corporate executives Christopher Stevens CEO Unibloc Pump LLC *Making Marketing Happen* Brian Smith, 2006-08-11
Making Marketing Happen is prompted by needs of practising managers who have found the traditional marketing planning texts to be fine in theory but hard to apply to my special market In short it holds that marketing planning fails for most companies because it either does not fit their organizational culture their market conditions or both Successful companies do not plan They use a hybrid strategy making process including vision incrementalism and planning The ratio of these three things is critical and the right ratio is unique to every company The author develops this argument and explains how companies can construct the right hybrid strategy making process for their situation The book has been designed for those practising managers who need more than the planning text book It will tell you Why attempts at planning are foiled by the market the company culture or both How effective strategists don't plan but use organizationally tailored strategy making processes How to design the right process for your company and your market How to know if the strategy you make is strong before you implement it **Contemporary Strategic Marketing** Ross Brennan, Paul Baines, Paul Garneau, 2007-10-12 An extremely fluent and effective text designed to be a complete resource for single semester modules this new edition has a unique combination of text case studies The emphasis is on practicality and the text encourages the student to engage with the debate itself and not just the theory Also available is a companion website with extra features to accompany the text please take a look by clicking below <http://www.palgrave.com/business/brennan>
