Looking For Lucas

John Sandford

Looking For Lucas:

The Disappearances Gemma Malley,2013-03-28 Riveting brilliantly imagined and passionate THE DISAPPEARANCES the compelling sequel to THE KILLABLES will appeal to everyone who loved the powerful and gripping storytelling of THE HUNGER GAMES They walked in silence onto the raised path that led to the East Gate The closer they got the louder the buzzing was As they approached the gate it was almost unbearable There was a stench in the air that made it hard to breathe a stench that made the hair on the back of Lucas neck stand up on end Whatever had brought the flies here wasn't good It's been a year since Evie and Raffy escaped the controlling regime of the City leaving Lucas behind to rebuild the ruins of the place they once called home And Lucas knew that once he said goodbye Evie would be lost to him forever But the City soon finds itself plagued by another terrifying threat the Disappearances teenagers who have gone missing from within the City walls apparently vanishing into thin air With the City at stake Lucas has no choice but to call on his old friends even if seeing them together is more than he can bear

Invisible Prey John Sandford,2008-04-29 A crackling addition to the Prey series Entertainment Weekly from 1 New York Times bestselling author John Sandford In a wealthy Minneapolis neighborhood two elderly women are bludgeoned to death They are apparent victims of a random robbery though nothing of value appears to have been stolen But when Lucas Davenport looks deeper he fears that the victims weren't so random and the items stolen were far from invaluable As a pattern emerges it leads Lucas to certainly not where he expected Which is too bad because the killers are expecting him And that's only the first surprise

The Transcendent Zombie System A Hundred Battles In Green Armor, After transmigrating into the apocalypse he acquired a Super Fusion System Two Level 1 Zombies can be combined into a single Level 2 Zombie the combined zombie would also be completely loyal The higher the zombie's level the better it looked The zombies also possessed unique skills and techniques Some are heaven shattering and groundbreaking with the ability to take the life of any adversary In fact the zombies will even continue to spawn new zombies every day

Thread of Fate Steven W. Watson,2025-02-12 Lucas a meticulous architect thrives on control and order carefully avoiding emotional entanglements His world is predictable a fortress built to keep vulnerability at bay But when he meets Ethan a free spirited photographer with a zest for life everything changes Ethan's vibrant energy breaks through Lucas's defenses igniting feelings he never expected As their connection deepens Lucas finds himself torn between fear and desire He is haunted by past traumas that whisper threats of loss and heartache The closer Ethan gets the more Lucas feels the ground beneath him shift Can he embrace the chaos of love or will his hesitation cost him everything With each encounter the stakes rise Lucas struggles to reconcile his structured life with the passion that Ethan brings Will he push Ethan away in a desperate attempt to maintain control or can he learn to open his heart and take the leap In a world where love can be both freeing and terrifying Lucas must make a choice that could change their lives forever

Lightning War Bruce Smith,2015-10-23 It would be really swell if those ascending to power were good trustworthy and capable leaders They're not

Power doesn't corrupt people corrupt everything That includes the Allied Nations an amalgam of the world's governments What about those anthropomorphic mechs from Infitech that eventually found their way into every household Corrupted Topping this list are four superhuman terrorists who are labeled Wielders The Wielders control temperature electricity luminous energy and geomorphic forces How these people gained such abilities remains a mystery Just one of them could level cities or rout entire armies Flare ups involving Wielders keep surfacing spreading panic and demanding a response Mark works hard at Infitech with several other renowned scientists To ensure international security the allies contract them to develop a defense for the threat Wielders pose The solution they come up with works maybe a little too well Finding his life transformed Mark eventually comes face to face with a fifth Wielder Sparking a war humanity had already lost he changes history becomes a beacon of hope and is referred to as the Anomaly by his enemies In his struggle to control the force he wields Mark must answer an important question what should we do with power A Truth to Lie For Anne Perry, 2022-09-20

A lethal new weapon endangers all of Europe unless Elena Standish can rescue an ingenious scientist from Hitler's clutches in this action packed suspense novel by bestselling author Anne Perry Unbearably suspenseful pushes the envelope and succeeds on nearly every level Bookreporter It is the summer of 1934 and Hitler is nearing the summit of supreme power in Germany When Britain's MI6 gets word that a German scientist has made a key breakthrough in germ warfare they send Elena Standish on a dangerous mission to get him out of Germany before he's forced to share his knowledge and its destructive power with Hitler's elite But the British soon learn that the new head of Germany's germ warfare division is an old enemy of Elena's grandfather Lucas the former head of MI6 And he's bent on using any means to avenge his defeat at Lucas's hands twenty years before What starts as an effort to save Europe from the devastation of disease becomes an intensely personal fight As Elena and the scientist make their way across Germany they confront not only the Gestapo but also a group of unpredictable Nazi supporters With Elena's every decision challenged this compelling thriller takes a searing look at what it means to make the right choices in a world rife with so much evil Act of faith Ximo Soler

Navarro, 2017-04-12 The world is a darker place than what we could perceive from our well lit cities and Lucas knows this better than anybody else This sombre character has travelled to all corners of the world hunting the results of the humanity's bad actions the demons However suddenly his life will take an unexpected turn when media announces that in Jerusalem an Arabic boy is considered the new Messiah Will it be true that he is the God's second son who has come to redeem again our sins For a long time the human being has looked up to the sky and has asked God to save us and to forgive us for our human sins That divine mercy has been always directly related with the image of Jesus Christ but is the world ready for the arrival of a new saviour Are the western religions authentic trade companies of faith ready Or maybe they fear that the new Messiah expels again the merchants from the temple The hunter will be involved in a dangerous battle in which his enemies will not be just the inhabitants of the Avern He will also have to defend himself against the fanatic components of an ancient

Christian organisation of warriors who vowed to fight against the Lucifer's army. However, the current corruption in the Vatican curia will turn them into even more dangerous enemies than the angels of night to which he is used to fight. Now only God will be able to recognise his own people.

Twisted Prey John Sandford, 2018-04-24 Lucas Davenport confronts an old nemesis now a powerful U.S. senator in this thrilling 1 New York Times bestselling new novel in the Prey series. Lucas Davenport had crossed paths with her before. A rich psychopath Taryn Grant had run successfully for the U.S. Senate where Lucas had predicted she'd fit right in. He was also convinced that she'd been responsible for three murders though he'd never been able to prove it. Once a psychopath had gotten that kind of rush though he or she often needed another fix so he figured he might be seeing her again. He was right. A federal marshal now with a very wide scope of investigation he's heard rumors that Grant has found her seat on the Senate intelligence committee and the contacts she's made from it to be very useful. Pinning those rumors down was likely to be just as difficult as before and considerably more dangerous. But they had unfinished business he and Grant. One way or the other he was going to see it through to the end.

Mr. Nice Guy Jennifer Miller, Jason Feifer, 2018-10-16 Named one of Cosmopolitan's Best Books of 2018. From the husband and wife writing duo Jennifer Miller and Jason Feifer comes Mr. Nice Guy, a funny and all too real comedy about the pursuit of success in life and love in today's working world. Lucas Callahan, a man who gave up his law degree, fiancée and small town future for a shot at making it in the Big Apple. He snags an entry level job at Empire magazine believing it's only a matter of time before he becomes a famous writer. And then late one night in a downtown bar he meets a gorgeous brunette who takes him home. Carmen Kelly wanted to be a hard hitting journalist only to find herself cast in the role of Empire's sex columnist thanks to the boys club mentality of Manhattan magazines. Her latest piece is about an unfortunate and unsatisfying encounter with an awkward and nerdy guy who was nice enough to look at but horribly inexperienced in bed. Lucas only discovers that he's slept with the infamous Carmen Kelly that is his own magazine's sex columnist when he reads her printed take down. Humiliated and furious he pens a rebuttal and signs it Nice Guy. Empire publishes it and the pair of columns go viral. Readers demand more. So the magazine makes an arrangement. Each week Carmen and Lucas will sleep together and write dueling accounts of their sexual exploits. It's the most provocative sexual relationship any couple has had but the columnist lovers are soon engaging in more than a war of words. They become seduced by the city's rich and powerful, tempted by fame and more attracted to each other than they're willing to admit. In the end they will have to choose between ambition, love and the consequences of total honesty.

The Devil Wears Prada meets **Sex and the City**, a page turner that's part sex diary, part coming of age story. Carolyn Kylstra, editor in chief. **SELF**. I COULD NOT PUT THIS BOOK DOWN. It totally messed up my week, it messed up my deadlines but I absolutely loved it. Kevin Kwan, author of **Crazy Rich Asians**.
