How Lucky You Can Be Buster Olney, 2010-11-09 In September 2008 Northern State University men's basketball coach Don Meyer stood on the brink of immortality He was about to surpass the legendary Bobby Knight to become the all time NCAA wins leader in men's basketball Then on a two lane road in South Dakota everything changed in an instant In *How Lucky You Can Be* acclaimed sports journalist Buster Olney tells the remarkable story of the successive tragedies that befell Coach Meyer

but could not defeat him Laid low by a horrific car accident that led to the amputation of his left leg below the knee Coach Meyer had barely emerged from surgery when his doctors informed him that he also had terminal cancer In the blink of an eye this prototypical 24/7 workaholic coach who arrived at the gym most mornings before 6 a.m. found himself forced to reexamine his priorities at the age of sixty-three A model of reserve Coach Meyer had sacrificed much of his emotional life to his program His wife Carmen felt disconnected because of his habitual reticence while his three children all now well into adulthood had long had to compete with basketball for his attention With sensitivity and skill Olney shows how Coach Meyer mined his physical ordeal for the spiritual strength to transform his life In the months that followed his accident and diagnosis he reached out to family friends and former players in a way he had never been able to do before making the most of this one last opportunity to tell those close to him how he felt about them and in turn he received an outpouring of affirmation that confirmed how deeply he had affected others Sustained throughout an often painful recovery by his love of basketball he would return to the court once more with a newfound appreciation for the game's place in his life The inspirational story of a life renewed by unimaginable hardship *How Lucky You Can Be* proves that it's never too late to start making changes and reminds us that fortune can smile upon us even in our most trying hours
