of peace possibly made more piquant by the prevailing circumstances of his life This one as he watches his daughters asleep at night The princesses sleep in peace Faces glowing in moonlit rooms Duvets pulled pillows spaced Midnight Bhaskar Bora And yet none of the three poets wallow in any kind of self pity nor are these an exercise in navel gazing No not at all There is always in all the poems a sense of a wider world in fact a greater entity even in some of them that raise them above the level of unrelenting hopelessness to one of hope and a sense of journeying into a brighter future I may not walk today Tomorrow I may run I may be in pain today Tomorrow is my turn Tomorrow is my Turn Bhaskar Bora And of course there is the cry of pain moving and poignant that pierces the reader's mind Pains seen unseen Voices heard unheard As the silence screams Into a deafening noise Laughter sorrow anger despair Melt together in the golden brew Dance of the Dead Bhaskar Bora

**Bruce Lee: Art, Fight and Spirit** Fabricio Sales Silva, 2025-05-10 Walking through this world I realize that life in all its complexity is a lot like water She flows faces obstacles is sometimes calm and collected at other times wild and uncontrollable But water always finds its way I once said Be water my friend and that philosophy has permeated not only my martial arts practice but my entire existence I was born between two cultures a heritage that has become both a challenge and a source of strength I learned early on that identity is not a safe haven but a journey through uncharted waters In every stroke in every cinematic movement I sought to express not just a technique but a deeper truth about human nature and our infinite potential Life has taught me that true courage lies not in the absence of fear but in the determination to face it Don't pray for an easy life I would say pray for strength to endure a hard life That resilience the ability to get back up every time we fall is what defines us It's what makes us human This book is not only a tribute to Bruce Lee but a mirror that reflects the deepest aspirations of each of us It is a manifesto for all who wish to live not only with intensity but with purpose Bruce Lee Art Struggle and Spirit is proof that the light of a star can continue to guide generations long after its brightness has merged with infinity
