Reframing The Body:

Reframing Bodies Roger Hallas, 2009-12-02 Examines how queer filmmakers and viedographers bore witness to the historical trauma of the AIDS epidemic in the late 1980s and 1990s **Reframing Sex** Stevie N. Berberick, 2020-11-02 This book is an exploration of both mainstream and independent media Grounded in qualitative methods this book explores three trans masculine run YouTube channels alongside the streaming productions *The Chilling Adventures of Sabrina* Orange is the New Black and *Transparent* Analyzing and contrasting these narratives illuminates how even the most progressive of pop culture productions fail to present multi dimensional transgender narratives thereby intensifying stigma and shame for those outside of the binary male or female man or woman gay or straight In contrast trans masculine produced YouTube vlogs such as those discussed in this book can help audience members unlearn the ways in which the continuum of sex gender and sexual orientation has been simplified and obscured through corporate media These vlogs thus exemplify the various ways in which independent media acts as an educational tool toward greater awareness and perhaps empathy of for the self and others in regards to sexual identity **Reframing the Body** N. Watson, S. Cunningham-Burley, 2001-08-08 There has been a notable upsurge of interest in the body both in terms of empirical and theoretical study and debate Contributions to this book move these debates forward by considering a range of bodies as active in their own construction in social and economic processes Authors consider the body as a site of agency resistance and compromise and reflect upon the reluctance of sociology to engage with the body and notions of embodiment **The Insightful Body** Julie McKay, 2010-01-01 SomaCentric Dialoguing offers therapists effective techniques for improving communication with clients and for helping clients articulate the messages of their body In this accessible introduction to the approach Julie McKay outlines the core techniques describing how they can be applied to make therapeutic sessions more effective *The Body Fat Solution* Tom Venuto, 2009-01-08 The national bestseller with the ultimate program to lose body fat and build muscle and keep the weight off for good By now we all know that we gain fat when we take in more calories than we burn But we re not always rational creatures when it comes to food and exercise Tom Venuto provides a sound plan that will help us put the brakes on overeating by pinpointing the mental roadblocks and emotional eating patterns that are preventing us from losing weight for good Guiding readers to dig deeper *The Body Fat Solution* explores Why it is so difficult to balance calorie output with input What prevents people from eating appropriately and exercising more The emotional and psychological factors that sabotage success *The Body Fat Solution* shows how to personalize an eating plan that takes into account your unique metabolism and calorie needs while offering delicious new menus Tapping into his years of training expertise and personal experience Venuto helps readers change their relationship with food empowers them to take charge of their lives and delivers a program that promises dramatic and permanent results **The Body-Based Obsessions Workbook** Molly Bradley Schiffer, 2025-08-01 Many people with anxiety or obsessive compulsive disorder OCD also struggle with body based obsessions constant fears and

worries about their physical or mental health Over time these obsessions can become debilitating and dramatically impair one's quality of life Drawing on a combination of cognitive behavioral therapy CBT exposure and response prevention ERP mindfulness and compassion focused therapy this workbook offers skills to help readers manage intrusive thoughts and body based obsessions and take back their life
