The Complete Idiot's Guide to Awakening Your Spirituality Jonathan Robinson, 2000 Explores methods of increasing spirituality including meditation redirection of negative emotions and use of workshops and retreats **Personality Type in Congregations** Lynne M. Baab, 1998-11-01 Pastor author Lynne Baab offers readers a useful tool to understand both their own spiritual journeys and their role in the life of their chosen spiritual community The book provides a basic understanding of the concepts of psychological type and then builds upon them with applications to real life issues Soul Repair Jeff VanVonderen, Dale Ryan, Juanita Ryan, 2008-09-04 Do you fear that God is angry with you Do you wonder if God is really for you if God really loves you Deep down many of us believe that we are not good enough and never will be good enough to have a meaningful relationship with God This is because we have been spiritually trained in ways that have left us with distorted and inadequate spiritualities of four different kinds abusive anorexic addictive codependent And we are left with a toxic combination of fear and shame We may try to get it right We may try to control ourselves and others We may try to please God and to earn God's love After a while we find ourselves exhausted and discouraged and we may feel even more alienated

from God Jeff VanVonderen Dale Ryan and Juanita Ryan understand this problem because they have been there both personally and professionally And they are prepared to help you rebuild your spiritual life If you find yourself living out a burdensome and unfulfilling spirituality this book is for you If you are longing to have a relationship with God that works this book can show you the way *The Spirituality of Black Hebrew Pentecostals* Fred G. Sherron,2010-01-01 The spirituality of Black Hebrew Pentecostalism is a rich tradition that has been hidden from the view of scholars With the new interest in spirituality forming the background to this title the author attempts to enlighten readers about this tradition

Understanding Spirituality and living it 24x7: Real Questions, Rational Answers Ramesh Bijlani,2025-06-30 From being a fashionable substitute for religion to a sophisticated synonym for being a good person and many things in between spirituality can mean anything But what does it really mean Why should we know what it really means Is spirituality mere intellectual entertainment Isn't it enough to be a good person and let rationality guide life *Understanding Spirituality and living it 24 x 7* answers all these questions and more in a language that is clear simple and easy to understand Using examples from everyday life it shows how spirituality can bring joy peace and fulfillment to individuals as well as make the world a better place to live in **Catholic Origins of Quebec's Quiet Revolution, 1931-1970** Michael

Gauvreau,2005-11-14 The Catholic Origins of Quebec's Quiet Revolution challenges a version of history central to modern Quebec's understanding of itself that the Quiet Revolution began in the 1960s as a secular vision of state and society which rapidly displaced an obsolete clericalized Catholicism Michael Gauvreau argues that organizations such as Catholic youth movements played a central role in formulating the Catholic ideology underlying the Quiet Revolution and that ordinary Quebecers experienced the Quiet Revolution primarily through a series of transformations in the expression of their Catholic identity Providing a new understanding of Catholicism's place in twentieth century Quebec Gauvreau reveals that Catholicism was not only increasingly dominated by the priorities of laypeople but was also the central force in Quebec's cultural transformation He makes it clear that from the 1930s to the 1960s the Church espoused a particularly radical understanding of modernity especially in the areas of youth gender identities marriage and family *Secular Spirituality* Harald Walach,2014-09-18 This book discusses spirituality as an emerging scientific topic from a historical perspective with extensive discussion of the mind body problem and of scientific concepts of consciousness While the book focuses on the Western tradition of Enlightenment it also implicitly addresses the double meaning of the term with the Eastern tradition describing it as a state of true knowledge which is an important goal on an individual's spiritual path and the Western tradition seeing it as the collective process of getting rid of narrow minded dogmas and concepts The book is based on a simple yet challenging premise Science has not gone far enough in the scientific process of going from a collective mind tied up in dogmatic teachings to a truly free mind that seemingly freed itself from bondage and restrictions The book shows that

science and with it our whole Western culture has to incorporate spirituality if it is to realize this goal of enlightenment. If that is done and it can only be done by many individuals actually practicing spirituality, this will also lead to the individual type of enlightenment.
