*Reflections on Values Education* John Meyer, 1976-06-28. Everyone ought to be profoundly concerned with the development of the learner and consequently the development of society. The ultimate standard value for such development is to attain a more adequate level of value and moral awareness, sensitivity, reasoning, and action. The why, what, and how of the value education emphasis are being seriously confronted in a more dedicated and systematic manner. This is perhaps symptomatic of something much deeper in our personal and social fabric. Dissonance, conflict, tensions are inevitable ingredients in our development toward self-actualization as we struggle with the sticky matter of life. The challenges are many; the roads are arduous, and the journey is lengthy, but who cannot say immensely worthwhile and valuable. *The Life Recovery Bible KJV* Tyndale, 2014-11. With over 2,000,000 copies sold, *The Life Recovery Bible* is today's #1 selling Bible tied to the Twelve Steps of recovery, helping millions of people turn to the true source of healing, Jesus Christ. Now available in the King James Version.

*Still Life Painting Atelier* Michael Friel, 2010-09-28. The equivalent of a foundation course in traditional oil painting for beginning to intermediate level artists, this in-depth book uses the still life as a practical way to master oil techniques. The still life is a practical, forgiving genre as it does not require the likeness of a portrait or the accurate proportions of the figure, and unlike the landscape, it doesn't change with the weather. Instead, it gives aspiring artists ample time to study and the opportunity to look closer. It can be used as a purely formal subject for drawing and painting techniques, or a platform for emotional expression using personal symbolism and imagery. However, though the still life is used throughout as a teaching tool, this is first and foremost a book about oil painting. It begins with simple compositions that build to more complex arrangements. Starting with essential information on how to best set up your studio, including lighting, equipment, materials, paints, solvents, brushes, mediums, and preparing your canvas and paper for oil painting, *Still Life Painting Atelier* then offers concrete lessons in a logical, progressive sequence with step-by-step

illustrations finished paintings diagrams and tips Chapters cover How to address composition through thumbnail sketches and line drawings Using underpainting to study the characteristics of light and shade The basics of color theory and color mixing How to use a variety of brushes to create sharp and soft edges Techniques that are helpful when painting metal and glass How to apply glazing and scumbling to bring luminosity and texture      **The Experience of Meaning in Life** Joshua A. Hicks, Clay Routledge, 2013-05-27 This book offers an in depth exploration of the burgeoning field of meaning in life in the psychological sciences covering conceptual and methodological issues core psychological mechanisms environmental cognitive and personality variables and more      **NLT Life Recovery Bible, Second Edition, Large Print** Tyndale, David Stoop, 2018-04-03 The Life Recovery Bible 25th Anniversary Edition points to God himself as the primary source of recovery Millions of people have been helped by this Bible New articles provide a fresh perspective on recovery Help for leaders is provided in a general facilitator's guide and a step by step meeting guide These offer help to anyone starting or running recovery groups at church or in the community Features New inspirational Preface Article A Word about Addictions Article An Early History of Life Recovery Article Thriving in a Secular Recovery Group Article Life Giving Recovery Groups in the Church Life Recovery Facilitator's Guide Step by Step Life Recovery Meeting Guide The 12 Christian Foundations of Life Recovery The 12 Self Evident Truths of Life Recovery Resources page directing readers to helpful books and online resources

*Bioethics, Law, and Human Life Issues* D. Brian Scarnecchia, 2010-06-02 Bioethics Law and Human Life Issues A Catholic Perspective on Marriage Family Contraception Abortion Reproductive Technology and Death and Dying draws on the Magisterial teaching of the Catholic Church to outline a Catholic response to a host of controversial issues related to human life Scarnecchia lays out a Catholic moral theology based on the writings of Pope John Paul II and Thomas Aquinas and he then applies those Christian moral principles to today's most contentious ethical issues including reproductive technology embryo adoption contraception abortion family and same sex marriage and euthanasia and assisted suicide This review of Catholic moral principles brings together an in depth consideration of the central human life issues of our day with abundant reference to the Church's social teaching and to contrasting positions of today's leading ethicists      **Daily Reflections on Addiction, Yoga, and Getting Well** Rolf Gates, 2018-09-25 Deeply personal essays and daily prompts for self reflection while healing from addiction and walking the road of recovery from the author of *Meditations from the Mat* and *Meditations on Intention and Being* You are a process that has called forth a teaching for this day This teaching will not be new to you rather it will be reminding you of what you already know Reminding you of who you already are Rolf Gates author of *Meditations from the Mat* has walked the walk of the 12 step method of recovery while traveling down the Buddhist eightfold way and practicing the Eight Limbs of Classical Yoga His integrated approach has been the key to his understanding of sobriety for over 25 years In his series of 365 essays Gates explores the lessons and experiences from his own practice and study classical teachings and his career as a teacher and coach Each eloquent and brief essay is accompanied by a self

reflection prompt to help guide you on your journey of introspection and change As the co founder of the Yoga Recovery Conference at Kripalu Center for Yoga and Health and Esalen Institute Gates has made a significant contribution to understanding the role that yoga can play in recovery from addiction With his personalized approach to both the modern and classic teachings and by embedding it within the space of the human heart and everyday life Gates is a solid guide to finding and living the freedom that lives within each of us      *The Complete Works* graf Leo Tolstoy,1904
