Seeing Law Differently Views From A Spiritual Path:

Seeing Law Differently Alan Reid, 1992 **Getting to Resolution** Stewart Levine, 2010 Our current models for ending conflict don't really work. They waste incredible amounts of time, money, and energy and take an enormous emotional toll on participants. The parties remain embittered, relationships are destroyed, and often the conflict just reappears later in a different form. In this second edition of his classic book, Stewart Levine offers a revolutionary alternative approach that goes beyond compromise and capitulation to provide a satisfactory resolution for everyone involved. Marriages run amuck, neighbors at odds with one another, business deals gone sour, and the pain and anger caused by corporate downsizing are just a few of the conflicts he addresses. The new edition has been thoroughly revised with new examples, new tools, new material about building trust and virtual collaboration, as well as a more global outlook. Levine rejects the adversarial legal model. If both sides are unhappy, you probably have a good settlement. Resolution, he shows, provides relief and completeness for both sides. No one goes away unhappy. Effective resolution stops anger and resentment cold, drastically cutting the emotional cost and allowing both sides to return to productive, satisfying, functional relationships. *Getting to Resolution* outlines the ten principles underlying this new approach, what Levine calls resolutionary thinking. Levine provides a detailed seven-step process for using this new mindset to resolve conflicts in a way that fosters dignity and integrity, optimizes resources, and allows all concerns to be voiced, honored, and woven into the resolution. Levine's model has a thirty-five year track record. It has been developed, implemented, tested, and proven in business, personal, and governmental contexts. *Getting to Resolution* will enable readers to shift from thinking about problems, fighting, and breakdowns to thinking about collaboration, engagement, learning, creativity, and the opportunity for creating enduring value.

Telling the Truth John S. McClure, Nancy Jean Ramsay, 1998 Every congregation in North America has victims, survivors, and perpetrators of violence in its midst. Many in the church, while supporting marital and family connections, do not know how to address abuse. Many ministers are searching for theological and ethical perspectives with which to frame an effective pulpit teaching and pastoral ministry. *Telling the Truth* assembles the wisdom of experts from across disciplines and denominations. Biblical and theological issues are analyzed by Johanna Van Wijk Bos, Shawn Copeland, and Wendy Farley. Pastoral resources are presented by Marie M. Fortune, James Poling, Nancy Ramsay, and David Goatley. Preaching strategies are discussed by Barbara Patterson and John S. McClure. Four sermons are also included to provide effective models for ministering against sexual and domestic violence.

Journal, 2002 *Journal of the Professional Lawyer*, 2008 **Another Way of Seeing** Peter Gabel, 2013-10-11 In *ANOTHER WAY OF SEEING*, Peter Gabel argues that our most fundamental spiritual need as human beings is the desire for authentic mutual recognition. Because we live in a world in which this desire is systematically denied due to the legacy of fear of the other that has been passed on from generation to generation, we exist as what he calls withdrawn selves, perceiving the other as a threat rather than as the source of our completion as social beings. Calling for a new kind of spiritual activism that

speaks to this universal interpersonal longing Gabel shows how we can transform law politics public policy and culture so as to build a new social movement through which we become more fully present to each other creating a new parallel universe existing alongside our socially separated world and reaffirming the social bond that inherently unites us Peter Gabel is one of the grand prophetic voices in our day He also is a long distance runner in the struggle for justice Don't miss this book Cornel West The Class of 1943 Professor Princeton University and Professor of Philosophy and Christian Practice Union Theological Seminary Replete with wise insights that reward readers with Another Way of Seeing toward their pursuit of compassion community and a better world law professor activist and philosopher Peter Gabel's excellent essay collection elaborates upon the meaning of Martin Luther King Jr's expression Justice is love correcting that which revolts against love No matter what your expertise Gabel's thoughts are pertinent to fulfillment of your human possibilities Ralph Nader Washington DC

Canadian Books in Print, 1993 *Christian Dogmatics* Carl E. Braaten, Robert W. Jenson, 2011-07 Volume 2 treats atonement the Holy Spirit ecclesiology the sacraments justification by faith and eschatology *The Way of Selflessness: A Practical Guide to Enlightenment Based on the Teachings of the World's Great Mystics* Joel Morwood, 2019-04-15 Praised as a spiritual treasure by Huston Smith The Way of Selflessness is an authoritative guide for anyone who wishes to walk a mystical path and discover directly the truth testified to by the mystics of the world's spiritual traditions Drawing from the universal teachings and essential practices of the mystics from all the world's major religious traditions distilled and presented in generic terms suitable for all seekers The Way of Selflessness is appropriate for both those who belong to an established religion and those who do not **Augustine and the Jews** Paula Fredriksen, 2010-10-12 Now in paperback with a new postscript this updated edition of Paula Fredriksen's critically acclaimed *Augustine and the Jews* traces the social and intellectual forces that led to the development of Christian anti Judaism and shows how and why Augustine challenged this tradition Drawing us into the life times and thought of Augustine of Hippo 396-430 Fredriksen focuses on the period of astounding creativity that led to his new understanding of Paul and to his great classic *The Confessions* She shows how Augustine's struggle to read the Bible led him to a new theological vision one that countered the anti Judaism not only of his Manichaean opponents but also of his own church The Christian Empire Augustine held was right to ban paganism and to coerce heretics But the source of ancient Jewish scripture and current Jewish practice he argued was the very same as that of the New Testament and of the church namely God himself Accordingly he urged Jews were to be left alone Conceived as a vividly original way to defend Christian ideas about Jesus and about the Old Testament Augustine's theological innovation survived the collapse of the Western Roman Empire and it ultimately served to protect Jewish lives against the brutality of medieval crusades *Augustine and the Jews* sheds new light on the origins of Christian anti-Semitism and through Augustine opens a path toward better understanding between two of the world's great religions
