Luna Caliente:

Latin American Mystery Writers Darrell B. Lockhart, 2004-03-30 Latin America has a rich literary tradition that is receiving growing amounts of attention The body of Latin American mystery writing is especially vast and diverse Because it is part of Latin American popular culture it also reflects many of the social and cultural concerns of that region This reference provides an overview of mystery fiction of Latin America While many of the authors profiled have received critical attention others have been relatively neglected Included are alphabetically arranged entries on 54 writers most of whom are from Argentina Mexico and Cuba Every effort has been made to include balanced coverage of the few female mystery writers Each entry is written by an expert contributor and includes a brief biography a critical discussion of the writer's works and primary and secondary bibliographies The volume closes with a general bibliography of anthologies and criticism

Contemporary Hispanic Crime Fiction G. Close, 2016-04-30 This study examines representations of the cityscape and of a so called new urban violence in both detective centered and detectiveless crime fiction produced in Spanish America and Spain during recent decades It documents the emergence and permutations of this production as an index not only of local perceptions of contemporary urban experience and of a contemporary urban ecology of fear but also as a transnational index of the globalization of literary forms and markets It centers on the inscription of urban space in novels set in the metropolitan centers of the Hispanic World Mexico City Bogota Buenos Aires and Barcelona

The Mexican Filmography, 1916 through 2001 David E. Wilt, 2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English language information and the fact that Spanish language information was difficult to find and often out of date This comprehensive filmography helps fill the need Arranged by year of release and then by title the filmography contains entries that include basic information film and translated title production company genre director cast a plot summary and additional information about the film Inclusion criteria a film must be a Mexican production or co production feature length one hour or more silent films excepted fictional documentaries and compilation films are not included unless the topic relates to Mexican cinema some docudramas and films with recreated or staged scenes are included and theatrically released or intended for theatrical release

The Columbia Guide to the Latin American Novel Since 1945 Raymond L. Williams, 2007-09-21 In this expertly crafted richly detailed guide Raymond Leslie Williams explores the cultural political and historical events that have shaped the Latin American and Caribbean novel since the end of World War II In addition to works originally composed in English Williams covers novels written in Spanish Portuguese French Dutch and Haitian Creole and traces the profound influence of modernization revolution and democratization on the writing of this era Beginning in 1945 Williams introduces major trends by region including the Caribbean and U S Latino novel the Mexican and Central American novel the Andean novel the Southern Cone novel and the novel of Brazil He discusses the rise of the modernist novel in the 1940s led by Jorge Luis Borges's reaffirmation of the right of invention and covers the advent of the

postmodern generation of the 1990s in Brazil the Generation of the Crack in Mexico and the McOndo generation in other parts of Latin America An alphabetical guide offers biographies of authors coverage of major topics and brief introductions to individual novels It also addresses such areas as women s writing Afro Latin American writing and magic realism The guide s final section includes an annotated bibliography of introductory studies on the Latin American and Caribbean novel national literary traditions and the work of individual authors From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current focus on urban violence and globalization The Columbia Guide to the Latin American Novel Since 1945 presents a comprehensive accessible portrait of a thoroughly diverse and complex branch of world literature

World Literature in Spanish Maureen Ihrle, Salvador Oropesa, 2011-10-20 Containing roughly 850 entries about Spanish language literature throughout the world this expansive work provides coverage of the varied countries ethnicities time periods literary movements and genres of these writings Providing a thorough introduction to Spanish language literature worldwide and across time is a tall order However World Literature in Spanish An Encyclopedia contains roughly 850 entries on both major and minor authors themes genres and topics of Spanish literature from the Middle Ages to the present day affording an amazingly comprehensive reference collection in a single work This encyclopedia describes the growing diversity within national borders the increasing interdependence among nations and the myriad impacts of Spanish literature across the globe All countries that produce literature in Spanish in Europe Africa the Americas and Asia are represented covering both canonical authors and emerging contemporary writers and trends Underrepresented writings such as texts by women writers queer and Afro Hispanic texts children s literature and works on relevant but less studied topics such as sports and nationalism also appear While writings throughout the centuries are covered those of the 20th and 21st centuries receive special consideration

The Routledge Companion to Crime Fiction Janice Allan, Jesper Guldal, Stewart King, Andrew Pepper, 2020-04-07 The Routledge Companion to Crime Fiction is a comprehensive introduction to crime fiction and crime fiction scholarship today Across 45 original chapters specialists in the field offer innovative approaches to the classics of the genre as well as ground breaking mappings of emerging themes and trends The volume is divided into three parts Part I Approaches rearticulates the key theoretical questions posed by the crime genre Part II Devices examines the textual characteristics of crime fiction Part III Interfaces investigates the complex ways in which crime fiction engages with the defining issues of its context from policing and forensic science through war migration and narcotics to digital media and the environment Rigorously argued and engagingly written the volume is indispensable both to students and scholars of crime fiction

Argentina Noir Cynthia Schmidt-Cruz, 2019-02-14 An engaging and insightful guide to Argentine crime fiction since 2000 Argentina Noir offers a guide to Argentine crime fiction with a focus on works published since the year 2000 It argues that the novela negra or crime novel has become the favored genre for many writers to address the social malaise brought about by changes linked to globalization and market driven economic policies Cynthia Schmidt Cruz presents close

readings and original interpretations of eleven novels all set in or around Buenos Aires and explores the ways these texts adapt major motifs figures and literary techniques in Hispanic crime fiction in order to give voice to wide ranging social critiques Schmidt Cruz addresses such topics as organized crime and institutional complicity corruption during the presidency of Carlos Menem 1989 1999 terrorist attacks on Jewish institutions in Buenos Aires and the mysterious death of Alberto Nisman and the winners and the losers of neoliberal structural changes With a solid underpinning in sociological studies and criticism of the genre and its historical context Argentina Noir reveals how these novels are renovating the genre to engage pressing issues confronting not only Argentina but also countries throughout Latin America and around the globe This is a very significant contribution to the field It is a full and illustrative as well as authoritative guide to crime fiction and the novela negra in Argentina in the twenty first century with a particular focus on the literature s social and political thematics Philip Swanson author of *The New Novel in Latin America Politics and Popular Culture after the Boom*

Landmarks in Modern Latin American Fiction (Routledge Revivals) Philip Swanson, 2015-08-11 In the 1960s there occurred amongst Latin American writers a sudden explosion of literary activity known as the Boom It marked an increase in the production and availability of innovative and experimental novels But the Boom of the 1960s should not be taken as the only flowering of Latin American fiction for such novels dubbed new novels were being written in the 1940s and 1950s as well as in the 1970s and 1980s In this edited collection first published in 1990 Philip Swanson charts the development of Latin American fiction throughout the twentieth century He assesses the impact of the new novel on Latin American literature and follows its growth Nine key texts are analysed by contributors including works by the big four of the Boom Fuentes Cort zar Garcia M rquez and Vargas Llosa This book will be of interest to critics and teachers of Latin American literature and will be useful too as supplementary reading for students of Spanish and Hispanic Studies It will also serve as a helpful introduction to those new to Latin American fiction

A Companion to Latin American Literature Stephen M. Hart, 2007 The evolution of Latin American literature A Companion to Latin American Literature offers a lively and informative introduction to the most significant literary works produced in Latin America from the fifteenth century until the present day It shows how the press and its product the printed word functioned as the common denominator binding together in different ways over time the complex and variable relationship between the writer the reader and the state The meandering story of the evolution of Latin American literature from the letters of discovery written by Christopher Columbus and Vaz de Caminha via the Republican era at the end of the nineteenth century when writers in Rio de Janeiro as much as in Buenos Aires were beginning to live off their pens as journalists and serial novelists until the 1960s when writers of the quality of Clarice Lispector in Brazil and Garc a M rquez in Colombia suddenly burst onto the world stage is traced chronologically in six chapters which introduce the main writers in the main genres of poetry prose the novel drama and the essay A final chapter evaluates the post boom novel testimonio Latino and Brazuca literature gay Afro Hispanic and Afro

STEPHEN M HART is Professor of Hispanic Studies University College London and Profesor Honorario Universidad de San Marcos Lima Ecological Crisis and Cultural Representation in Latin America Mark Anderson, Zélia M. Bora, 2016-10-04

Worldwide environmental crisis has become increasingly visible over the last few decades as the full scope of anthropogenic climate change manifests itself and large scale natural resource extraction has expanded into formerly remote areas that seemed beyond the reach of industrialization Scientists and popular culture alike have turned to the term Anthropocene to capture the global scale of environmental and even geological transformations that humans have carried out over the last two centuries The chapters in *Ecological Crisis and Cultural Representation in Latin America* examine the dynamics and interplay between local cultures and the expansion of global capitalism in Latin America emphasizing the role of art in bearing witness to and generating awareness of environmental and social crises but also its possibilities for formulating solutions They take particular care to draw out the ways in which local environmental crises in Latin American nations are witnessed and imagined as part of a global system focusing on the problems of time scale and complexity as key terms in conceiving the dimensions of crisis At the same time they question the notion of the Anthropocene as a species wide human historical project making visible the coloniality of natural resource extraction in Latin America and its dire effects for local people cultures and environments Taking an ecocritical approach to Latin American cultural production including literature film performance and digital artwork the chapters in this volume develop a notion of ecological crisis that captures not only its documentary sense in the representation of environmental destruction the degradation of the oikos but also the crisis in the modern worldview logos that the acknowledgment of crisis provokes In this sense crisis is also the promise of a turning point of the possibilities for change Latin American representations of ecological crisis thus create the conditions for projects that decolonize environments developing new sustainable ways of conceiving of and relating to our world or returning to old ones

Contemporary Travel Writing of Latin America Claire Lindsay, 2010-02-15 This book takes a new approach to travel writing about Latin America by examining domestic journey narratives that have been produced by travellers from the continent itself and largely in Spanish Historically travel writing about Latin America has been written primarily from the perspective of the foreign often European traveller As such and following the large influx of military scientific and leisure travellers in the region since its colonisation much of this foreign travel writing has depicted the continent in predominantly exoticist and or imperialist terms Lindsay explores how Latin American travellers have conceived and constructed narratives about travel at home and considers how such texts many of them available in English translation or with subtitles function to counter or corroborate long standing myths about the continent Through a series of regionally and thematically oriented case studies that engage with key issues themes and debates in both Latin American and travel studies Lindsay provides the first sustained interdisciplinary study of contemporary domestic travel narratives about the region and will also comprise an

important intervention into methodological debates about travel and travel writing **Night Train: A Novel** Donald O'Donovan, 2010-01-25 Fast furious unforgettable and set against the backdrop of a crumbling civilization NIGHT TRAIN follows arch outsider Jerzy Mulvaney in an audacious account of what it means to be homeless on the streets of Los Angeles

The Image of the River in Latin/o American Literature Jeanie Murphy, Elizabeth G. Rivero, 2017-12-20 Although fictional and often fantastic representations of nature have been a distinguishing feature of Latin American literature for centuries ecocriticism understood as the study of literature as it relates to depictions of the natural world environmental issues and the ways in which human beings interact and identify with their natural surroundings did not emerge as a field of scholarly interest in the region until the end of the twentieth century This volume employs an ecocritical lens in order to explore and question the use of the river imagery in Latino and Latin American literature from the colonial period to our modern world creating a space in which to examine both its literal and figurative meanings associated as much with processes of a personal nature as with those of the collective experience in the region The slow meandering streams of nostalgia the raging currents of conflict or the stagnant waters of social decay are just a few of the ways in which the river has become an important symbol and inspiration to many of the region's writers This book offers a diverse collection of writings that through a trans historical and trans geographical perspective allows us from the vantage point of the twenty first century to reflect on the rich and dynamic image of the river and by extension on the vital context of Latin o America its people and societies Destape Natalia Milanesio, 2019-10-01 Under dictatorship in Argentina sex and sexuality were regulated to the point where sex education explicit images and even suggestive material were prohibited With the return to democracy in 1983 Argentines experienced new freedoms including sexual freedoms The explosion of the availability and ubiquity of sexual material became known as the destape and it uncovered sexuality in provocative ways This was a mass media phenomenon but it went beyond this It was in effect a deeper process of change in sexual ideologies and practices By exploring the boom of sex therapy and sexology the fight for the implementation of sex education in schools the expansion of family planning services and of organizations dedicated to sexual health care and the centrality of discussions on sexuality in feminist and gay organizations Milanesio shows that the destape was a profound transformation of the way Argentines talked understood and experienced sexuality a change in manners morals and personal freedoms **Historical Dictionary of the Dirty Wars** David Kohut, Olga Vilella, 2010-02-18 This second edition of Historical Dictionary of The Dirty Wars focuses on the period 1954 1990 in South America when authoritarian regimes waged war on subversion both real and imagined This is done through a chronology an introductory essay a bibliography and over 400 cross referenced dictionary entries on the countries guerrilla and political movements prominent guerrilla human rights military and political figures local regional and international human rights organizations and artistic figures filmmakers novelists and playwrights whose works attempt to represent or resist the period of repression *Soaked Lov and Selected Poems 1998-2001* Severiano B. Martinez, 2002-02

Severiano Martinez brings to his second book a high quality selection of poems diverse in content stance and style The first part of the book *Soaked Lov* deals specifically with the grim psyche of the prostitution world This edition also includes larger works such as *Veneration and G A L* Relations Between Cultures George F. McLean, John Kromkowski, 1991

Historical Dictionary of Spanish Cinema Alberto Mira, 2019-12-04 Historical Dictionary of Spanish Cinema covers Spanish cinema its treasures its constant attempts to break through internationally reaching out towards universal themes and conventions and the specific obstacles and opportunities that have shaped the careers of filmmakers and stars This book contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 200 cross referenced entries on titles movements filmmakers and performers and genres such as homosexuality nuevo cine espa ol or horror This book is an excellent resource for students researchers and anyone wanting to know more about Spanish cinema

Latin America Writes Back Emil Volek, 2013-10-28 Latin America has been an important basis for theorizing the postmodern condition and has been the site of some of the most significant contributions to postmodern literature However discourses about postmodernity have overwhelmingly been constructed by European and American intellectuals This book is a groundbreaking collection of essays by Latin American scholars on the theories and practices of postmodernity It provides an important forum for Latin American intellectuals to shape the debates on postmodernity that are based to a large degree on their own cultural and political experiences Gathering together new and classic essays across a wide range of disciplines and perspectives this much needed collection allows some of Latin America s leading cultural critics to write back to their Euro American counterparts and join the international debate Historical Dictionary of Latin American Literature and Theater Richard Young, Odile Cisneros, 2010-12-18 The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single volume reference tool covering Portuguese speaking Brazil and the 16 Spanish speaking countries of continental Latin America Argentina Bolivia Chile Colombia Costa Rica Ecuador El Salvador Guatemala Honduras Mexico Nicaragua Panama Paraguay Peru Uruguay and Venezuela Entries for authors ranging from the early colonial period to the present give succinct biographical data and an account of the author s literary production with particular attention to their most prominent works and where they belong in literary history The introduction provides a review of Latin American literature and theater as a whole while separate dictionary entries for each country offer insight into the history of national literatures Entries for literary terms movements and genres serve to complement these commentaries and an extensive bibliography points the way for further reading The comprehensive view and detailed information obtained from all these elements will make this book of use to the general interest reader Latin American studies students and the academic specialist
