Regional Security in the Asia Pacific Marika Vicziany, David P. Wright-Neville, Peter Lentini, 2004-03-25 The September 2001 terrorist attacks shocked the world But what did they change In this book Asia specialists from academe and policy think tanks assess the impact of 9 11 on the Asia Pacific Drawing on unique fieldwork access to a wide range of documents and inside expertise the authors consider how old geo strategic and cultural fault lines have been overlaid with new security threats from state and non state actors With chapters on specific countries and regions defense policies terrorism and current and potential conflict zones this collection critically examines the Asia Pacific region's post 9 11 as well as post Iraq war security architecture

Japan's Security and Economic Dependence on China and the United States Keisuke Iida, 2017-07-06 With the rise of China Japan and many East Asian countries are caught between maximizing profit from economic ties with her and strengthening alliances with the United States to prevent China from overpowering them Liberals and realists thus debate over the likelihood of either security tensions easing up or economic interdependence getting reduced eventually On the other hand Iida introduces a new theory that reinterprets the relationship between state security and economic interdependence among countries in the Asia Pacific region Based on case studies of recent episodes in East Asia and especially on the experiences of Japan this book highlights an interesting dynamic between security and economic interdependence risk avoidance By understanding how risk avoidance affects the behavior of these countries in terms of security and economics it becomes evident how they eventually settle into what Iida calls Cool Politics and Lukewarm Economics

Asia-Pacific Security Joanne Wallis, Andrew Carr, 2016-10-01 This new textbook

gathers an international roster of top security studies scholars to provide an overview of Asia Pacific's international relations and pressing contemporary security issues. It is a suitable introduction for undergraduate and masters students use in international relations and security studies courses. Merging a strong theoretical component with rich contemporary and historical empirical examples, *Asia Pacific Security* examines the region's key players and challenges as well as a spectrum of proposed solutions for improving regional stability. Major topics include in depth looks at the United States relationship with China, Security concerns presented by small and microstates, the region's largest group of nations, threats posed by terrorism and insurgency, the region's accelerating arms race and the potential for an Asian war, the possible roles of multilateralism, security communities and human security as part of solutions to regional problems.

Asia's Security Challenges Wilfried A. Herrmann, 1998. Comprises 24 contributions covering major security challenges as well as regional security panoramas and country profiles. Representative topics include conventional arms proliferation in East Southeast Asia, piracy, worldwide migration as a challenge to Asian security, sustainable development, the Asian view of human rights and country profiles of Japan, Mongolia, Papua New Guinea, the PRC, Taiwan, and the Philippines. Proceedings of the 2024 3rd International Conference on Economics, Smart Finance and Contemporary Trade (ESFCT 2024) Kun Zhang, Hang Luo, Hongbo Li, Azlina Binti Md Yassin, 2024-10-19. This book is open access.

About ESFCT 2024: The 2024 3rd International Conference on Economics, Smart Finance and Contemporary Trade (ESFCT2024) has been successfully held on July 22-24, 2024 in Xi'an, China. ESFCT2023 has been held on July 28-30, 2023 in Dali, China. In the ever-evolving landscape of global economics, the integration of smart finance and the intricacies of contemporary trade practices play a pivotal role in shaping the future of economies around the world. The 3rd International Conference on Economics, Smart Finance and Contemporary Trade (ESFCT 2024) serves as a premier forum for academics, researchers, professionals, and policymakers from various disciplines to engage in a comprehensive discussion on the latest trends, challenges, and advancements in the field. ESFCT 2024 aims to foster a deeper understanding of the dynamic interplay between economic theories, the innovative application of smart financial instruments, and the evolving nature of global trade dynamics.

Research Background: The landscape of global finance and trade has been undergoing substantial transformations driven by technological advancements, shifts in geopolitical relations, and changing consumer behaviors. The emergence of smart finance, characterized by the application of blockchain, artificial intelligence, and big data analytics, has revolutionized the way financial services are delivered and consumed. Concurrently, contemporary trade practices are adapting to new realities, including the rise of e-commerce, changes in supply chain management, and the increasing importance of sustainability considerations. Amidst these shifts, understanding the economic implications of these trends is crucial for policymakers, businesses, and researchers alike.

Research Status: Current research in the domain of economics, smart finance, and contemporary trade is vast and multifaceted, reflecting the complexity of the global economic system. Theories of economic

growth and development continue to evolve incorporating insights from behavioral economics environmental economics and the study of economic resilience In the realm of smart finance significant progress has been made in exploring the potential of technologies like blockchain for enhancing transparency reducing fraud and facilitating more efficient transactions Similarly research on contemporary trade practices is focusing on the impact of trade wars the reconfiguration of global supply chains and the role of international trade agreements in shaping economic outcomes Research Objectives The primary objectives of ESFCT 2024 are to 1 Provide an interdisciplinary platform for sharing the latest research findings innovative ideas and best practices in the fields of economics smart finance and contemporary trade 2 Foster collaboration among participants from academia industry and government to address the complex challenges facing the global economy 3 Highlight the implications of recent technological advancements for financial services trade practices and economic policy 4 Explore the interconnections between economic theory financial innovation and trade dynamics with a particular focus on sustainability and inclusion 5 Encourage the development of forward looking strategies that leverage the potential of smart finance and contemporary trade to promote economic growth and resilience

American-Japanese Security

Agreements, Past and Present Thomas A. Drohan, 2015-01-28 What led two mortal enemies to become allies nine years after the end of World War II When the Allies began their occupation of defeated Axis countries many people favored a program of harsh reparation and demilitarization For the United States this was tempered with a desire not only to prevent such a war from happening again but to help the occupied countries rebuild their economic and political infrastructure This aspiration coupled with the rise of communist China and its perceived threat not only to Southeast Asia but the world formed the catalyst for a U S Japanese alliance The alliance between the United States and Japan persists in spite of changing political world views The changes which have affected world politics have often resulted in corresponding adjustments to the U S Japan security agreement From 1954 to the present day this volume takes an in depth look at the fundamental nature of the relationship The book addresses the historical origins of security relations in both countries and the ways in which these formed the basis for their postwar security cooperation and examines the negotiated set of shared military economic and political agreements and expectations which have shaped their relationship The work's main focus however is the way in which this alliance has evolved Four cases of significant policy change in 1960 1981 1987 and 1997 are analyzed along with a discussion of the relevant strategic and tactical realities of the time The reactions of the United States and Japan to recent events such as Iraq's Kuwait invasion and the 2001 terrorist attacks on America are also discussed Numerous tables are included

The Geopolitics of Australia's Regional Relations D. Rumley, 2001-06-30 The origins of this book go back 30 years to the stimulation and interest generated by the political geography seminars led by John House at the University of Newcastle Upon Tyne I was very fortunate to graduate among its extremely capable sporty and enthusiastic class of 68 from where several academic geographers emerged Equally fortunately some of them and their predecessors had already blazed a

trail to undertake graduate studies in Canada At the University of British Columbia I was supervised at different times by Julian Minghi and Victor Prescott both of whom are not only extremely capable academics but are also very fine people owe an enormous debt to John Julian and Victor and to the British and Canadian taxpayers who provided financial support for my University studies In 1974 I began an academic career at the University of Western Australia where I have been ever since save for a two year period from 1991-3 as Professor of Australian Studies in the Department of International Relations at the University of Tokyo Viewing Australia and the Asia Pacific region from this different perspective within an extremely supportive Japanese environment had a profound impact I am especially grateful for the support provided by so many Japanese academic colleagues and friends beginning as early as 1976 Three individuals deserve special mention for their help guidance and enduring friendship George Ohshima Hiroshi Tanabe and Akihiro Kinda
