Hidden in Contradiction Jeff McSwain, 2023-09-22 Does God's grace grab you and stir you to purposeful Spirit-filled living Or is the gospel that you hear and preach big on belief and short on embodiment Do you see a need for change whether personal ecclesial or social that transcends us righteous vs them wicked polarizations Beginning with every person's participation in Christ as a keystone to creation Jeff McSwain introduces the vibrant reality of Trinitarian community and shows us the dangers of losing sight of the belovedness we share as humans hidden with Christ in God Avoiding simplistic categories McSwain exalts the total goodness of every person in this world by virtue of creation in Christ while also acknowledging the simultaneous contradiction the total depravity of every person by virtue of the fall If ignoring our human duplicity contributes to relational fractures at every level McSwain's dimensional view of human agency urges us to embrace the redemptive truth of our identity in Christ and to refuse our false destructive selves that have been crucified with Christ Filled with scriptural exegesis and practical illustrations that pastors and teachers will especially appreciate this project is a refreshing application of Christology to anthropology and everyday life an inspiring work of systematic theology aimed at systematic change

Congress. House. Committee on Agriculture, 1965 **Francis of Assisi's Sermon on the Mount** John Michael Talbot, 2019-05-21 Talbot applies the timeless words of St Francis to our troubled times In the United States and across the world we are experiencing polarization anger and violence But God is still in control and it is important to dig deep into our Christian heritage in a way that speaks to all people St Francis is one of the great saints who somehow reaches across all divides touches hearts and souls and brings spiritual peace Talbot explores Francis's Admonitions twenty eight teachings that are among the most beautiful and troubling of the saint's writings Covering sacramental theology of the Eucharist to communal issues of consecrated life to very private aspects of faith and devotion these Admonitions provide clear and radical road signs to the destination on our spiritual journey in Christ *The Aftermath of the 2011 East Japan Earthquake and Tsunami* Shoichiro Takezawa, 2016-09-30 An insightful study in disaster anthropology this book takes as its focus the fishing town of Otsuchi in Japan's Iwate Prefecture one of the worst damaged areas in the mammoth 2011 tsunami Here 1281 of the pre tsunami population of 15000 were killed and 60% of houses destroyed To make matters worse the town's administrative organs were completely obliterated and fire ravaged the downtown area for three days blocking external rescue attempts Complete with vivid and detailed witness testimony collected by the author the book traces the course of eighteen months from the day of the disaster through the subsequent

months of community life in the evacuation centers onto the struggles between the citizens and local governments in formulating reconstruction plans It particularly addresses community interactions within the post disaster context assessing the locals varying degrees of success in organizing emergency committees to deal with such tasks as clearing rubble hunting down food and obtaining fuel and inquiring into the sociological reasons for these differences It also casts new light on administrative failings that significantly augmented the loss of human lives in the disaster and are threatening to bring further damage through insistence on reconstruction centered on enormous sea walls against local citizens wishes
