Nelson, 1988-01-01 In recent decades men have begun to question seriously their traditionally held roles and values The women's movement popular books and male images on television and in films have all contributed to men's uncertainty about themselves There is a major shift taking place in the perception of sexuality James Nelson asserts that men and women seek something the sexual revolution did not provide an understanding of the true meaning of love This he claims is the unfinished business of that revolution *The Vicar's Guide* David Ison, 2014-12-09 An accessible and informative guide for vicars combining essential information practical survival tips and theological reflection on the highs and lows of parish ministry **Losses in Later Life** R. Scott Sullender, 1999 *Losses in Later Life a New Way of Walking with God Second Edition* focuses on seven major losses loss of youth loss of family loss of parents loss of work loss of spouse loss of health and loss of identity The second edition has been reworked with new research to include updated information about the loss of independence and several additional losses not discussed in the previous edition You will explore the path to becoming a spiritually mature person who has faith and is able to grieve let go and release what is lost in order to live a mentally healthy and rewarding life **Soulful Aging** Henry C. Simmons, Jane Wilson, 2001 *Soulful Aging* is about cultivating an informed conversation about some of the most important religious realities of life There are six chapters each tied to one of the six stages of aging Extended Middle Age Ready or Not The New Me Like It or Not The Rest of Living and Dying Each chapter looks at the pathways to personal and communal spiritual growth community prayer teaching proclamation service and witness Midlife Mamas on the Moon Sunny Hersh, 2003 A fun inspirational guide to positive choices for women over 40 Packed with useful checklists honest

personal stories and no nonsense resources this book has the latest information on health sex and hormones and shows how to transform relationships finances and careers **The Publishers Weekly** ,1985 Library Journal ,1996-04 *The SAGE Handbook of the Sociology of Religion* James A Beckford,Jay Demerath,2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook s 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009 **The New Midlife Self-Writing** Emily O. Wittman,2021-11-04 In *The New Midlife Self Writing* Wittman treats recent self writing by Rachel Cusk Roxane Gay Sarah Manguso and Maggie Nelson carefully situating these vital midlife works within the history of self writing She argues that they renew and redirect the autobiographical trajectories characteristic of earlier self writing by switching their orientation to face the future and by celebrating midlife as a growing season a time of Bildung In each chapter writer by writer she demonstrates how the midlife self writers in question trace confident and future oriented paths through the past rejecting triumphalism and complicating both identity and individualism just as they refine and redefine genres Exploring these midlife self writers as chroniclers of Generation X s midlife in particular Wittman coins the term digital absence to map their unique relationship to new forms of knowledge and knowledge gathering in an Information Age that they are both of and set apart from She theorizes that their works share a

pedagogical style a style characterized by clarity exposition and classical rhetoric as well as a concern with the classroom offering a warrant for reading them in pedagogical terms in concert with traditional scholarly approaches Furthermore Wittman presents readers with a look ahead at the future of midlife self writing as well as self writing overall concluding that we might be looking at the scholarship of the future

Finding Meaning in Life, at Midlife and Beyond David Guttmann, 2008-09-30 Having been mentored by Viktor E Frankl the founder of logotherapy Emeritus Professor David Guttmann authored this book so general readers may understand this approach to finding meaning in life at the point when most of us begin deeply wondering over that question at midlife and beyond Especially in this day and age of multiple demands on our time and seemingly non stop obligations we too often find that it is only when the dust settles after a work day or work week or even after retirement when we begin to wonder What is the meaning of life The purpose This book is a new millennium venture into those questions and their answers using logotherapy written by a sage understudy who recalls Frankl with his logotherapy as the epitome of his theory even at 80 years old wise and witty exuding an energy enthusiasm and youthful spirit that belied his years by decades Aging does not diminish our power our energy and our quest for life but reshapes it with new understandings goals and needs But says Guttmann we live in a technical and machine based world now in which there is a danger of losing our souls Here readers find a new creative perspective on aging and a fresh spiritual outlook This book will be of interest not only to general readers especially those at midlife and beyond but also to their families friends and students or professionals in the helping professions This unique work provides knowledge to find meaning in life derived from the fields of philosophy psychology religion and gerontology with case illustrations and vignettes to give readers both intellectual pleasure and practical guidance

The Poor in Liberation Theology Tim Noble, 2014-10-14 Liberation theology has since its beginnings over forty years ago placed the poor at the heart of theology and revealed the ideologies underlying both society and church Meanwhile over this period the progressive church appears to have stagnated and the poor of Latin America have turned increasingly to neo Pentecostalism The Poor in Liberation Theology questions whether the effect of liberation theology is to provide a pathway to God or really to construct idols out of the poor Combining the conceptual language of the philosophers Jean Luc Marion and Emmanuel Levinas with the methodology of the liberation theologian Clodovis Boff the volume outlines how liberation theology can work to ensure the poor do not become an

ideological construct but remain icons of God Drawing on a wealth of material from Latin American and Europe the book demonstrates the continuing validity and importance of liberation theology and its further potential when engaged with contemporary philosophy Encyclopedia of Religion and Nature Bron Taylor,2008-06-10 The Encyclopedia of Religion and Nature originally published in 2005 is a landmark work in the burgeoning field of religion and nature It covers a vast and interdisciplinary range of material from thinkers to religious traditions and beyond with clarity and style Widely praised by reviewers and the recipient of two reference work awards since its publication see www.religionandnature.com ern this new more affordable version is a must have book for anyone interested in the manifold and fascinating links between religion and nature in all their many senses **Bonhoeffer and King** James Deotis Roberts,2005-01-01 A study of two of the most significant prophetic leaders in the twentieth century J Deotis Roberts sBonhoeffer and Kingis an instructive work in theological ethics This book considers and compares the theological reflections that guided Bonhoeffer s courageous stand against Nazism and King s quest for civil rights in America Resources in Education ,1997-04 Psychology, Religion, and Spirituality Fraser Watts,2017-03-06 This book gives an up to date overview and evaluation of what psychology tells us about religious beliefs practices and experiences
