## **Lukes Twelve Eyewitnesses:**

Luke's Twelve Eyewitnesses Louise Banner-Welch, 2001-07-01     *Jesus and the Eyewitnesses* Richard Bauckham, 2008-09-22 Noted New Testament scholar Bauckham challenges the prevailing assumption the accounts of Jesus circulated as anonymous community traditions instead asserting that they were transmitted in the name of the original eyewitness     Jesus and the Eyewitnesses, 2nd ed. Richard Bauckham, 2017-04-28 A groundbreaking work in New Testament studies expanded and updated Winner of the 2007 Christianity Today Book Award in Biblical Studies this momentous volume argues that the four Gospels are closely based on the eyewitness testimony of those who personally knew Jesus Noted New Testament scholar Richard Bauckham challenges the prevailing assumption that the Jesus accounts circulated as anonymous community traditions asserting instead that they were transmitted in the names of the original eyewitnesses In this expanded second edition Bauckham is adding a new preface three substantial new chapters that respond to critics and clarify key points of his argument and a comprehensive new bibliography     **Luke among the Ancient Historians** John J. Peters, 2022-05-24 For centuries scholars have analyzed the composition of Luke Acts presupposing that the reference to many accounts in Luke's Preface indicates the written texts which served as the author's primary sources of information To justify this portrait of Luke as a text based author scholars have appealed to analogies with the text based authors Dionysius of Halicarnassus Diodorus Siculus Plutarch and Arrian Luke among the Ancient Historians challenges this portrait of Luke's method through surveying the origins and development of ancient Greek historiography in chapters on Herodotus Thucydides Polybius Josephus and Luke By focusing on the values and practices of ancient historians Peters demonstrates not only that ancient authors following the model of Thucydides regarded the testimony of eyewitnesses as opposed to texts as the proper sources for historians but that Luke emulated the values practices and craft terminology of the contemporary historiographical tradition Taking seriously the self presentation of Luke as a reporter of contemporary events who claims to write on the basis of eyewitnesses from the beginning and personal investigation this book argues against analogies with text based historians who wrote about non contemporary events and instead situates Luke within a portrait of the values and practices of historians of contemporary events     The Gospel According to Luke James R Edwards, 2020-05-21 This new Pillar commentary devotes attention throughout to the vocabulary historical background special themes and narrative purpose that make the book of Luke unique among the four Gospels Though the Gentile focus of Luke is often held to be primary James Edwards counterbalances that by citing numerous evidences of Luke's overarching interest in depicting Jesus as the fulfillment of the providential work of God in the history of Israel and he considers the possibility that Luke himself was a Jew Edwards also draws out other important thematic issues in excurses scattered throughout the commentary including discussion of Luke's infancy narrative the mission of Jesus as the way of salvation and Luke's depiction of the universal scope of the gospel This readable relevant commentary attends to the linguistic historical

literary and theological elements of Luke that are essential to its meaning and considers Luke's significance for the church and the life of faith today *Luke* David Lyle Jeffrey, 2012-05 A highly acclaimed professor of literature offers a theological reading of Luke in this addition to the Brazos Theological Commentary on the Bible Luke Robert A. Stein, 1993-01-15 THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include commentary based on THE NEW INTERNATIONAL VERSION the NIV text printed in the body of the commentary sound scholarly methodology that reflects capable research in the original languages interpretation that emphasizes the theological unity of each book and of Scripture as a whole readable and applicable exposition **Living**

**Footnotes in the Gospel of Luke** Luuk van de Weghe, 2023-08-29 Did Luke interview eyewitnesses to write his Gospel? *Living Footnotes in the Gospel of Luke* provides a careful thorough examination of Luke's claims Luke 1:1-4 demonstrating that he not only claims to use living sources but also did so. It builds a corroborative evidence case towards this end not merely by accumulating unrelated strands of evidence but by showing the interconnectedness of independent lines of subtle clues in Luke's text. These historically rich unintentional features weave together to generate a robust impression upon the reader. Luke not only relied on living informants but in fact sifted his sources in preference of eyewitness testimony.

**Science, Reason, and Faith** Fr. Robert Spitzer, SJ, 2023-09-18 Built into our very nature is a desire to know about the world around us. The big questions of human existence are inescapable: Who am I? Why am I here and where am I going? Why is there evil in the world? What is the meaning of life? This yearning for truth ultimately leads us to our Creator. God knows the longings of the human heart and he reveals himself to us through creation through Scripture and ultimately through the Incarnation. Because God the Son became man, we have a person to look to in our pursuit of truth. Jesus Christ himself who is Truth. Christ helps us see that truth is not just the object of science and reason but what animates the mysterious and loving power of faith. In *Science, Reason, and Faith* Fr. Robert Spitzer, SJ explores in depth the Bible and the intersection of three realms that the secular world tells us are separate and incompatible. Fr. Spitzer draws the modern reader's attention to the many seeming conflicts between science, reason, and Catholic teaching. By tackling these difficult questions, he shows that it is precisely through the integration of science, reason, and faith that we can truly discover ourselves, our world, and our God.

**Did Jesus Rise from the Dead?** Matthew Levering, 2019-02-07 The Resurrection of Jesus is at the very root of Christian faith. Without belief in Jesus, Christianity dies. In this thought-provoking work, Matthew Levering defends the credibility of the claim that Jesus rose from the dead. Drawing on the work of N. T. Wright, Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels. The author also emphasises the importance of evaluating the Old Testament to validate Jesus' Resurrection. By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it, Levering argues that the fact that the disciples themselves did not do

this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened [The Ongoing Role of Apostles in Missions](#) Don Dent,2019-02-15 Numerous trends are presently converging in ways that make this moment in mission history significant These include the growth of short term service the multiplication of mission organizations local churches sending missionaries without an agency and the internationalization of missions It is crucial in the midst of such change that we not lose connection with the New Testament model of the missionary apostles Apostles now commonly called missionaries are God s gift for the initial planting phase of the church among every people to the end of the age This unique church planting role is the forgotten foundation of the church Much of the ineffectiveness in missions is due to our attempts to build Christ s church on a different foundation This book will examine five critical questions from the perspective of biblical scholarship history and contemporary experience Why are missions minded Evangelicals reluctant to identify missionaries as apostles considering that the two words have the same root meaning How is apostolos used in the New Testament and specifically is it sometimes used as a designation for missionaries How should we conceptualize an ongoing role for missionary apostles that does not detract from the crucial unique role of the original Apostles What ministry pattern does the New Testament record from the lives of the early missionary apostles How should an awareness of missionary apostles guide our mission efforts today [The Oral Gospel Tradition](#) James D.G. Dunn,2013-10-03 The traditions about Jesus and his teaching circulated in oral form for many years continuing to do so for decades following the writing of the New Testament Gospels James Dunn is one of the major voices urging that more consideration needs to be given to the oral use and transmission of the Jesus tradition as a major factor in giving the Synoptic tradition its enduring character **Luke 1:1-9:20, Volume 35A** John Nolland,2018-04-24 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each

particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

**Jesus according to Scripture** Darrell L. Bock, Benjamin I. Simpson, 2017-01-31 Updated Edition of a Bestselling Study of Jesus and the Gospels In this work Darrell Bock a leading evangelical New Testament scholar who speaks and teaches around the world and Benjamin Simpson show that a coherent portrait of Jesus emerges from the four Gospels when they are taken seriously as historical documents When read together the Gospels provide a clear picture of Jesus and his unique claims to authority This book surveys all the Gospel units and relates them to their parallel passages showing how the literary and canonical relationships work Offering up to date interaction with the latest discussions about Jesus the second edition has been substantially revised and updated throughout and includes three new chapters on how we got the Gospels

Making the Gospels Paul W. Barnett, 2019-05-23 The Gospels are the most important texts of the Bible because they tell the story about Jesus who he was and what he achieved If we did not have the Gospels the prophecies about the Messiah in the Old Testament would be left hanging and the passing references in the apostles letters would leave us baffled about the identity of this mysterious figure Jesus During the past several hundred years some scholars have implied that key figures from the first century had conspired to present a Jesus who was different from Jesus as he really was Paul Mark and the editor of the so called Q document The real Jesus it is claimed was not a redeemer but a charismatic rabbi or prophet Paul Barnett engages with key advocates of a deconstructed Jesus by attempting to work out historically just how the Gospels came to be written As a result of this inquiry a cogent picture emerges that explains many of the who the when and the why questions about the writing of the Gospels Inevitably however because of our distance from that era there are many details missing and many details that remain a mystery But mystery does not imply conspiracy **Luke the Priest** Rick Strelan, 2016-12-05 This book focuses on the authority and status of the author of Luke Acts What authority did he have to write a Gospel to interpret the Jewish Scriptures and traditions of Israel to interpret the Jesus traditions and to update the

narrative with a second volume with its interpretation of Paul and the other apostles who appear in the Acts narrative Rick Strelan constructs the author as a Jewish Priest examining such issues as writing and orality authority and tradition and the status and role of priests The analysis is set within the context of scholarly opinion about the author the intended audience and other related issues      **Commentary on Luke (Commentary on the New Testament Book #3)** Robert H.

Gundry,2011-11-01 Delve Deeper into God s Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today s readers The Gospel of Luke portrays Jesus preeminently as a model of religious piety moral purity and political innocence and thus as an attractive sympathetic and beneficent Savior of others Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry s nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry s Commentary on the New Testament      *The Fourfold Gospel, Volume 1* John DelHousaye,2020-08-07 In the spirit of Ludolph of Saxony c 1295 1378 and Ignatius of Loyola 1491 1556 The Fourfold Gospel invites the reader into the mystery of God s redemption in Jesus Christ All the parallel passages in the Gospels are glossed together along with the unique material using a medieval interpretive approach called the Quadriga or the acronym PaRDeS in Hebrew Meditating on the literal canonical moral and theological senses of Scripture offers a scaffolding for the spiritual formation of the reader This volume in addition to a thorough introduction to the method and the Gospels focuses on the beginning of the story the birth baptism and temptations of Christ      Course Corrections to Faith and Identify the Real Gospel Authors John Zavicar,2022-07-19 The

author believed he was a saved Christian and never doubted he was going to heaven Recently during a traumatic surgery that nearly killed him God took him to hell to show him his true eternal destination After surgery and during recovery John started working with the Holy Spirit to understand why God sent him to visit hell He realized it was because he hadn t wholeheartedly accepted the story of Jesus Many of the Biblical Gospels never made sense to John and he couldn t fully commit to Jesus Read John s story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith Following this investigation John committed 100% to Jesus Apply the five step process he describes to firm up your faith and eliminate your doubts in Jesus just as he did      Jesus and the Eyewitnesses, 2d ed. Bauckham, Richard,2017 Jesus and the Eyewitness argues that the four Gospels are closely based on the eyewitness testimony of those who knew Jesus The author challenges the assumption that the accounts of Jesus circulated as anonymous community traditions asserting instead that they were transmitted in the name of the original eyewitnesses

### **Lukes Twelve Eyewitnesses Introduction**

In today's digital age, the availability of Lukes Twelve Eyewitnesses books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lukes Twelve Eyewitnesses books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lukes Twelve Eyewitnesses books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lukes Twelve Eyewitnesses versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lukes Twelve Eyewitnesses books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lukes Twelve Eyewitnesses books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lukes Twelve Eyewitnesses books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lukes Twelve Eyewitnesses books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lukes Twelve Eyewitnesses books and manuals for download and embark on your journey of knowledge?
