

Reform Judaism

Reform Judaism is also known as Progressive or Liberal Judaism. This group within Judaism emerged in the late 1700's with the emancipation of the Jews. Reform Jews therefore believe in change and accept that ideas of the divine are expressed in human terms. Thus belief and practice may change and evolve. Reform Judaism is influenced by social, scientific, and ethical developments in modern society.

This belief in change is also mirrored in the design of the Reform synagogues which, unlike Orthodox synagogues, do not separate men and women.

Reform Jewish Outreach The 1997 Idea

Reform Jewish Outreach The 1997 Idea:

Reform Jewish Outreach UAHC-CCAR Commission on Reform Jewish Outreach Sta, Reform Jewish Outreach Commission on Reform Jewish Outreach,1997 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 *El-Hi Textbooks & Serials in Print, 2005* ,2005 *The Concept of Tolerance in Judaism, Christianity and Islam* Catharina Rachik,Georges Tamer,2025-10-06 Tolerance as a universal value of modernity is not usually associated in popular consciousness with religion which is often regarded as inherently intolerant This volume addresses the hermeneutics of tolerance as it pertains to Judaism Christianity and Islam Each author offers a distinctive theological interpretation of traditional sources elucidating the potential and limitations of tolerance in the monotheistic thought Additionally the book presents examinations of the promotion of tolerance in diverse historical and cultural contexts illustrating both similarities and differences between the three religions The evidence presented in this volume demonstrates that tolerance occupies an important place in Judaism Christianity and Islam **El-Hi Textbooks & Serials in Print, 2000** ,2000 **Kirjath sepher** ,2000 **Jewish on Their Own Terms** Jennifer A. Thompson,2013-12-19 Over half of all American Jewish children are being raised by intermarried parents This demographic group will have a tremendous impact on American Judaism as it is lived and practiced in the coming decades To date however in both academic studies about Judaism and in the popular imagination such children and their parents remain marginal Jennifer A Thompson takes a different approach In *Jewish on Their Own Terms* she tells the stories of intermarried couples the rabbis and other Jewish educators who work with them and the conflicting public conversations about intermarriage among American Jews Thompson notes that in the dominant Jewish cultural narrative intermarriage symbolizes individualism and assimilation Talking about intermarriage allows American Jews to discuss their anxieties about remaining distinctively Jewish despite their success in assimilating into American culture In contrast Thompson uses ethnography to describe the compelling concerns of all of these parties and places their anxieties firmly within the context of American religious culture and morality She explains how American and traditional Jewish gender roles converge to put non Jewish women in charge of raising Jewish children Interfaith couples are like other Americans in often harboring contradictory notions of individual autonomy universal religious truths and obligations to family and history Focusing on the lived experiences of these families *Jewish on Their Own Terms* provides a complex and insightful portrait of intermarried couples and the new forms of American Judaism that they are constructing **Index to Jewish Periodicals** ,2001 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **American Jewish Year Book 1998** David Singer,1998 The Library owns the volumes of the American Jewish Yearbook from 1899 current Theology Without Borders Leo D. Lefebure,2022 Theology without Borders the title of this volume evokes the seminal contributions of Peter Phan a remarkably productive and creative scholar who challenges us to make global humanity the starting point for theological reflection Over several decades Phan has persuaded us that the

collapse of established bounded frameworks especially that of a European Christianity with a monopoly on truth is not to be feared but celebrated His prodigious output has contributed to and enriched literatures in ecclesiology Christology missiology patristics and other fields This volume brings together the contributions from a number of leading scholars and engages systematically with Phan's ideas across a range of vitally important topics from global Christianity and migration to religious pluralism the legacies of the Second Vatican Council and eschatological controversies Taken together the essays provide an overview of Phan's scholarly contributions and a road map for better understanding theology without borders in our contemporary world

Expanding the Boundaries of Adult Religious Education: Strategies, Techniques, and Partnerships for the New Millennium E. Paulette Isaac, 2012-03-16

The field of adult religious education is rich with opportunities for study and service This sourcebook showcases adult religious education as an important site for program creation teaching learning and adult development It offers insight into the ways that adult religious education serves adult learners You'll get numerous examples of adult education within and between religious institutions along with helpful ideas to enhance practice as well as programs Researchers will find it useful as a source on religious institutions adult religious education and adult learners in general This is the 133rd volume in this Jossey-Bass higher education quarterly report series Noted for its depth of coverage this indispensable series explores issues of common interest to instructors administrators counselors and policymakers in a broad range of adult and continuing education settings

Hidden Heretics Ayala Fader, 2022-04-05 This book concerns a cohort of ultra orthodox Jews based in the greater New York area who while retaining membership and close familial and other ties with their strictly observant communities seek out secular knowledge about the world on the down low so to speak both online and via in person encounters Ayala Fader conducted her ethnographic research in these rarified social circles for years developing relationships of trust with the mostly young married men and women who have taken to clandestine methods to find alternative social spaces in which to question what it means to be ethical and what a life of self fulfillment looks like Fader's book reveals the stresses and strains that such double lifers experience including the difficulty these life choices inject into relationships with wives husbands and one's children Not all of these double lifers become atheists Fader's interlocutors can be placed on a broad spectrum ranging from religiously observant but open minded at one end to atheism on the other The rabbinical leadership of these ultra orthodox communities are well aware of this phenomenon and of how unfiltered internet access makes such alternative forms of seeking an ever present temptation Some ultra orthodox rabbis have been sounding the alarm for years claiming that the internet represents more of a threat to community survival today than the Holocaust did in the last century Fader's book examines the institutional responses of ultra orthodox communities to the double lifers These include what is typically referred to as a Torah based type of religious therapy conducted by trained members of these communities who as therapists and life coaches blend elements of modern psychiatry with ultra orthodoxy and treat troubling potentially life altering doubt

and skepticism as symptoms of underlying emotional pathology Jews and Judaism in The New York Times Christopher Vecsey, 2013-07-18 In a recent book *Following 9 11 Religion Coverage in the New York Times* Christopher Vecsey examines journalistic definitions of religion before and especially after the terrible events of September 11 2001 Here he explores Times portrayals of the cumulative religious tradition called Judaism embodied by peoples who have called themselves Jews from antiquity to modernity throughout the world and especially in the United States where a plurality of Jews live today and where the Times is published To understand Judaism today is to fathom its diverse texts beliefs rituals ethics and institutions the contemporary concerns of Jews and the relationships not only among Jews but also between Jews and gentiles and the continuing impact of anti-Semitism upon Jewish life Since the 1940s Jews and Judaism have been profoundly affected by the horrific course of the Holocaust and by the formation of Israel as a Jewish nation state These have been the major themes in the Times treatment of Judaism chronicled in thousands of articles Like an insider to Jewish tradition the paper recounts favorite holy day recipes and tales of survival and travail in a multi national and assimilative world In so doing however the paper probes not only concurrence within Judaism but more tellingly a complex multi cultural at odds with itself Jewishness Rather than thinking of the Times as a mouthpiece for Jewish interests it is far more accurate to say that the Times has analyzed like an outsider the paradoxes the tensions and the culture wars in contemporary Jewish existence in order to define pluralistic Judaism as a political cultural religious entity The Times treats Judaism humanistically showing that it is the Jewish people who are most important to Judaism not merely the texts the theology or the institutions The paper works from perspectival Talmudic principles reporting multiple viewpoints in the circle of Jewish faith observance contestation and disbelief constantly questioning all sources as an observant instrument of inquiry into Jewish existence to expose Judaism's points of conflict as well as its areas of consensus **The Blackwell Companion to Judaism** Jacob Neusner, Alan Avery-Peck, 2008-04-15 This Companion explores the history doctrines divisions and contemporary condition of Judaism Surveys those issues most relevant to Judaic life today ethics feminism politics and constructive theology Explores the definition of Judaism and its formative history Makes sense of the diverse data of an ancient and enduring faith The Jewish Educational Leader's Handbook Robert E. Tornberg, 1998 Classroom teaching it addresses supplementary school settings and features a Noticeably larger section devoted to the growing day school sector **Provocative Columns** Bruce Warshal, 2009-05-14 The Jewish Journal of South Florida is the largest Jewish newspaper in America It boasts an open marketplace of ideas on its opinion editorial pages featuring columns from the left and the right on the political and religious continuums Rabbi Bruce Warshal upholds the liberal tradition both in politics and religion on those pages **Faith Or Fear** Elliott Abrams, 1997 The author addresses the loss of Jewish identity in a Christian Society and calls for Jews to return to their heritage **Encyclopedia of American Jewish History** Stephen H. Norwood, Eunice G. Pollack, 2007-08-28 Written by the most prominent scholars in American Jewish history this encyclopedia illuminates the varied experiences of America's

Jews and their impact on American society and culture over three and a half centuries American Jews have profoundly shaped and been shaped by American culture Yet American history texts have largely ignored the Jewish experience The Encyclopedia of American Jewish History corrects that omission In essays and short entries written by 125 of the world's leading scholars of American Jewish history and culture this encyclopedia explores both religious and secular aspects of American Jewish life It examines the European background and immigration of American Jews and their impact on the professions and academic disciplines mass culture and the arts literature and theater and labor and radical movements It explores Zionism antisemitism responses to the Holocaust the branches of Judaism and Jews relations with other groups including Christians Muslims and African Americans The encyclopedia covers the Jewish press and education Jewish organizations and Jews participation in America's wars In two comprehensive volumes Encyclopedia of American Jewish History makes 350 years of American Jewish experience accessible to scholars all levels of students and the reading public
