Long Live Olly Hacker:

Long Live Olly Hacker! Eric Johns, 2002 Olly Hacker is in big trouble again He is on his final warning one more misdeed and he will be reprogrammed It is no good turning to his Guardian Ancestor for help Grandpy Hacker may have been one of the founders of the Ancestor Programme but he talks in riddles Is he trying to say something **THE OOSER** Eric Johns, 2011-01-27 Quernstone is our valley It is a different world from what most people know But Fay is different from everyone else in Quernstone It is as though she is two people in one When someone threatened to kidnap Fay she turned to the Ooser to save her and ordered Gavin to wear the ancient mask What happened next meant disaster if anyone found out As usual Gavin felt it was Fay or the Ooser in control of his life He could have done without more problems because he had enough of his own like a stepfather who was trying to destroy him **MINDREADERS** Eric Johns, 2007-05-14 Gary and Lynn were the first to have the new sort of dream It was after they had held the egg stone But that was only the start Soon they discovered that they had the gift of mindreading Then they found that those who didn't have the gift felt threatened by them Even their own families wanted to control them Their most dangerous enemy was a teacher at school There was no one they could trust Can those who learn to read minds ever lead normal lives again An exciting story for ages 9 to 12 **Just Let Go** Eric Johns, 2007-04-01 Tanya 16 mouse blonde the plain one who is always paired with a more attractive friend wants her life to explode into a dazzling new pattern She is ready for something to happen Then HE walks into her life Dear Diary This is the first day of my new life I suddenly feel more alive than I've ever felt This is going to be the new beginning I've been looking for The future is mine I'm going to let go of my old hesitations nervousness shyness whatever and throw myself into the whirlpool of life I'm going to find myself my true self Does she succeed or is she throwing herself at the wrong boy Does she humiliate herself or find true love Is letting go the biggest mistake of her life or the way to her true self *Home Front* Eric Johns, 2012-04-01 In the Second World War everyone was on the front line No one was too young to fight and you didn't even have to leave home That's why it was called the Home Front The war came to you Young people found their homes bombed and their countries occupied by foreign armies Home Front tells how the war turned them into evacuees resistance fighters fugitives and heroes The Oldest Snowman in the World Eric Johns, 2011-08-04 When Amanda and Timmy build themselves a snowman called Mr Crystal they want him to live forever But warm weather is coming and Mr Crystal begins to melt As he gets smaller he becomes sillier and puts himself in danger How can they stop him melting Can Father Christmas help There are five Mr Crystal adventures involving the children who made him also Father Christmas Jack Frost reindeer a lost penguin a camel elves As The Mail on Sunday said of the first story Magical *The Giraffe Tree and Other Tall Stories* Eric Johns, 2012-08-01 Warning Strange things happen in The Giraffe Tree and Other Tall Stories Do you know what to do if the evil Investigator Black from the Ministry of Birthdays invites himself to your party Or what you must definitely not do if you are locked in a library overnight Or what to do if you are a garden gnome who has lost his garden Or how to save

yourself if you are a helpless snail about to be eaten by a thrush And who should you trust if you are sold as a slave You can find out the unexpected answers in these stories which Eric Johns has gathered together because they are all very strange and get on well together Also how does a giraffe become a tree *The School Librarian* ,2002 **Kaapse bibliotekariss**
,2003 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **The Selected Works of James Oliver Curwood** James Oliver Curwood, There are not many who will remember him as Thomas Jefferson Brown For ten years he had been mildly ashamed of himself and out of respect for people who were dead and for a dozen or so who were living he had the good taste to drop his last name The fact that it was only Brown didn't matter Tack Thomas Jefferson to Brown he said and you've got a name that sticks It had an aristocratic sound and Thomas Jefferson with the Brown cut off was still aristocratic when you came to count the red corpuscles in him In some sort of way he was related to two dead Presidents three dead army officers a living college professor and a few common people He was legitimately born to the purple but fate had sent him off on a curious ricochet in a game all of its own and changed him from Thomas Jefferson Brown into just plain Thomas Jefferson without the Brown He was one of those specimens who when you meet them somehow make you feel there are a few lost kings of the earth as well as lost lambs He was what we called a first sighter that is you liked him the instant you looked at him You knew without further acquaintance that he was a man whom you could trust with your money your friendship anything you had He was big with a wholesome brown face blond hair and gray eyes that seemed always to be laughing and twinkling even when he was hungry He carried about with him a load of cheerfulness so big that it was constantly spilling over on other people There was a time when Thomas Jefferson Brown had little white cards with his name on them That was when he went to college and his lungs weren't so good It was then that some big doctor told him that if he wanted to live to have grandchildren the best thing for him to do was to tramp it for a time live out of doors sleep out of doors do nothing but breathe fresh air and walk That doctor was Fate playing his game behind a pair of spectacles and a bumpy forehead He saved Thomas Jefferson Brown all right but he turned him into plain Thomas Jefferson For Thomas Jefferson Brown never got over taking his medicine He kept on tramping He got big and broad and happy Somewhere perhaps in a barn he caught a microbe that made him dislike ordinary work He would set to and help a farmer saw wood all day just for company and grub but you couldn't hire him to go into an office or settle down to anything steady for twenty five dollars a day He had a scientific name for the thing that was in him the wanderlust bug I think he called it and he said it was better than the Chinese lady bugs that the government imports to save California fruit The nearest Thomas Jefferson ever came to going back to Thomas Jefferson Brown was when he took a job at braking on the Southern Pacific That held him for three days less than two weeks
