Russia Broken Idols Solemn Dreams:

Russia, broken idols, solemn dreams David K. Shipler, 1980 **Russia : broken idols, solemn dreams, revised and updated edition** David K. Shipler, 1989 **Russia** David K. Shipler, 2016-02-17 A classic portrait of life in Soviet Russia by Pulitzer Prize winning journalist David Shipler During the Cold War David Shipler spent four years in Moscow as a New York Times correspondent and bureau chief Out of that experience came *Russia* a book that probed beneath the usual surface observations stereotypes and official rhetoric to present a subtle multi layered depiction of the tenor of the country behind the Soviet facade In 1989 Shipler returned to write an updated edition retaining his focus on the durable features of Russian life and spirit while taking into account the changes wrought by Gorbachev and glasnost at the end of the Cold War The result is a memorable incisive and eminently human portrait of the Russian people that remains as vital as ever amid increased tensions between Russia and the United States *Russia* David Karr Shipler, 1984 *Russia* George St. George, 1973 Americans Experience Russia Choi Chatterjee, Beth Holmgren, 2013 *Americans Experience Russia* analyzes how American scholars journalists and artists envisioned experienced and interpreted Russia the Soviet Union over the last century While many histories of diplomatic economic and intellectual connections between the United States and the Soviet Union can be found none has yet examined how Americans encounters with Russian Soviet society shaped their representations of a Russian Soviet other and its relationship with an American west The essays in this volume critically engage with postcolonial theories which posit that a self valorizing unmediated west dictated the colonial encounter repressing native voices that must be recovered Unlike western imperialists and their colonial subjects Americans and Russians long co existed in a tense parity regarding each other as other than European equals sometime cultural role models temporary allies and political antagonists In examining the fiction film journalism treatises and histories Americans produced out of their Russian experience the contributors to this volume closely analyze these texts locate them in their sociopolitical context and gauge how their producers profession politics gender class and interaction with native Russian interpreters conditioned their authored responses to Russian Soviet reality The volume also explores the blurred boundaries between national identities and representations of self other after the Soviet Union's fall *The Sword and the Shield* Christopher Andrew, 2000-08-29 *The Sword and the Shield* is based on one of the most extraordinary intelligence coups of recent times a secret archive of top level KGB documents smuggled out of the Soviet Union which the FBI has described after close examination as the most complete and extensive intelligence ever received from any source Its presence in the West represents a catastrophic hemorrhage of the KGB's secrets and reveals for the first time the full extent of its worldwide network Vasili Mitrokhin a secret dissident who worked in the KGB archive smuggled out copies of its most highly classified files every day for twelve years In 1992 a U S ally succeeded in exfiltrating the KGB officer and his entire archive out of Moscow The archive covers the entire period from the Bolshevik Revolution to the 1980s and includes revelations concerning

almost every country in the world But the KGB's main target of course was the United States Though there is top secret material on almost every country in the world the United States is at the top of the list As well as containing many fascinating revelations this is a major contribution to the secret history of the twentieth century Among the topics and revelations explored are The KGB's covert operations in the United States and throughout the West some of which remain dangerous today KGB files on Oswald and the JFK assassination that Boris Yeltsin almost certainly has no intention of showing President Clinton The KGB's attempts to discredit civil rights leader in the 1960s including its infiltration of the inner circle of a key leader The KGB's use of radio intercept posts in New York and Washington D C in the 1970s to intercept high level U S government communications The KGB's attempts to steal technological secrets from major U S aerospace and technology corporations KGB covert operations against former President Ronald Reagan which began five years before he became president KGB spies who successfully posed as U S citizens under a series of ingenious disguises including several who attained access to the upper echelons of New York society

Searching for Bobby Fischer Fred Waitzkin, 2017-02-07 The inspiration for the iconic film this memoir by the father of a prodigy reflects on chess competition and childhood Fred Waitzkin fell in love with chess during the Cold War era showdown between Russian champion Boris Spassky and young American superstar Bobby Fischer Twelve years later Waitzkin's own son Joshua discovered chess in Washington Square Park and began displaying the telltale signs of a prodigy Soon crowds gathered to watch the six year old calling him a Young Fischer An unstoppable player little Josh was suddenly catapulted into the intense world of competitive chess When Josh first sat down at a chessboard he was a charming rambunctious rough and tumble child Within weeks he was playing the game with poise and constrained violence as if there were a wise old man plotting moves inside him Then renowned coach Bruce Pandolfini discovered Josh in the park and began to refine the child's game In Searching for Bobby Fischer Waitzkin recounts his journey with his son into the world of chess from the colorful milieu of street hustlers to the international network of grandmasters Looming large over their story is the elusive Bobby Fischer whose mysterious disappearance from the chess world created a vacuum that would profoundly affect young Josh and his dad Josh went on to win eight national championships before he turned twenty but his achievements did not come without cost In this memoir Waitzkin explores his love and ambition for Josh who faces pressures far beyond his years Even as father and son travel to Moscow to watch Kasparov challenge Karpov Waitzkin doubts his own motives Is he pushing his son too hard Is the game a joy to Josh or is he just fulfilling his father's wishes Searching for Bobby Fischer is about more than chess A little gem of a book it is ultimately about the struggle we all face to love our families and do right by them while also setting our own paths as individuals The New York Times

Russian Youth James Finckenauer, James O. Finckenauer, 2018-02-20 In the generation that has passed what have we learned about the rule of law legality legal reasoning and deviance in Russia And what about the general subject of legal socialization how young people learn about rules norms and laws what their attitudes about rules and laws

are and if and whether this knowledge and these attitudes shape their behavior The second edition of Russian Youth asks and answers these questions

Soviet Jewry in the 1980s Robert Owen Freedman,1989 Contributors Stephen Feinstein Robert O Freedman Theodore H Friedgut Zvi Gitelman Marshall I Goldman Sidney Heitman William Korey Howard Spier

Enemies and How to Love Them Gerard Vanderhaar,2013-09-01 This compassionate book describes the making of enemies in our personal social and national lives It goes on to outline a nonviolent approach to resolving enmity wherever it arises It taps the rich resources of Jesus two thousand year old formula Love your enemies with the help of our contemporary understanding of Gandhian active nonviolence The author offers a life changing habit breaking approach of understanding focusing and negotiating as a positive alternative to the usual flight or fight response to enemies The book sketches an informative portrait of the Soviet Union that includes insights into its communist ideology its political structures and the practice of religion in the country The book stresses that the USSR is a nation of real people who are interesting sometimes colorful yet always struggling

Freedom and Terror in the Donbas Hiroaki Kuromiya,1998 This book discusses both the freedom of the Ukrainian Russian borderland of the Donbas and the terror it has suffered because of that freedom In a detailed panorama the book presents the tumultuous history of the steppe frontier land from its foundation as a modern coal and steel industrial center to the post Soviet present Wild and unmanageable this haven for fugitives posed a constant political challenge to Moscow and Kiev In light of new information gained from years of work in previously closed Soviet archives including the former KGB archives in the Donbas the book presents from a regional perspective new interpretations of critical events in modern Ukrainian and Russian history the Russian Revolution the famine of 1932 33 the Great Terror World War II collaboration the Holocaust and de Stalinization

The Green Real Deal Bill Herrington,2023-07-18 In *The Green Real Deal* Bill Herrington presents a compelling case for a balanced approach to America s energy future Drawing from his unique perspective as both a former pipeline worker and a seasoned financial executive with decades of experience in the energy sector Herrington examines how environmental activism foreign influence and political idealism are threatening America s energy security From the historic role of pipelines in World War II to the complex realities of modern renewable energy Herrington peels back layers of misinformation to reveal uncomfortable truths about energy politics He exposes how Russian interference has influenced American environmental debates challenges the practicality of a rapid transition to 100% renewable energy and argues that fossil fuels remain critical to both economic stability and national security With meticulous research and firsthand knowledge Herrington doesn t simply criticize the status quo he offers a pragmatic five point plan for America s energy future that acknowledges climate concerns while prioritizing economic prosperity and national security His *Green Real Deal* proposes a sensible middle path that includes responsible fossil fuel use forest protection targeted renewable expansion improved coal technology and advanced nuclear development This timely book will challenge assumptions across the political spectrum providing essential context for anyone concerned about

America's energy independence and environmental future If you enjoyed *The New Map* by Daniel Yergin *Apocalypse Never* by Michael Shellenberger and *Inconvenient Facts* by Gregory Wrightstone you'll love *The Green Real Deal* *The Soviet Union Today* James Cracraft, 2014-12-10 This newly revised and expanded second edition of *The Soviet Union Today* provides a comprehensive introduction to contemporary Soviet reality Written by thirty experts the book is divided into eight general sections history politics the armed forces the physical context the economy science and technology culture and society The individual chapters which are intended to respond to the questions most frequently asked about the Soviet Union are devoted to everything from the Lenin cult to the KGB from Soviet architecture to Soviet education from the status of women and ethnic minorities to the question of religion All of the chapters from the first edition have been updated and five new chapters on the Soviet cinema mass media foreign trade arms control and the legal system have been added An annotated list of further reading suggestions and a special Note for Travelers enhance this volume's usefulness Students teachers journalists prospective tourists and anyone interested in Soviet life will find this new edition of *The Soviet Union Today* an essential and stimulating guide to understanding the world's largest country *From Exodus to Freedom* Stuart Altshuler, 2005 Between 1967 and 1991 almost half of the entire Jewish population of the Soviet Union left for freedom to Israel America and other western countries This book tells the story of the American Jewish community's involvement in this exodus and is the first of its kind to explore how such a massive emigration occurred for a population virtually written off by world Jewry as doomed just two decades before **What Happened to the Soviet Union?** Christopher I. Xenakis, 2002-09-30 Xenakis examines the responses of Soviet experts in American academia primarily political scientists but also economists and defense scholars who specialized in the USSR to the unfolding evidence of Soviet reform during the 1970s and 1980s and to its ultimate collapse He concludes that American Sovietologists and other political scientists were more responsive to the Cold War consensus to the needs of the State Department Defense and CIA policy makers and to the official Washington line of the moment than to the changing face of the Soviet Union As Xenakis makes clear many of the Cold War ideas and attitudes shared by Sovietologists the notion that the USSR was an evil empire the idea that Soviet society was irredeemably xenophobic and indolent that the Soviet political and economic system could not be fixed or reformed and the view that the best way for Washington to deal with Moscow's influence was to contain the USSR through arms races global and proxy wars were reminiscent of the policies and arguments of the Truman and Eisenhower administrations not to the facts on the ground in the 1970s and 1980s An important work for scholars students and researchers involved with Soviet and Russian studies international political and military affairs intellectual history and the relationship between academia and the government *Henry Kissinger and the American Approach to Foreign Policy* Gregory D. Cleva, 1989 This analysis of Henry Kissinger's historical philosophy statecraft and views on international politics reveals Kissinger to be a transitional figure who urged a conversion of American foreign policy from an insular to a continental approach **Russian Corporate Capitalism From**

Peter the Great to Perestroika Thomas C. Owen, 1995-12-07 From the three perspectives of geography economic policy and ideology this work examines corporate capitalism under the tsarist and late Soviet regimes Thomas C Owen discovers a remarkable history of thwarted effort and lost opportunity He explores the impact of bureaucratic restrictions and reveals the entrepreneurial capabilities of Russia s corporate founders from various social groups as well as the prominence of Poles Germans Jews Armenians and foreign citizens in the corporate elite of the Russian Empire and its ten largest cities The study stresses continuities between tsarist and late Soviet periods especially in the persistence of anti capitalist attitudes both radical and reactionary A provocative final chapter considers the implications of the weak corporate heritage for the future of Russian capitalism

Soviet Society Today Michael Rywkin, 2017-07-05 A systematic overview of life in the Soviet Union this book includes chapters on the territorial divisions and ethnic composition of the country the governmental and party system Russian and minority cultures the family education health care sports military service classes and social privilege poverty prices and wages the economic system work and the standard of living It concludes with a discussion of the impact of Gorbachev s administration on Soviet society and the outlook for the future

The Working Poor David K. Shipler, 2008-11-12 NATIONAL BESTSELLER From the author of the Pulitzer Prize winning *Arab and Jew* an intimate portrait unfolds of working American families struggling against insurmountable odds to escape poverty This is clearly one of those seminal books that every American should read and read now The New York Times Book Review As David K Shipler makes clear in this powerful humane study the invisible poor are engaged in the activity most respected in American ideology hard honest work But their version of the American Dream is a nightmare low paying dead end jobs the profound failure of government to improve upon decaying housing health care and education the failure of families to break the patterns of child abuse and substance abuse Shipler exposes the interlocking problems by taking us into the sorrowful infuriating courageous lives of the poor white and black Asian and Latino citizens and immigrants We encounter them every day for they do jobs essential to the American economy This impassioned book not only dissects the problems but makes pointed informed recommendations for change It is a book that stands to make a difference

Thank you very much for reading **Russia Broken Idols Solemn Dreams**.
