Reflections of a Contrarian Lyle E. Schaller, 1989 Over his productive twenty five year career as America s foremost authority on the dynamics of church life Leadership magazine Lyle E Schaller has written or edited books whose total sales now exceed 1 million copies In Reflections of a Contrarian Schaller asserts the time has come to challenge the conventional wisdom regarding twelve church related issues Schaller offers insights based on his twenty eight years working as a consultant to more than four dozen religious bodies **Wisdom from Lyle E. Schaller** Warren Bird, 2012 One poll declared him the most influential American church leader of the last 100 years Lyle E Schaller has written literally millions of words of insight and advice for church leaders His books alone number nearly 60 titles and span 40 years of publication beginning in 1964 Now this single volume makes available his best insights organized by topic and framed with fascinating background perspective of Schaller himself This volume both introduces Schaller to a new generation of church leaders and is a handy resource for those who grew up on Schaller s writing and count him as a major ministry influence **The Navy Chaplain**, 1990 *Mision en el camino* Charles E. Van Engen, 2019-02-28 Durante los pasados cincuenta a os el nfasis sobre la pr ctica y estrategia de la obra misionera ha menoscabado el valor de la importancia de la teolog a de la misi n Sin embargo en las ltimas d cadas te logos y misi logos de todas las tradiciones cristianas han comenzado a reexaminar y repensar las suposiciones teol gicas que fundamentan la obra misionera En Misi n en el Camino Charles Van Engen articula con claridad muchos de los conceptos fundamentales de la teolog a de la misi n Charles Van Engen en este volumen aborda numerosos temas misiol gicos centrales Examina la cuesti n de construir teolog as en contextos espec ficos tales como en la ciudad Tambi n nos muestra tanto los beneficios como las preocupaciones que experimentamos cuando alentamos a los creyentes a teologizar dentro de su propio entorno cuando tomamos con seriedad el sacerdocio de todos los creyentes Hace un delineamiento de los debates actuales sobre asuntos levantados por el pluralismo religioso y batalla con la manera en que podemos proclamar el car cter nico de Cristo sin ser arrogantes y triunfalistas Echa una mirada al impacto que la modernidad y la posmodernidad est n teniendo sobre el movimiento misionero en Occidente y hace un llamado a la renovaci n de nuestro compromiso como seguidores de Jesucristo en los duros ambientes culturales de nuestros d as Explora los roles cambiantes de misioneros y ministros en iglesias j venes y levanta preguntas dif ciles relacionadas con la unidad de la iglesia en medio de su proliferaci n diversidad y fragmentaci n de car cter global Son de excepcional valor la manera en que Van Engen traza la historia de la discusi n reciente sobre cada uno de estos asuntos y la riqueza de fuentes bibliogr ficas que nos presenta para m s estudio Igualmente importantes son las repuestas que l ofrece a estas cuestiones respuestas que nos ayudan a movernos m s all de los caminos sin salida que tanto caracterizan nuestro pensamiento actual Tomado del Pr logo escrito por Pablo Hiebert **"Daddy's Gone to War"** William M. Tuttle Jr., 1993-09-16 Looking out a second story window of her family s quarters at the Pearl Harbor naval base on December 7 1941 eleven year old Jackie Smith could see not only

the Rising Sun insignias on the wings of attacking Japanese bombers but the faces of the pilots inside Most American children on the home front during the Second World War saw the enemy only in newsreels and the pages of Life Magazine but from Pearl Harbor on the war with its blackouts air raids and government rationing became a dramatic presence in all of their lives Thirty million Americans relocated 3 700 000 homemakers entered the labor force sparking a national debate over working mothers and latchkey children and millions of enlisted fathers and older brothers suddenly disappeared overseas or to far off army bases By the end of the war 180 000 American children had lost their fathers In *Daddy's Gone to War* William M Tuttle Jr offers a fascinating and often poignant exploration of wartime America and one of generation's odyssey from childhood to middle age The voices of the home front children are vividly present in excerpts from the 2 500 letters Tuttle solicited from men and women across the country who are now in their fifties and sixties From scrap collection drives and Saturday matinees to the atomic bomb and V J Day here is the Second World War through the eyes of America's children Women relive the frustration of always having to play nurses in neighborhood war games and men remember being both afraid and eager to grow up and go to war themselves Not all were willing to wait Tuttle tells of one twelve year old boy who strode into an Arizona recruiting office and declared I don't need my mother's consent I'm a midget Former home front children recall as though it were yesterday the pain of saying good bye perhaps forever to an enlisting father posted overseas and the sometimes equally unsettling experience of a long absent father's return A pioneering effort to reinvent the way we look at history and childhood *Daddy's Gone to War* views the experiences of ordinary children through the lens of developmental psychology Tuttle argues that the Second World War left an indelible imprint on the dreams and nightmares of an American generation not only in childhood but in adulthood as well Drawing on his wide ranging research he makes the case that America's wartime belief in democracy and its rightful leadership of the Free World as well as its assumptions about marriage and the family and the need to get ahead remained largely unchallenged until the tumultuous years of the Kennedy assassination Vietnam and Watergate As the hopes and expectations of the home front children changed so did their country's In telling the story of a generation Tuttle provides a vital missing piece of American cultural history **God's**

Missionary People Charles E. Van Engen,1991-09 A world claiming theology of the church draws on ancient and modern thoughts The author focuses on how the church can grow to become in reality God's missionary people *A Captive Voice* David Buttrick,1994-01-01 In *A Captive Voice* David Buttrick encourages pastors to look afresh at the Bible church culture and Christian identity in order to answer the question of how to preach Buttrick examines the renewal of ecclesiology in the mid twentieth century a time when the high hung pulpits were scaled down as preaching came to be seen as a conversation among friends in Christ While this was a positive development Buttrick argues that preaching must now become the articulation of our common faith a speaking from the Spirit we all possess *Reaching the City* Gary Fujino,Timothy R. Sisk,Tereso C. Casino,2012-06-28 Rapid urbanization and globalization processes worldwide have changed the landscape of

our times In Asia and Africa the number of urban dwellers increases by an average of one million per week according to the United Nations More than half of the globe s seven billion human beings now live in cities These realities have far reaching implications for mission in urban contexts at the start of the third millennium Reaching the City Reflections on Urban Mission for the Twenty first Century seeks to address the missiological challenges associated with this new world order Each author in this collection respectfully builds upon the significant contributions of seminal writers such as Ray Bakke Jacques Ellul Basil of Caesarea and others while making new and creative proposals for urban mission in our world today Beginning with the bigger picture of the global challenges of urbanization and moving through theological historical and educational perspectives this volume concludes with a rich bevy of case studies engaging these new realities of both North American and international cities to encourage a missional thrust to reach these communities

Christian Education Robert E. Clark, Lin Johnson, Allyn K. Sloat, 1991-10-22 Whether in the home or in the church or in a Christian school the challenge of contemporary Christian educators is to meet the academic needs of students while remaining unswerving in adherence to biblical principles Christian Education Foundations for the Future introduces you to the basics of a healthy Christian education program then takes you beyond showing you how to develop a fresh innovative Christian education program that will revitalize your church home or school **1 + 1 = 1** Derek Chinn, 2012-11-12 The population of the United States is changing By 2042 U S census figures indicate that the majority racial population will no longer be white In addition churches are dying as congregants age and fail to add younger members to sustain their ministry These shifting demographics represent a significant challenge and opportunity for the church Derek Chinn proposes an overlooked solution join congregations together to create a multiracial church For this unique concept Chinn offers a biblically grounded and practical perspective on what it takes to make this ministry approach viable The heart of this ministry approach is redemption of tired or shrinking ministries of assets that God has given His people to advance the local church and of brokenness due to racial and ethnic differences This book is for church leaders church planters cross cultural ministry leaders and those involved with urban missions **Books in Print** , 1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers
