

Affectionately, Marcel

THE SELECTED CORRESPONDENCE
OF MARCEL DUCHAMP
FRANCIS M. NAUMANN AND
HECTOR OBALK LUDION

Selected Correspondence Of Marcel Duchamp

Thomas Girst

Selected Correspondence Of Marcel Duchamp:

Affectionately, Marcel Marcel Duchamp, 2000 Marcel Duchamp left behind a large volume of correspondence more than a thousand documents forming a valuable archive of primary source materials on one the 20th Century's most important cultural figures In his letters Duchamp writes about his latest plans works in progress concepts such as the ready made his passion for chess the mundane details of life as well as extraordinary ideas The letters are reproduced in their entirety along with chronological and biographical data illuminating the circumstances behind the letters An essential volume for art historians and students of 20th Century culture *Affect/Marcel* Marcel Duchamp, Francis M. Naumann, Hector Obalk, 2000

Marcel Duchamp left a large volume of correspondence a thousand documents that form a unique source for our knowledge of the artist's personality and work In his letters Duchamp talks of his latest plans and works in progress He discusses important projects including the ready made a concept that was radically to change the course of 20th century art

Affectionately, Marcel Marcel Duchamp, 1999 Marcel Duchamp Caroline Cros, 2006 A fresh account of Marcel Duchamp that includes much material on his life after he stopped making art The Duchamp Dictionary Thomas Girst, 2014-05-20 Girst elegantly unravels the skeins of Duchamp's thinking An essential compendium for puzzling out an essential artist Richard Armstrong Director of the Solomon R Guggenheim Museum and Foundation Among the most influential artists of the last hundred years Marcel Duchamp holds great allure for many contemporary artists worldwide and is largely considered to be one of the founding fathers of modern art Despite this popularity books on Duchamp are often hyper theoretical rarely presenting the artist in an accessible way This new book explores the artist's life and work through short alphabetical dictionary entries that introduce his legacy in a clear and engaging way From alchemy and anatomy to Warhol and windows The Duchamp Dictionary offers a pithy and readable text that draws on in depth scholarship and the very latest research Thomas Girst includes close to 200 entries on the most interesting and important artworks relationships people and ideas in Duchamp's life from The Bicycle Wheel and Fountain to Walter and Louise Arensberg Peggy Guggenheim Katherine Dreier and Arturo Schwarz Delightful newly commissioned illustrations introduce each letter of the alphabet and accompany select entries capturing the irreverent spirit of the artist himself *Remaking the Readymade* Adina Kamien-Kazhdan, 2018-05-11 Replication and originality are central concepts in the artistic oeuvres of Marcel Duchamp and Man Ray Remaking the Readymade reveals the underlying and previously unexplored processes and rationales for the collaboration between Duchamp Man Ray and Arturo Schwarz on the replication of readymades and objects The 1964 editioned replicas of the readymades sent shock waves through the art world Even though the replicas undermined ideas of authorship and problematized the notion of identity and the artist they paradoxically shared in the aura of the originals becoming stand ins for the readymades Scholar poet dealer Arturo Schwarz played a crucial role opening the door to joint or alternate authorship an outstanding relationship between artist and dealer By unearthing previously unpublished

correspondence and documentary materials and combining this material with newly conducted exclusive interviews with key participants Remaking the Readymade details heretofore unrevealed aspects of the technical processes involved in the re creation of iconic long lost Dada objects Launched on the heels of the centenary of Duchamp's Fountain this new analysis intensifies and complicates our understanding of Duchamp and Man Ray initial conceptions and raises questions about replication and authorship that will stimulate significant debate about the legacy of the artists the continuing significance of their works and the meaning of terms such as creativity originality and value in the formation of art

A Chance Meeting Rachel Cohen, 2024-03-19 Weaving a tapestry of creativity and circumstance this lauded chronicle of the many links and serendipitous meetings between giants of American culture from Henry James to Gertrude Stein to Zora Neale Hurston to Marcel Duchamp now includes a new afterword by the author Rachel Cohen's *A Chance Meeting* is a dazzling group portrait that offers a striking new vision of the making and remaking of the American mind and imagination from the Civil War to the Vietnam War How does the happenstance of daily life become history Cohen shows us describing a series of now boldly now subtly transformative encounters between a wide and surprising range of Americans A young Henry James has his portrait taken by the photographer Mathew Brady Brady who will receive Walt Whitman in his studio and depict General Grant on the battlefield Later W E B Du Bois and his professor William James visit Helen Keller Edward Steichen and Alfred Stieglitz argue about photography and Langston Hughes and Zora Neale Hurston write a play together Throughout Cohen's narrative loops back and leaps forward with supreme agility connecting among others Willa Cather Elizabeth Bishop Marianne Moore Beauford Delaney James Baldwin and Richard Avedon In *A Chance Meeting* Rachel Cohen offers an abiding account of the continuing challenges and the astonishing achievements of American life

Curious Disciplines Sarah Hayden, 2018-04-15 Foregrounding Loy's critical interrogation of Futurist Dadaist Surrealist and Degenerate artisthood and exploring her poetic legacies today *Curious Disciplines* reveals Loy's importance in an entirely novel way

Robert Rauschenberg and Surrealism Gavin Parkinson, 2023-03-23 The art of Robert Rauschenberg 1925 2008 is usually viewed as quite distinct from Surrealism a movement which the artist himself displayed some hostility towards However Rauschenberg had a very positive reception among Surrealists particularly across the period 1959 69 In the face of Rauschenberg's avowals of his own literalism and insistence on his art as facts this book gathers generous evidence of the poetic metaphorical allusive associative and connotative dimensions of the artist's oeuvre as identified by Surrealists and thus extrapolates new readings from Rauschenberg's key works on that basis By viewing Rauschenberg's art against the expansion of the cultural influence of the United States in Europe in the period after the Second World War and the increasingly politicized activities of the Surrealists in the era of the Algerian War of Independence 1954 62 *Robert Rauschenberg and Surrealism* shows how poetic inference of the artist's work was turned towards political interpretation By analysing Rauschenberg's art in the context of Surrealism and drawing from it new interpretations and perspectives this volume simultaneously situates the Surrealist

movement in 1960s American art criticism and history *Dada Culture* ,2016-08-01 How Dada is to break its cultural accommodation and containment today necessitates thinking the historical instances through revised application of critical and theoretical models The volume *Dada Culture Critical Texts on the Avant Garde* moves precisely by this motive bringing together writings which insist upon the continuity of the early twentieth century moment now at the start of the twenty first Engaging the complex and contradictory nature of Dada strategies instanced in the linguistic gaming and performativity of the movement s initial formation and subsequently isolating the specific from the general with essays focusing on Ball Tzara Serner Hausmann Dix Heartfield Schwitters Baader Cravan and the exemplary Duchamp the political philosophy of the avant garde is brought to bear upon our own contemporary struggle through critical theory to comprehend the cultural usefulness relevance validity and effective or otherwise oppositionality of Dada s infamous anti stance The volume is presented in sections that progressively point towards the expanding complexity of the contemporary engagement with Dada as what is often exhaustive historical data is forced to rethink realign and reconfigure itself in response to the analytical rigour and exercise of later twentieth century animal anarchic thought the testing and cultural placement of thoughts upon the virtual and the eventual implications for the once blissfully unproblematic idea of expression From the opening provocative proposition that historically Dada may have been the falsest of all false paths the volume rounds to dispute such condemnation as demarcation continues not only of Dada s embeddedness in western culture but more precisely of the location of Dada culture Ten critical essays by Cornelius Partsch John Wall T J Demos Anna Schaffner Martin I Gaughan Curt Germundson Stephen C Foster Dafydd Jones Joel Freeman and David Cunningham are supplemented by the critical bibliography prepared by Timothy Shipe which documents the past decade of Dada scholarship and in so doing provides a valuable resource for all those engaged in Dada studies today

Recognizing the habit ways to acquire this book **Selected Correspondence Of Marcel Duchamp** is additionally useful. You have remained in right site to begin getting this info. acquire the Selected Correspondence Of Marcel Duchamp colleague that we allow here and check out the link.
