Conservatives and their adoption of him as the father of conservatism provided an intellectual foundation for the conservative ascendancy of the late twentieth century Highlighting the Burkean influence on such influential writers as George Bancroft E L Godkin and Russell Kirk Maciag also explores the underappreciated impact of Burke s thought on four U S presidents John Adams and John Quincy Adams Theodore Roosevelt and Woodrow Wilson Through close and keen readings of political speeches public lectures and works of history and political theory and commentary Maciag offers a sweeping account of the American political scene over two centuries *Burke: Thoughts on the present discontents.
