The Secret City Hugh Walpole, 2018-02-25 Excerpt from The Secret City A Novel in Three Parts There are certain things that I feel as I look through this bundle of manuscript that I must say The first is that of course no writer ever has fulfilled his intention and no writer ever will secondly that there was when I began another intention than that of dealing with my subject adequately namely that of keeping myself outside the whole of it I was to be in the most abstract and immaterial sense of the word a voice and that simply because this business of seeing Russian psychology through English eyes has no excuse except that it is English That is its only interest its only atmosphere its only motive and if you are going to tell me that any aspect of Russia psychological mystical practical or commercial seen through an English medium is either Russia as she really is or Russia as Russians see her I say to you without hesitation that you don't know of what you are talking About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Secret City** Jan-Andrew Henderson, 2004 Charlie Wilson is about to have a totally
