Victoria Sackville-West

Seducers In Ecuador And The Heir Virago Modern Classics:

Seducers in Ecuador & The Heir Victoria Mary Sackville-West, 1987 **Seducers in Ecuador ; & The Heir** Victoria Sackville-West, 1987 **Vita Sackville-West** Robert S. Cross, Ann Ravenscroft-Hulme, 1999 A comprehensive bibliography for controversial feminist British author Sackville West 1892-1962 who is also known as a devoted gardener and close friend of Virginia Wolfe. It includes such novels as *The Edwardians* and *All Passion Spent* and biographies like *Pepita* about her Spanish dancer grandmother. *World Authors, 1900-1950* Martin Seymour-Smith, 1996 Representing a broad range of ethnic diversity, these in-depth profiles present fascinating accounts of lives and careers, the circumstances under which works were produced, and their literary significance. Each profile also includes critical evaluation, a list of the author's principal works with date first published, a list of major critical works, and a portrait or photograph where available.

Seducers in Ecuador and The Heir Vita Sackville-West, 2011-12-16 He found himself in such a position that he no longer dared to remove his spectacles at all; he could not face a return to the daylight mood. Realism was no longer for him. First published in 1924 and 1922 respectively, these exquisitely written novellas confirm Vita Sackville-West's gifts as both stylist and observer of her very particular world. *Seducers in Ecuador* an amusing and ironic tale of the nature of truth and fantasy is the story of Arthur Lomax, every bit the English gentleman in his white ducks and solar topee, enjoying the pleasures of an Egyptian cruise. But with the addition of a pair of blue spectacles to the outfit, Lomax's entire world changes to alarming effect. *Peregrine Chase*, the subject of *The Heir*, is on first acquaintance a less colourful figure, the manager of a Wolverhampton insurance company. But when he inherits a moated Tudor house called Blackboys, his resistance to change dissolves in the face of its beauty. Under the spell of house and garden, *Peregrine's* life and heart are transformed.

The British Library General Catalogue of Printed Books, 1986 to 1987 British Library, 1988 *British Aristocracy and the Modern World* Professor Miles Taylor, Christopher Ridgway, 2025-07-02 In the thirty-five years since the publication of David Cannadine's *Decline and Fall of the British Aristocracy* (1990), the power of Britain's landed elite declined but they remain far from extinct. One-third of Britain's land still belongs to the aristocracy. Moreover, partly inspired by Cannadine's book, we now know much more about the ways in which the aristocracy established their hold on modernity and how they have lasted so long. Many key questions remain: How much was this a distinctively British story? To what extent were things different in Scotland, Wales, and Ireland? Does *Decline and Fall* accurately describe what happened to landed elites in other countries, particularly in western Europe or amongst assimilated elites such as Jews? Was the soft power of the aristocracy, their role in the arts, philanthropy, and higher education as significant as their political and economic sway? How dependent on the colonies and also the USA were the British aristocracy for their wealth in the first place, and how did their role overseas change their profile at home? This volume brings together a wide-ranging group of scholars to explore *The Decline and Fall*, developing its themes in new ways and investigating other aspects for the first time.
