Margaret M. Storey

Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction:

Loyalty and Loss Margaret M. Storey, 2004-09-01 Though slavery was widespread and antislavery sentiment rare in Alabama there emerged a small loyalist population mostly in the northern counties that persisted in the face of overwhelming odds against their cause Margaret M Storey's welcome study uncovers and explores those Alabamians who maintained allegiance to the Union when their state seceded in 1861 and beyond Storey's extensive groundbreaking research discloses a socioeconomically diverse group that included slaveholders and nonslaveholders business people professionals farmers and blacks By considering the years 1861-1874 as a whole she clearly connects loyalists' sometimes brutal wartime treatment with their postwar behavior **Civil Wars, Civil Beings, and Civil Rights in Alabama's Black Belt** Bertis D.

English, 2020-10-06 Reconstruction politics and race relations between freed blacks and the white establishment in Perry County Alabama In his fascinating in depth study Bertis D English analyzes why Perry County situated in the heart of a violence prone subregion of Alabama enjoyed more peaceful race relations and less bloodshed than several neighboring counties Choosing an atypical locality as central to his study English raises questions about factors affecting ethnic disturbances in the Black Belt and elsewhere in Alabama He also uses Perry County which he deems an anomalous county to caution against the tendency of some scholars to make sweeping generalizations about entire regions and subregions English contends Perry County was a relatively tranquil place with a set of extremely influential African American businessmen clergy politicians and other leaders during Reconstruction Together with egalitarian or opportunistic white citizens they headed a successful campaign for black agency and biracial cooperation that few counties in Alabama matched English also illustrates how a significant number of educational institutions a high density of African American residents and an unusually organized and informed African American population were essential factors in forming Perry County's character He likewise traces the development of religion in Perry the nineteenth century Baptist capital of Alabama and the emergence of civil rights in Perry an underemphasized center of activism during the twentieth century This well researched and comprehensive volume illuminates Perry County's history from the various perspectives of its black interracial and white inhabitants amplifying their own voices in a novel way The narrative includes rich personal details about ordinary and affluent people both free and unfree creating a distinctive resource that will be useful to scholars as well as a reference that will serve the needs of students and general readers **Civil War Alabama** Christopher Lyle McIlwain, 2016-03-22 In fascinating detail

Civil War Alabama reveals the forgotten breadth of political opinions and loyalties among white Alabamians during the antebellum period The book offers a major reevaluation of Alabama's secession crisis and path to war and destruction

The Civil War Diaries of Cassie Fennell Whitney A. Snow, 2024-01-12 Born near Guntersville Alabama Catherine Cassie Fennell was nineteen when the Civil War began Starting with her time at a female academy in Washington DC the diaries continue through the war's end and discuss civilian experiences in Alabama and the Tennessee Valley Fennell believed that

by keeping a diary she made a small contribution to the war effort and history itself Fennell was fairly well off and highly educated moving easily in very elite social circles Most of her relatives were staunch Confederates and the war took its toll with multiple members of her family killed or captured As Fennell recounts the consequences of war the downward spiral of the family fortune the withering of hope at news from the battlefield and the general uncertainty of civilian life in the South her diaries constitute one of the few contemporaneous records of north Alabama including the shelling and burning of Guntersville which has been poorly documented in the historiography of the Civil War While the first diary is written as a private reflection the war journals are well researched and rely on extensive familiarity with local newspapers and seem like they are intended for the eyes of later generations Ultimately these diaries amount to a social history of the war years in a specific region where scholars have recovered relatively few firsthand accounts and editor Whitney Snow's compilation adds to the now growing genre of women's Civil War diaries Insightful and engrossing *The Civil War Diaries of Cassie Fennell* is a compelling portrait of a privileged young woman who suffered devastating losses for her ardent support of a Confederate nation

A Companion to the U.S. Civil War Aaron Sheehan-Dean, 2014-02-05 *A Companion to the U S Civil War* presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861-1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory

The Yellowhammer War Kenneth W. Noe, 2013 Many books about Alabama's role in the Civil War have focused serious attention on the military and political history of the war *The Yellowhammer War* likewise examines the military and political history of Alabama's Civil War contributions but it also covers areas of study usually neglected by centennial scholars such as race women the home front and Reconstruction From Patricia A Hoskins's look at Jews in Alabama during the Civil War and Jennifer Ann Newman Trevi's examination of white women's attitudes during secession to Harriet E Amos Doss's study of the reaction of Alabamians to Lincoln's Assassination and Jason J Battles's essay on the Freedman's Bureau readers are treated to a broader canvas of topics on the Civil War and the state

Rebels against the Confederacy

Barton A. Myers, 2014-10-13 In this groundbreaking study Barton A Myers analyzes the secret world of hundreds of white and black Southern Unionists as they struggled for survival in a new Confederate world resisted the imposition of Confederate military and civil authority began a diffuse underground movement to destroy the Confederacy joined the United States Army as soldiers and waged a series of violent guerrilla battles at the local level against other Southerners Myers also details the work of Confederates as they struggled to build a new nation at the local level and maintain control over manpower labor agricultural and financial resources which Southern Unionists possessed The story is not solely one of triumph over adversity but also one of persecution and ultimately erasure of these dissidents by the postwar South's Lost Cause mythologizers

The Routledge Handbook of American Military and Diplomatic History Christos G. Frentzos, Antonio S.

Thompson, 2014-09-15 The Routledge Handbook of American Military and Diplomatic History provides a comprehensive analysis of the major events conflicts and personalities that have defined and shaped the military history of the United States This volume The Colonial Period to 1877 illuminates the early period of American history from the colonial warfare of the 17th century through the tribulations of Reconstruction The chronologically organized sections each begin with an introductory chapter that provides a concise narrative of the period and highlights the scholarly debates and interpretive schools of thought in the historiography followed by topical chapters on issues in the period Topics covered include colonial encounters and warfare the French and Indian War the American Revolution diplomacy in the early American republic the War of 1812 westward expansion and conquest the Mexican American War the Civil War and Reconstruction With authoritative and vividly written chapters by both leading scholars and new talent this state of the field handbook will be a go to reference for every American history scholar's bookshelf *Civil War and Agrarian Unrest* Enrico Dal Lago, 2018-03-15

Between 1861 and 1865 both the Confederate South and Southern Italy underwent dramatic processes of nation building with the creation of the Confederate States of America and the Kingdom of Italy in the midst of civil wars This is the first book that compares these parallel developments by focusing on the Unionist and pro Bourbon political forces that opposed the two new nations in inner civil conflicts Overlapping these conflicts were the social revolutions triggered by the rebellions of American slaves and Southern Italian peasants against the slaveholding and landowning elites Utilizing a comparative perspective Enrico Dal Lago sheds light on the reasons why these combined factors of internal opposition proved fatal for the Confederacy in the American Civil War while the Italian Kingdom survived its own civil war At the heart of this comparison is a desire to understand how and why nineteenth century nations rose and either endured or disappeared A Savage

Conflict Daniel E. Sutherland, 2009 Examines the impact that guerrilla warfare had on the Civil War discussing how Confederate guerrillas increasing use of plunder and violence led to a decline of support for them among Southerners and was a factor in the final defeat of the South Occupied Women LeeAnn Whites, Alecia P. Long, 2009-06-15 In the spring of

1861 tens of thousands of young men formed military companies and offered to fight for their country Near the end of the

Civil War nearly half of the adult male population of the North and a staggering 90 percent of eligible white males in the South had joined the military With their husbands sons and fathers away legions of women took on additional duties formerly handled by males and many also faced the ordeal of having their homes occupied by enemy troops With occupation the home front and the battlefield merged to create an unanticipated second front where civilians mainly women resisted what they perceived as unjust domination In *Occupied Women* twelve distinguished historians consider how women's reactions to occupation affected both the strategies of military leaders and ultimately even the outcome of the Civil War Alecia P Long Lisa Tendrich Frank E Susan Barber and Charles F Ritter explore occupation as an incubator of military policies that reflected occupied women's activism Margaret Creighton Kristen L Streater LeeAnn Whites and Cita Cook examine specific locations where citizens both enforced and evaded these military policies Leslie A Schwalm Victoria E Bynum and Joan E Cashin look at the occupation as part of complex and overlapping differences in race class and culture An epilogue by Judith Giesberg emphasizes these themes Some essays reinterpret legendary encounters between military men and occupied women such as those prompted by General Butler's infamous Woman Order and Sherman's March to the Sea Others explore new areas such as the development of military policy with regard to sexual justice Throughout the contributors examine the common experiences of occupied women and address the unique situations faced by women whether Union Confederate or freed Civil War historians have traditionally depicted Confederate women as rendered inert by occupying armies but these essays demonstrate that women came together to form a strong localized resistance to military invasion Guerrilla activity for example occurred with the support and active participation of women on the home front Women ran the domestic supply line of food shelter and information that proved critical to guerrilla tactics By broadening the discussion of the Civil War to include what LeeAnn Whites calls the relational field of battle this pioneering collection helps reconfigure the location of conflict and the chronology of the American Civil War

Household War Lisa Tendrich Frank, LeeAnn Whites, 2020-01-15

Household War restores the centrality of households to the American Civil War The essays in the volume complicate the standard distinctions between battlefield and homefront soldier and civilian and men and women From this vantage point they look at the interplay of family and politics studying the ways in which the Civil War shaped and was shaped by the American household They explore how households influenced Confederate and Union military strategy the motivations of soldiers and civilians and the occupation of captured cities as well as the experiences of Native Americans women children freedpeople injured veterans and others The result is a unique and much needed approach to the study of the Civil War *Household War* demonstrates that the Civil War can be understood as a revolutionary moment in the transformation of the household order The original essays by distinguished historians provide an inclusive examination of how the war flowed from required and resulted in the restructuring of the nineteenth century household Contributors explore notions of the household before during and after the war unpacking subjects such as home family quarrels domestic service and slavery manhood the

Klan prisoners and escaped prisoners Native Americans grief and manhood The essays further show how households redefined and reordered themselves as a result of the changes stemming from the Civil War **Inside the Confederate Nation** Lesley J. Gordon, John C. Inscoe, 2007-02-01 In *The Confederacy as a Revolutionary Experience* 1970 and *The Confederate Nation* 1979 Emory Thomas redefined the field of Civil War history and reconceptualized the Confederacy as a unique entity fighting a war for survival *Inside the Confederate Nation* honors his enormous contributions to the field with fresh interpretations of all aspects of Confederate life nationalism and identity family and gender battlefield and home front race and postwar legacies and memories Many of the volume's twenty essays focus on individuals households communities and particular regions of the South highlighting the sheer variety of circumstances southerners faced over the course of the war Other chapters explore the public and private dilemmas faced by diplomats policy makers journalists and soldiers within the new nation All of the essays attempt to explain the place of southerners within the Confederacy how they came to see themselves and others differently because of secession and the disparities between their expectations and reality

Confederate Reckoning Stephanie McCurry, 2012-05-07 Pulitzer Prize Finalist Winner of the Frederick Douglass Book Prize Winner of the Merle Curti Award McCurry strips the Confederacy of myth and romance to reveal its doomed essence Dedicated to the proposition that men were not created equal the Confederacy had to fight a two front war Not only against Union armies but also slaves and poor white women who rose in revolt across the South Richly detailed and lucidly told *Confederate Reckoning* is a fresh bold take on the Civil War that every student of the conflict should read Tony Horwitz author of *Confederates in the Attic* McCurry challenges us to expand our definition of politics to encompass not simply government but the entire public sphere The struggle for Southern independence she shows opened the door for the mobilization of two groups previously outside the political nation white women of the nonslaveholding class and slaves *Confederate Reckoning* offers a powerful new paradigm for understanding events on the Confederate home front Eric Foner *The Nation* Perhaps the highest praise one can offer McCurry's work is to say that once we look through her eyes it will become almost impossible to believe that we ever saw or thought otherwise At the outset of the book McCurry insists that she is not going to ask or answer the timeworn question of why the South lost the Civil War Yet in her vivid and richly textured portrait of what she calls the Confederacy's undoing she has in fact accomplished exactly that Drew Gilpin Faust *New Republic* A brilliant eye opening account of how Southern white women and black slaves fatally undermined the Confederacy from within Edward Bonekemper *Civil War News* The story of the Confederate States of America the proslavery antidemocratic nation created by white Southern slaveholders to protect their property has been told many times in heroic and martial narratives Now however Stephanie McCurry tells a very different tale of the Confederate experience When the grandiosity of Southerners national ambitions met the harsh realities of wartime crises unintended consequences ensued Although Southern statesmen and generals had built the most powerful slave regime in the Western world they had excluded

the majority of their own people white women and slaves and thereby sowed the seeds of their demise Wartime scarcity of food labor and soldiers tested the Confederate vision at every point and created domestic crises to match those found on the battlefields Women and slaves became critical political actors as they contested government enlistment and tax and welfare policies and struggled for their freedom The attempt to repress a majority of its own population backfired on the Confederate States of America as the disenfranchised demanded to be counted and considered in the great struggle over slavery emancipation democracy and nationhood That Confederate struggle played out in a highly charged international arena The political project of the Confederacy was tried by its own people and failed The government was forced to become accountable to women and slaves provoking an astounding transformation of the slaveholders state Confederate Reckoning is the startling story of this epic political battle in which women and slaves helped to decide the fate of the Confederacy and the outcome of the Civil War

Rethinking the Civil War Era Paul D. Escott, 2018-05-04 Arguably no event since the American Revolution has had a greater impact on US history than the Civil War This devastating and formative conflict occupies a permanent place in the nation's psyche and continues to shape race relations economic development and regional politics Naturally an event of such significance has attracted much attention from historians and tens of thousands of books have been published on the subject Despite this breadth of study new perspectives and tools are opening up fresh avenues of inquiry into this seminal era In this timely and thoughtful book Paul D Escott surveys the current state of Civil War studies and explores the latest developments in research and interpretation He focuses on specific issues where promising work is yet to be done highlighting subjects such as the deep roots of the war the role of African Americans and environmental history among others He also identifies digital tools which have only recently become available and which allow researchers to take advantage of information in ways that were never before possible Rethinking the Civil War Era is poised to guide young historians in much the way that James M McPherson and William J Cooper Jr's *Writing the Civil War The Quest to Understand* did for a previous generation Escott eloquently charts new ways forward for scholars offering ideas questions and challenges His work will not only illuminate emerging research but will also provide inspiration for future research in a field that continues to adapt and change

Alabamians in Blue Christopher M. Rein, 2019-05-15 *Alabamians in Blue* offers an in depth scholarly examination of Alabama's black and white Union soldiers and their contributions to the eventual success of the Union army in the western theater Christopher M Rein contends that the state's anti Confederate residents tendered an important service to the North primarily by collecting intelligence and protecting logistical infrastructure He highlights an underappreciated period of biracial cooperation underwritten by massive support from the federal government Providing a broad synthesis Rein's study demonstrates that southern dissenters were not passive victims but rather active participants in their own liberation Ecological factors including agricultural collapse under levies from both armies may have provided the initial impetus for Union enlistment Federal pillaging inflicted further heavy destruction on plantation

agriculture The breakdown in basic subsistence that ensued pushed Alabama s freedmen and Unionists into federal camps in garrison cities in search of relief and the opportunity for revenge Once in uniform Alabama s Union soldiers served alongside northern regiments and frustrated Confederate General Nathan Bedford Forrest s attempts to interrupt the Union supply efforts in the 1864 Atlanta campaign which led to the collapse of Confederate arms in the western theater and the eventual Union victory Rein describes a hybrid warfare of simultaneous conventional and guerilla battles where each significantly influenced the other He concludes that the conventional conflict both prompted and eventually ended the internecine warfare that largely marked the state s experience of the war A comprehensive analysis of military social and environmental history Alabamians in Blue uncovers a past of biracial cooperation in the American South and in Alabama in particular that postwar adherents to the Myth of the Lost Cause have successfully suppressed until now **Deep South Dynasty** Kari A.

Frederickson,2021-11-23 The sweeping story of an ambitious and once powerful southern family *Creating Citizenship in the Nineteenth-Century South* William A. Link,David Brown,Brian E. Ward,Martyn Bone,2018-02-19 This is a remarkable collection of essays Citizenship clearly forms the backbone for these investigations but the range of the contributors backgrounds in terms of disciplinary training and the approaches they take to the question makes this collection both broad and deep As it turns out there is no other way to tackle a concept as central but also as slippery as citizenship A shorter or more focused collection would miss the nuances and insights that this one offers Aaron Sheehan Dean author of *Why Confederates Fought* Family and Nation in Civil War Virginia President Obama s citizenship continues to be questioned by the birthers the Cherokee Nation has revoked tribal rights from descendants of Cherokee slaves and Parliament in the U K is debating citizenship education It is in both this broader context and in the narrower academic one that *Creating Citizenship in the Nineteenth Century South* stands as a smart exciting and most welcome contribution to southern history and southern studies Michele Gillespie author of *Katharine* and R J Reynolds *Partners of Fortune* and *The Making of the New South* Combining historical and cultural studies perspectives eleven well crafted essays and a provocative epilogue engage the economic political and cultural dynamics of race and belonging from the era of enslavement through emancipation reconstruction and the New South Nancy A Hewitt author of *Southern Discomfort* More than merely legal status citizenship is also a form of belonging shaping individual and group rights duties and identities The pioneering essays in this volume are the first to address the evolution and significance of citizenship in the American South during the long nineteenth century They explore the politics and contested meanings of citizenry from a variety of disciplinary perspectives in a tumultuous period when slavery Civil War Reconstruction and segregation redefined relationships between different groups of southern men and women both black and white **Killing Congress** Nancy E. Marion,Willard Oliver,2014-07-22 Since Congress was established in 1789 seven members have been assassinated and several others have been the victims of attempted assassinations or other acts of violence Additionally eight members of Congress have died while serving in Congress in other

ways These incidents have taken place throughout the existence of the United States and have a wide variety of interesting causes In *Killing Congress Assassinations Attempted Assassinations and other Violence Enacted on Members of the U S Congress* Nancy Marion and Willard Oliver examine the assassinations and attempted assassinations of members of Congress describing the actions that led up to the violence the incidents themselves and the repercussions of the events Marion and Oliver also look closely at other violent attacks against Congressional members including beatings and bio attacks The book not only describes the assassinations but discusses the short and long term impacts of the violence that takes place on Capitol Hill

Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction Introduction

In today's digital age, the availability of Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions

have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction books and manuals for download and embark on your journey of knowledge?

FAQs About Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction Books

1. Where can I buy Loyalty And Loss Alabamas Unionists In The Civil War And Reconstruction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
