**The Chamber Musician in the Twenty-First Century** Mine Doğantan-DacK,2022-07-07

In recent research there has been growing emphasis on the collaborative social and collective nature of musical behaviour and practices Among the emerging hypotheses in this connection are the idea that listening to music is always listening together and being with the other that music making is a matter of intercorporeality mutuality and emphatic attunement and that creative agency in musical practices is fundamentally a distributed phenomenon Chamber music provides an ideal context for the testing and actualization of these notions This Special Issue on chamber music and the chamber musician aims to explore the psychological social cultural historical and artistic issues in the practice of classical chamber music in the twenty first century Contributions are invited on any of these aspects and issues involved in being a contemporary classical chamber musician Authors are encouraged to contextualise their research by reference to the recent literature on collaborative musicking and among the topics they may choose to address are the cultural and musical demands chamber musicians face and the implications of these demands for their artistic practice the ways the twenty first century chamber musicians engage with historical practices the newly emerging musical identities and artistic roles available to them and expressivity in current chamber music practices

Moshevich, 2004-03-19 She traces his musical roots piano studies repertoire and concert career through his correspondence with family and friends and his own and his contemporaries memoirs using material never before available in English This biographical narrative is interwoven with analyses of Shostakovich's piano and chamber works demonstrating how he interpreted his own music For the first time Shostakovich's own recordings are used as primary sources to discover what made his playing unique and to dispel commonly held myths about his style of interpretation His recorded performances are analysed in detail specifically his tempos phrasing dynamics pedal and tonal production Some unpublished variants of musical texts are included and examples of his interpretations are provided and compared to various editions of his published scores      **Reflections of an American Composer** Arthur Berger, 2002-11-28 In this engrossing collection of essays

distinguished composer theorist journalist and educator Arthur Berger invites us into the vibrant and ever changing American music scene that has been his home for most of the twentieth century Witty urbane and always entertaining Berger describes the music scene in New York and Boston since the 1930s discussing the heady days when he was a member of a tight knit circle of avant garde young composers mentored by Aaron Copland as well as his participation in a group at Harvard University dedicated to Stravinsky As Virgil Thomson's associate on the New York Herald Tribune and founding editor of the prestigious Perspectives of New Music Berger became one of the preeminent observers and critics of American music His reflections on the role of music in contemporary life his journalism career and how changes in academia influence the composition and teaching of music offer a unique perspective informed by Berger's abundant intelligence and experience

Music of the Soviet Era: 1917-1991 Levon Hakobian, 2016-11-25 This volume is a comprehensive and detailed survey of music and musical life of the entire Soviet era from 1917 to 1991 which takes into account the extensive body of scholarly literature in Russian and other major European languages In this considerably updated and revised edition of his 1998 publication Hakobian traces the strikingly dramatic development of the music created by outstanding and less well known

modernist and conservative nationalist and cosmopolitan composers of the Soviet era The book's three parts explore respectively the musical trends of the 1920s music and musical life under Stalin and the so called Bronze Age of Soviet music after Stalin's death Music of the Soviet Era 1917-1991 considers the privileged position of music in the USSR in comparison to the written and visual arts Through his examination of the history of the arts in the Soviet state Hakobian's work celebrates the human spirit's wonderful capacity to derive advantage even from the most inauspicious conditions
