Macionis, Nijole V. Benokraitis, Peter Urmetzer, Bruce Ravelli, 2009-03-18 Seeing Ourselves is the only reader that systematically weaves together three types of articles classic contemporary and cross cultural Classic articles will provide you with sociological statements of recognized importance and lasting significance Contemporary articles focus on current sociological issues controversies and applications They will show you the real world of sociologists at work and demonstrate the importance of on going research Cross cultural articles cast sociological insights about the world s striking cultural diversity Together these articles offer the most comprehensive coverage of any sociology reader *American Indian Higher Educational Experiences* Terry E. Huffman, 2008 *American Indian Higher Educational Experiences* examines the multiple ways sixty nine American Indian college students construct and use their ethnic identity while enrolled in a predominantly non Indian university Although their cultural backgrounds and orientations differ widely for all of these sixty nine students there exists a profound connection between how they view their personal ethnicity and how they interpret their experiences in academia **Youth Culture, Education and Resistance** , 2010-01-01 *Youth Culture Education and Resistance* Subverting the Commercial Ordering of Life is a ground breaking collection of essays that illustrate how youth culture has the potential to build solidarity amongst teachers activists scholars and practitioners for the purposes of confronting the dominant ideological doctrine influencing life at today s historical juncture emblemized through neoliberalism as well as building a society free from oppressive social formations Several leading international scholars and educators provide empirically and theoretically rich portraits of youth challenging the commercialized status quo inside and outside K 12 classrooms They also illustrate how cultural manifestations of youth speak directly against the social actors who continually vilify youth as the source of their own marginalization and the world s suffering and misery The Assessment Debate Valerie J. Janesick, 2001-11-14 An authoritative reference on one of education s hottest topics describing how the latest testing and assessment tools can be used to help improve student performance In this comprehensive review of the wealth of techniques by which students can be assessed Valerie J Janesick points out that the politics of schooling often gets in the way of student progress High stakes standardized testing is frequently based on poorly constructed unfair tests that encourage teaching to the test which actually impedes educational goals Authentic testing relies more on essays and writing samples performances demonstrations and role plays Although it is fairer and provides a measure of student growth and progress it

requires more effort by teachers who also require extra training Besides discussing authentic assessment in detail The Assessment Debate includes a chronology an annotated directory of organizations supporting performance assessment a list of state coordinators for testing reform and state by state report cards **The Model Black** Barbara Banda,2022-06-27 This book is for anyone who wants to understand what being more inclusive at work means especially as it relates to black leaders It is intended for those people who are saying I don t know where to start I don t know what to do and I don t know what to say when understanding and talking about race at work Based on candid interviews with 30 successful black leaders it peels away the multifaceted layers of black British leaders in organisations to offer a new way of thinking about the black British experience This book provides the insights and ideas required to have positive conversations about race at work and to create work environments where black leaders can thrive In identifying the attributes and behaviours that successful black leaders have in common this book offers new ways of thinking about black people at work that help to further inclusion It shines a light on the daily reality of being a black leader in the workplace providing an alternative entry point for conversations around inclusion and explores what individuals and organisations can do to increase inclusion in the workplace Through first hand stories this book explores the challenges compromises struggles and successes that black people encounter and the range of strategies they employ to achieve success as they navigate the white workplace It is essential reading for business leaders in the private public and third sector human resources professionals students anyone teaching or mentoring black students or leaders and everyone interested in understanding race and furthering inclusion in the workplace **Studies in School Improvement** Wayne K. Hoy,Michael DiPaola,2009-04-01 Studies in School Improvement is the eighth volume in a series on research and theory in school administration dedicated to advancing our understanding of schools through empirical study and theoretical analysis This selection of readings highlights a number of important factors in the stimulation and implementation of school improvement including transformational leadership change perspectives of teachers principals and the community strategies for instructional change learning environments and school culture dropout prevention professionalism trust relations between the teachers and the board as well as trust between students and teachers and admission decisions for educational leadership programs In addition a number of new reliable and valid measures are developed and presented for the first time instruments to assess 1 change perspectives of the faculty 2 professionalism of teachers and 3 trust relations between students and teachers These tools are valuable aids for both researchers and practitioners in their quest to understand and implement successful school improvement projects
