Why Didn't I Write That?** Marc McCutcheon, 2001 Offers encouragement to amateur writers who want to support themselves by writing Describes the process from idea research query letters and proposals to agents contract negotiations and promotion *Off the Hook* Earl Wayne Heflinger, 2018-03-15 The author uses his own personal story of being born into a Christian fundamentalist family with extreme beliefs to paint a vivid picture of what life is like in toxic ideologies such as fundamentalist religion The book has three parts The first describes the spiritual abuse of his childhood due to stifling rules and restrictions inflicted by his

parents caught up in their church's teachings on his thought processes and behavior. The remarkably poignant stories show in painful detail how his self-esteem was crushed, how he was never intended to think for himself and how he was made to feel different and totally out of place in the world all by loving but misguided parents. During his school days his social life was severely stunted because he felt like an outsider everywhere but in church. The second part discusses his lifelong struggle with spiritual healing and his transition from a spoon-fed belief system to a personally chosen worldview. He thoughtfully muses about all the significant elements of religious/spiritual belief systems: God, Jesus, the Bible, sin, morality, science, life after death, marriage, divorce, and others, and contrasts his evolving beliefs with those of organized religion. This is presented to give the reader a comprehensive illustration of how one particular seeker has constructed a personalized belief system through continual rethinking and updated understanding. The third part calls on the author's advanced education and professional experience in business and government in analyzing and developing systems and procedures. It describes with a wealth of tips and checklists the process by which he escaped a toxic ideology and came to feel intellectually free and off the hook. It ends with heartfelt encouragement for anyone similarly affected by repression to accept all available helpful resources and muster the determination to claim their personal power.
