John Glasgow Kerr

Selected Chinese Sayings Translated And Annotated:

Selected Chinese Sayings; Translated and Annotated by T.C. Lai. 4th Ed Tim Cheong LAI,1970 **...Selected Chinese Sayings, Translated and Annotated by T.C.Lai** T'ien Ch'ang Lai, Selected Chinese Sayings. Translated and Annotated by T.C. Lai. Eng. & Chin T'ien Chang LAI,1960 **Selected Chinese Sayings** T. C. Lai,197? *Select Phrases in the Canton Dialect* John Glasgow Kerr,1889 **Select Phrases in the Canton Dialect** John G. Kerr,1888 *A Corpus-based Contrastive Study of the Appraisal Systems in English and Chinese Scientific Research Articles* Xu Yuchen,Yan Xuan,Su Rui,Kou Ying,2021-12-28 Appraisal is the way language users express their attitude towards things people behaviour or ideas In the last few decades significant achievements have been made in Appraisal Theory research yet little attention has been paid to appraisal in scientific texts especially in relation to the contrast to how it is applied in English and Chinese This title examines the similarities and differences of Appraisal systems in English and Chinese scientific research articles Using a self constructed corpus of scientific research articles the authors make cross linguistic comparisons in terms of the quantity and distribution patterns of categories of appraisals They creatively categorise articles into theoretical scientific research articles and applied studies and discover that for both languages each genre can have its own favorite mode of distribution for the realization of appraisal systems In addition this research helps appraisal theory systems to become more explicit specific and more applicable for the analysis of scientific research articles Students and scholars of applied linguistics comparative linguistics and corpus linguistics will find this an essential reference *A Corpus-based Analysis of Vocabulary Translation in Teaching Chinese as a Foreign Language* Saihong Li,Yifei Hao,2025-10-20 This monograph investigates the landscape of vocabulary translation challenges within Teaching Chinese as a Foreign Language T C F L textbooks In the era of globalisation where the demand for Chinese language proficiency has escalated due to cultural exchanges economic collaborations tourism and overseas learning this study examines the accuracy and effectiveness of vocabulary translations in T C F L textbooks The authors adopt an innovative approach centring on analysing audience responses including feedback from teaching practitioners and learners of Chinese languages and utilising corpus based data to evaluate the consistency and appropriateness of vocabulary translations This book is an essential resource for scholars and educators as well as students in education Chinese studies translation studies and language learning **A History of Western Appreciation of English-translated Tang Poetry** Lan Jiang,2018-03-08 This book examines the development of English translated Tang poetry and its propagation to the Western world It consists of two parts the first of which addresses the initial stage of English translated Tang poetry s propagation and the second exploring its further development By analyzing the historical background and characteristics of these two stages the book traces the trend back to its roots discusses some well known early sinologists and their contributions and familiarizes readers with the general course of Tang poetry s development In addition it presents the translated versions of many Tang poems The dissemination of Tang poetry to the Western world is a

significant event in the history of cross cultural communication From the simple imitation of poetic techniques to the acceptance and identification of key poetic concepts the Tang poetry translators gradually constructed a classic Chinese style in modern American poetry Hence the traditional Chinese culture represented by Tang poetry spread more widely in the English speaking world producing a more lasting impact on societies and cultures outside China and demonstrating the poetry s ability to transcend the boundaries of time region nationality and culture Due to different cultural backgrounds the Tang poets or poems admired most by Western readers may not necessarily receive high acclaim in China Sometimes language barriers and cultural differences make it impossible to represent certain allusions or cultural and ethnic concepts correctly during the translation process However in recent decades the translation of Tang poetry has evolved considerably in both quantity and quality As culture is manifested in language and language is part of culture the translation of Tang poetry has allowed Western scholars to gain an unprecedented understanding of China and Chinese culture

Chinese Legal Translation Wang Yan, 2023-12-20 Chinese Legal Translation analyses and investigates the Chinese translation of conditional clauses introduced by various introductory words in Hong Kong bilingual ordinances within the framework of descriptive translation studies and translation typology This book explores the text typology of Hong Kong bilingual ordinances and highlights differences and similarities between different translations of conditional clauses in the Hong Kong context Based on both quantitative and qualitative analysis of conditional clauses of the Companies Ordinance the book summarises the frequency of introductory words of conditional clauses and generalises guiding patterns for writing conditional clauses and translating conditional clauses The book is significant in providing both theoretical foundations for legal translation and practical guidance for translating legal conditional clauses This book is primarily targeted for scholars and professionals who are interested in legal writing and legal translation as well as for students and practitioners in legal translation
