Risen Among Wisdom:

Wisdom's Watch Upon the Hours Heinrich Seuse, 1994 Written by Dominican preacher and mystic Bl Henry Suso c 1300 1366 Horologium Sapientiae or Wisdom s Watch upon the Hours was one of the most successful religious writings of its time Now it is offered to the English speaking world in a new translation based on Pius Kunzle s critical Latin edition The Spirit's Relation to the Risen Lord in Paul Mehrdad Fatehi, 2000 Mehrdad Fatehi studies Paul s letters and shows that the risen Lord is featured in the religious experiences of Paul and the Pauline believers as the present and active lord of the new covenant community These experiences seem to point beyond the notion of a divine agent alongside God to a redefinition of the very concept of God in a way that it would include Christ within itself This is confirmed by the way Paul and the Pauline communities believed themselves to have experienced the risen Lord through God s Spirit In Judaism in general as well as in Paul the Spirit was not regarded as an entity distinct or separable from God but as God himself in his presence and action in and among his people Yet we have clear evidence in Paul s letters that the risen Christ was experienced and conceived of as being present and active through the Spirit bestowing grace and gracious gifts infusing wisdom communicating his will regenerating and transforming his people and dwelling in and among them all through the Spirit in a way which is best understood after the analogy of God s presence and work through the Spirit in Judaism In other words Paul s the Spirit of Christ is best understood after the analogy of the Spirit of God Paul s application of the Spirit language to describe and interpret the Christians experiences of the risen Lord shows that Paul most probably presupposed a redefinition of monotheism in which Christ would be included within the Godhead The Cosmic Drama of Salvation Sang Meyng Lee, 2010 Revision of author s thesis Ph D Claremont Graduate University 2008 under title The cosmic drama of salvation the law and Christian Paul s undisputed writings from anthropological and cosmological perspectives **We Believe in the Crucified and Risen Lord** Mark J. Edwards, 2009-07-13 This volume offers patristic comment on the second half of the second article of the Nicene Creed concerning the work of Christ Readers will gain insight into the history and substance of what the early church believed about Jesus as the God Man Wisdom's Feast Barbara E. Reid, 2016-10-03 Woman Wisdom in Proverbs 9 invites any who want to learn her ways to come and eat at her table an image for the rich and satisfying teaching that she offers In this book Barbara Reid invites readers to this feast drawing on women s wisdom to offer fresh new interpretations of biblical texts in a way that promotes equal dignity and value for women and men alike Reid begins by presenting feminist methods of biblical interpretation and explaining why they are important giving attention not only to gender perspectives but also to race class and culture as determinative factors in how one understands the biblical text She then presents fresh readable feminist interpretations of selected Old and New Testament texts Each chapter concludes with discussion questions for group or personal use Making feminist interpretation of Scripture understandable compelling and usable Wisdom s Feast will be valuable to any readers hungry to learn from the rich insights of feminist biblical scholars

Theology in a Suffering World Christopher Southgate, 2018-08-30 The book proposes a new way of understanding the glory of God in Christian theology based on glory as sign **The Cycle of the Year as a Path of Initiation** Sergei O. Prokofieff, 2014-03-12 In ancient times humanity possessed an innate knowledge of the spiritual foundations of existence Such knowledge could be acquired through inwardly accompanying the cycle of the year and its connected great seasonal festivals But this instinctive knowledge had to be lost in order for human beings to discover individual freedom In our time as Sergei O Prokofieff demonstrates in this comprehensive work this knowledge must be found anew through the free light filled consciousness of the fully developed human personality Tracing the spiritual path of the yearly cycle Prokofieff penetrates to the deeper esoteric realities of the seven Christian festivals of Michaelmas Christmas Epiphany Easter Ascension Whitsun and St John s Tide Basing his research on the work of the twentieth century initiate Rudolf Steiner he reveals how these festivals are spiritual facts that exist independently of religious traditions and cultural customs Working with the festivals in an esoteric sense can provide a true path of initiation ultimately enabling an experience of the Being of the Earth Christ The journey of study through this book can thus lead the reader to an experience of the modern Christian Rosicrucian path along which it is possible to take the first steps towards life in partnership with the course of cosmic existence *Zohar for All: The Book of Zohar with the Sulam Commentary* Michael Laitman, Yehuda Ashlag, 2023-09-24 Laitman Kabbalah Publishers is proud to present the first volume of Zohar for All The Book of Zohar with the Sulam Commentary This new rendition of The Zohar offers an accessible and coherent explanation to the fundamental and primary composition in the wisdom of Kabbalah The Sulam Ladder commentary is the most profound and elaborate commentary on The Book of Zohar and was written by the greatest kabbalist of the 20th century Rav Yehuda Leib HaLevi Ashlag Zohar for All smoothly merges the original text of The Zohar with the lucid explanations of Yehuda Ashlag to create a streamlined text that is both clear and true to the source

The Ante-Nicene Fathers Alexander Roberts, 1896 **Atonement** Thomas F. Torrance, 2025-09-30 This companion volume to T F Torrance s *Incarnation The Person and Life of Christ* presents the material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New college Edinburgh from 1952 1978 Like the first volume the original lecture material has been expertly edited by Robert Walker complete with cross reference to Torrance s other works Readers will find this the most readable work of Torrance and together with *Incarnation* the closest to a systematic theology we have from this eminent theologian Children's Liturgy of the Word 2016-2017: A Weekly Resource Mary A. DuQuaine, *A Valley of Vision* David B. Ruderman, 2016-11-11 Abraham ben Hananiah Yagel 1553 c 1624 composed his Hebrew work *Gei Hizzayon* A Valley of Vision in Italy at the end of the

sixteenth century This striking text so different from the other writings of the prolific physician natural philosopher and kabbalist is first an autobiographical account of the vicissitudes of the author's years as a Jewish loan banker It is also a description of a heavenly journey he is taken on by the soul of his recently deceased father who visits his son while he is imprisoned in Mantua for debt Finally it is a series of theological and moral discussions based on the insights of Judaism particularly the kabbalah as understood by Yagel and his Italian contemporaries A Valley of Vision is unique in Hebrew literature in its integration of traditional Jewish materials with contemporary literary and iconographic innovations It is also a fascinating window into the social and cultural world of Italian Jewry at the end of the sixteenth century and its effect on the entire late Renaissance period David B Ruderman's is the first translation of this important work into any Western language The book will be of great interest to both the specialist and the general reader of Jewish and late Renaissance history thought and literature

Twelve sermons James Battersby, 1876 **Where is Boasting?** Simon J. Gathercole, 2002-10-24 This important work challenges the validity of the New Perspective on Paul and Judaism Working with new data from Jewish literature and a fresh reading of Romans 1:5 Simon Gathercole produces a far reaching criticism of the current approach to Paul and points a new way forward Building on a detailed examination of the past generation of scholarship on Paul and early Judaism Gathercole's work follows two paths First he shows that while early Judaism was not truly oriented around legalistic works righteousness it did consider obedience to the Law to be an important criterion at the final judgment On the basis of this reconstruction of Jewish thought and a rereading of Romans 1:5 Gathercole advances his main argument that Paul did indeed combat a Jewish perspective that saw obedience to the Law both as possible and as a criterion for vindication at the final judgment Paul's reply is that obedience to the Law is not a criterion for the final judgment because human nature makes obedience to the Law impossible His doctrine of justification can therefore be properly viewed in its Jewish context yet anthropological issues also take center
