Oath Keepers Sam Jackson,2020-09-01 Since 2008 the American patriot militia movement right wing antigovernment groups who portray themselves as fighting encroaching tyranny has grown exponentially Oath Keepers is among the most visible and vocal of these organizations Formed in 2009 Oath Keepers gained notoriety for its involvement in the Bundy Ranch standoff of 2014 and the Malheur Refuge occupation of 2016 The group gives voice to a recurrent form of American politics virulent distrust of the government combined with a valorization of violence Sam Jackson takes readers inside the world of the most prominent antigovernment group in the United States examining its extensive online presence to discover how it builds support for its political goals and actions Through an extensive textual analysis of the group s publications Jackson explores how Oath Keepers draws on core American political values and pivotal historical moments of conflict and crisis from the Revolutionary War to Waco to Hurricane Katrina to cast its adherents as defenders of liberty He details how Oath Keepers makes sense of the contemporary United States how it provides members with models of political behavior and how it lobbies the wider American public to join the group The first book length investigation of the contemporary patriot

militia movement Oath Keepers sheds new light on what animates groups that pose a growing threat to American security and political culture **Animal Wise** Virginia Morell, 2013-02-26 The New York Times Bestseller that explores animal intelligence and will alter the way we as humans view other species Have you ever wondered what it is like to be a fish Or a parrot dolphin or an elephant Do they experience thoughts that are similar to ours or have feelings of grief and love These are tough questions but scientists are answering them They know that ants teach and rats love to be tickled They've discovered that dogs have thousand word vocabularies and that birds practice their songs in their sleep But how do scientists know these things Animal Wise takes us on a dazzling odyssey into the inner world of animals and among the pioneering researchers who are leading the way into once uncharted territory the animal mind Morell uses her formidable gifts as a storyteller to transport us to field sites and laboratories around the world introducing us to animal cognition scientists and their surprisingly intelligent and sensitive subjects She explores how this rapidly evolving controversial field has only recently overturned old notions about why animals behave as they do In this surprising and moving book Morell brings the world of nature brilliantly alive in a nuanced deeply felt appreciation of the human animal bond **The Tower** Gregg Andrew Hurwitz, 1999-08-10 In the bestselling tradition of The Silence of the Lambs comes a thrilling novel of nail biting suspense and heart stopping terror played out in a psychological battle of wit cunning and pure evil between a diabolically clever killer and his determined hunter Allander Atlasia is an infamous psychopath whose heinous crimes have earned him a lifetime stay at the Tower nicknamed Alcatraz II the world's most extreme maximum security prison But after a brilliant and brutal escape the criminal mastermind begins a killing spree that is intensely personal one by one victims fall prey to a twisted and chilling re enactment of his own depraved past Jade Marlow is an ex FBI profiler and tracker whose fearlessness is only surpassed by the severity of his own inner demons With a record of irrational behavior and a genius for putting himself into the mind of a criminal predator he may be the one man diabolical enough to catch Atlasia In an escalating contest of wills and wits two equally defiant men race toward a showdown where daring is deadly and failure is fatal **The Qing Dynasty and Traditional Chinese Culture** Richard J. Smith, 2015-10-23 The Qing dynasty 1636 1912 a crucial bridge between traditional and modern China was remarkable for its expansiveness and cultural sophistication This engaging and insightful history of Qing political social and cultural life traces the complex interaction between the Inner Asian traditions of the Manchus who conquered China in 1644 and indigenous Chinese cultural traditions Noted historian Richard J Smith argues that the pragmatic Qing emperors presented a Chinese face to their subjects who lived south of the Great Wall and other ethnic faces particularly Manchu Mongolian Central Asian and Tibetan to subjects in other parts of their vast multicultural empire They were attracted by many aspects of Chinese culture but far from being completely sinicized as many scholars argue they were also proud of their own cultural traditions and interested in other cultures as well Setting Qing dynasty culture in historical and global perspective Smith shows how the Chinese of the era viewed the world how their

outlook was expressed in their institutions material culture and customs and how China's preoccupation with order unity and harmony contributed to the civilization's remarkable cohesiveness and continuity Nuanced and wide ranging his authoritative book provides an essential introduction to late imperial Chinese culture and society **A Mythological Approach to**
