Secrets Of The Deep:

Secrets of a Father's Heart Duane Swilley, 2015-05-22 In a world where so many people grow up without a father it's very important that everyone is exposed to a father's heart. Whenever my father would come to see me in some athletic church or musical event I would always play my best. There was something about a father's supporting, caring and loving you that brings the best out in you. In this story we see the real heart of a father. A father's heart is always relational and it's always about restoration. A father's heart cannot really be taught to you. A father's heart has to be shown by example in front of you. Then there can be an impartation in your life where you can take on the mantle of a true father. *The Power of Divine*
