unsaved and those who profess salvation The dreadful cycle of hurt has damaged wounded and killed many people in the church No matter how hard you try to camouflage the pain inside it is not hidden You can cover bruises scars and cuts but hurt to the heart shows in various forms that are noticeable Evangelist Joyce L Carelock is known for her words of encouragement wisdom and her passionate call to motivate others to do the will of God By the mercies of God she has moved out in faith to help others identify and understand their God given abilities She believes that God has her in this place for a time such as this Her motto is If I can have it God can Heal It She is determined to believe God no matter what She has spoken at many women s retreats and conferences etc With joy she now serves as First Lady of Grace and Mercy Cathedral COGIC in Chantilly VA Inspiring Words Through Songs and Poems Memorials and Daily Devotions John Ulmer,2022-03-16 This book is about how Jesus can change your life through the power of his love through forgiveness for his mercy is new every day If you re in deep depression and anxiety the words Jesus gave me will bring you out of them and give you victory over them The poems and songs are my love songs to my Lord and Savior He gave me every one of them They re praise and worship songs that just need music and memorials for a dearly departed that you love in this book There are daily devotions if you can t find something positive in your life through songs and poems that will give you the encouragement to face what s going on in your life and many sermons that can be preached from this book For you have the power to have victory and not defeat For we serve a mighty God who reigns over heaven and earth and over every living thing For Jesus has my victory Grace Notes Ardis Dick Stenbakken,2008 Flowing throughout these testimonies from women all over the world is a sense of profound appreciation for these sweet undeserved gifts of mercy Listen quietly you ll recognize grace notes echoing in your own soul **Walking a Woman's Path** Helen M. After the Hurt Hillary Williams,2019-09-06 After the Hurt with God as my therapist is the story of my journey toward uncovering and pursuing my destiny The book contains biblical truths and draws some parallels to some stories from the Bible The hope for this book is for it to reach all the people who are or have been hurt by experiences that life sends to challenge and break the psyche The journey outlined in this book spans over twenty years and started with the end of my first marriage I share experiences from the struggles of single parenthood failed relationships low self realization low self actualization low self regard and a lack of love for myself Many of the experiences that were shared in this book were difficult to put into words but they are my truth I wanted to show every reader of this book that despite the extent of your brokenness there is a God who loves you and will heal you if you let Him My life experiences have taught me that each of us can change and grow It took many years and many failures to realize that I would not find peace in my soul until I allowed God to do the work in me When I turned my life to God s complete control He had to show me the truth about me My truth was ugly it was messy and it seemed insurmountable God had a plan for me My Christian life was not without struggles and heartache but God showed me His plan for me Once I allowed God to break open my secret parts I recognized many faults that I was unaware of Then God showed me His principles that I had to live by Living God s way is not easy but my life was totally revolutionized Through the study of God s word I learned how to conduct myself and live by His word Through heightened education I learned emotional intelligence I became equipped for where God was taking me I am not the person I used to be neither am I finished with my therapy I am better than I was and more determined to equip others for success
