## **Reflections Of A Rubber Planter The Autobiography Of An Inquisitive Person:**

**Reflections of a Rubber Planter** Walter Eckstein Klippert,1971      A World History of Rubber Stephen L. Harp,2015-12-21 A World History of Rubber helps readers understand and gain new insights into the social and cultural contexts of global production and consumption from the nineteenth century to today through the fascinating story of one commodity Divides the coverage into themes of race migration and labor gender on plantations and in factories demand and everyday consumption World Wars and nationalism and resistance and independence Highlights the interrelatedness of our world long before the age of globalization and the global social inequalities that persist today Discusses key concepts of the nineteenth and twentieth centuries including imperialism industrialization racism and inequality through the lens of rubber Provides an engaging and accessible narrative for all levels that is filled with archival research illustrations and maps

**The Devil's Milk** John Tully,2011-02-01 A history of the modern world told through the multiple lives of rubber Capital as Marx once wrote comes into the world dripping from head to foot from every pore with blood and dirt He might well have been describing the long grim history of rubber From the early stages of primitive accumulation to the heights of the industrial revolution and beyond rubber is one of a handful of commodities that has played a crucial role in shaping the modern world and yet as John Tully shows in this remarkable book laboring people around the globe have every reason to regard it as the devil s milk All the advancements made possible by rubber industrial machinery telegraph technology medical equipment countless consumer goods have occurred against a backdrop of seemingly endless exploitation conquest slavery and war But Tully is quick to remind us that the vast terrain of rubber production has always been a site of struggle and that the oppressed who toil closest to the devil s milk in all its forms have never accepted their immiseration without a fight This book the product of exhaustive scholarship carried out in many countries and several continents is destined to become a classic Tully tells the story of humanity s long encounter with rubber in a kaleidoscopic narrative that regards little as outside its range without losing sight of the commodity in question With the skill of a master historian and the elegance of a novelist he presents what amounts to a history of the modern world told through the multiple lives of rubber      **The**
