Forbidden Signs Douglas C. Baynton, 1998-04-22

Forbidden Signs explores American culture from the mid nineteenth century to 1920 through the lens of one striking episode the campaign led by Alexander Graham Bell and other prominent Americans to suppress the use of sign language among deaf people The ensuing debate over sign language invoked such fundamental questions as what distinguished Americans from non Americans civilized people from savages humans from animals men from women the natural from the unnatural and the normal from the abnormal An advocate of the return to sign language Baynton found that

although the grounds of the debate have shifted educators still base decisions on many of the same metaphors and images that led to the misguided efforts to eradicate sign language Baynton's brilliant and detailed history *Forbidden Signs* reminds us that debates over the use of dialects or languages are really the linguistic tip of a mostly submerged argument about power social control nationalism who has the right to speak and who has the right to control modes of speech Lennard J Davis *The Nation* *Forbidden Signs* is replete with good things Hugh Kenner *New York Times Book Review* *Signing the Body Poetic* Dirksen Bauman, Heidi Rose, Jennifer Nelson, 2006-12-20 This unique collection of essays accompanied by videos at last brings a dazzling view of the literary social and performative aspects of American Sign Language to a wide audience The book presents the work of a renowned and diverse group of deaf hard of hearing and hearing scholars who examine original ASL poetry narrative and drama The videos showcase the poems and narratives under discussion in their original form providing access to them for hearing non signers for the first time Together the book and videos provide new insight into the history culture and creative achievements of the deaf community while expanding the scope of the visual and performing arts literary criticism and comparative literature The videos may be viewed online at ucpress.edu/go/signingthebodypoetic
