Padgett, 2012-03-12 A cutting edge survey of contemporary thought at the intersection of science and Christianity Provides a cutting edge survey of the central ideas at play at the intersection of science and Christianity through 54 original articles by world leading scholars and rising stars in the discipline Focuses on Christianity's interaction with Science to offer a fine grained analysis of issues such as multiverse theories in cosmology convergence in evolution Intelligent Design natural theology human consciousness artificial intelligence free will miracles and the Trinity amongst many others Addresses major historical developments in the relationship between science and Christianity including Christian patristics the scientific revolution the reception of Darwin and twentieth century fundamentalism Divided into 9 Parts Historical Episodes Methodology Natural Theology Cosmology Evolution The Human Sciences Christian Bioethics Metaphysical Implications The Mind Theology and Significant Figures of the 20th Century Includes diverse perspectives and broadens the conversation Christianity and Social Scientific Perspectives on Sport Tom Gibbons, Stuart from the Anglocentric tradition Braye, 2020-06-29 There has been a dramatic increase in academic research activity and practical initiatives on the topic of sports and Christianity and its cultural significance during the past decade The Faculty of Health and Life Sciences at York St John University York UK hosted the Inaugural Global Congress on Sports and Christianity IGCSC 24 28th August 2016 in collaboration with the Bible Society at which there were 180 delegates from 22 countries in attendance For the area of sports studies the social scientific study of sport there was a thematic strand at the congress titled Christian sociological perspectives on sport from which a special edition of the journal Sport in Society partially emanated This book is based upon this journal special edition The papers selected for inclusion in the special edition were purposely eclectic in order to demonstrate the diversity of current research occurring in the area of Christianity and social scientific perspectives on sport The goal was to bridge divisions between various social science disciplines and theology or religious studies through varied novel and interesting explorations of sport in its various forms. We hope this collection inspires further studies into this area The chapters in this book were originally published in a special issue in Sport in Society The Routledge International Handbook of Sociology and Christianity Dennis Hiebert, 2023-10-18 The Routledge International Handbook of Sociology and Christianity examines the intersection of the sociology of religion a long standing focus of sociology as a discipline and Christianity the world's largest religion An internationally representative and thematically comprehensive collection it analyzes both the sociology of Christianity and Christian approaches to sociology with attention to the Roman Catholic Orthodox and Protestant branches of Christianity An authoritative state of the art review of current research it is organized into five inter connected thematic sections considering the overlapping emergence of both the Christian religion and the social science the conceptualization of and engagement with Christianity by sociological theory the ways in which

Christianity shapes and is shaped by various social institutions the manner in which Christianity resists and promotes various forms of social change and the identification diagnosis and correction of social problems by sociology and Christianity This volume is an invaluable collection for scholars and advanced students with special appeal for those working in the fields of sociology and social theory as well as religious studies and theology *Making Christianity Manly Again* Jennifer McKinney,2023-01-20 Mark Driscoll built Mars Hill Church into one of the fastest growing most innovative and most influential churches in the country The ever colorful Driscoll crafted a hypermasculine theology redefining Jesus from a a hippie in a dress to Warrior Victor and King While Driscoll's church spectacularly imploded his hypermasculine theology is foundational to understanding evangelical support for politicians like Donald Trump and the rise of Christian nationalism

Smith, 2011-10-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written The Sociological Perspective Michael Leming, Raymond De Vries, Brendan Furnish, 2009-10-10 Sociology and Christianity Attempting to bring sociology and Christianity together is like trying to mix oil and water Christians seem to have as little regard for sociology as sociologists generally have for Christianity However in the

middle of this conflict there is a group bold enough to call themselves Christian sociologists they are not willing to be stereotyped but are seriously committed to both realms This collection of essays covers topics that are typically addressed in introductory sociology courses Written from a Christian point of view these essays are also geared for a wide range of readers from undergraduates to professional sociologists who bring faith commitments to the sociological task The editors goal is to provide an understanding of societal forces that is informed by a Christian conscience Toward that end certain recurring themes are found in this book the need for informed Christian social action the conflict between the individual and the community the conflict between freedom and determinism and the significance of social sin Faith and Learnina on the Edge David Claerbaut, 2004 Beginning with an autobiographical journey through his disappointing experiences with faith and learning both in his student and professorial career in Christian colleges David Claerbaut addresses the issues of faith and learning in higher education Discipleship of the Mind James W. Sire, 1990-04-04 Discussing worldview thinking the foundations of knowledge and the relationship between knowing and doing James W Sire shows Christians how to honor God **The Prophets as Preachers** Gary V. Smith,1998-09-01 Designed for use in upper level college courses with their minds and seminary courses on the prophets The Social Context of Pastoral Care George M. Furniss, 1994-01-01 Because their work focuses primarily on the fields of theology and psychology pastoral caregivers have often neglected to take into account the social forces that affect both the careseeker and the caregiver In this groundbreaking book sociologist and chaplain George Furniss introduces them to a third discipline sociology to draw upon in their work Furniss offers an introduction to sociological approaches that are particularly relevant to those in the field Brief biographical notes about key figures in sociology and a glossary of terms are supplied to assist those who lack extensive background in sociology

Wasted Evangelism Chip M. Anderson,2013-10-04 What is the relationship between the gospel and the church s responsibility toward the poor Can social action be evangelism Wasted Evangelism is an exploration in the Gospel of Mark on the subject of evangelism and social action A proclamation centered definition of evangelism based on the etymology of the word evangelize and a few isolated proof texts is devoid of much of the biblical content that Mark offers to us through his Gospel detaching the concept of evangelism from the narrative meaning that Mark gives to the gospel of Jesus Christ In Wasted Evangelism Chip Anderson develops an exegetically based narrative understanding of biblical evangelism which according to Mark s Gospel includes God s care for the economically vulnerable and his concern for the issues of poverty The studies gathered in this volume propose that social action should not be considered a separate distinct responsibility for the church but is rather vital a component of evangelism A close examination of Mark s Gospel and the biblical texts associated with idolatry poverty and justice provides an opportunity for church leadership to rethink the evangelistic activities of their churches and to reconsider what it means to engage their surrounding communities as agents of God s kingdom NIVAC Bundle 5: Minor Prophets Gary V. Smith, James Bruckner, Mark J. Boda, 2015-11-03 The NIV Application Commentary helps

you communicate and apply biblical text effectively in today's context.
