Gritsch, 2012-01-09 In this book Eric W Gritsch a Lutheran and a distinguished Luther scholar faces the glaring ugliness of

Martin Luther's anti-Semitism head on describing Luther's journey from initial attempts to proselytize Jews to an appallingly racist position which he apparently held until his death. Comprehensively laying out the textual evidence for Luther's virulent anti-Semitism, Gritsch traces the development of Luther's thinking in relation to his experiences, external influences, and theological convictions. Revealing greater impending danger with each step, Martin Luther's Anti-Semitism marches steadily onward until the full extent of Luther's racism becomes apparent. Gritsch's unflinching analysis also describes the impact of Luther's egregious words on subsequent generations and places Luther within Europe's long history of anti-Semitism. Throughout, however, Gritsch resists the temptation either to demonize or to exonerate Luther. Rather, readers will recognize Luther's mistakes as links in a chain that pulled him further and further away from an attitude of respect for Jews as the biblical people of God. Gritsch depicts Luther as a famous example of the intensive struggle with the enduring question of Christian-Jewish relations. It is a great historical tragedy that Luther, of all people, fell victim to anti-Semitism, albeit against his better judgment.

The Flesh of the Word K. J. Drake, 2021. The book explores how disputes between Ulrich Zwingli and Martin Luther over the nature of Christ's body crystallized into a lasting distinction between the Lutheran and Reformed branches of Protestantism. Reformed theologians articulated a view called the *extra Calvinisticum*, that the eternal Son maintains his existence beyond the flesh during his earthly ministry and perpetually. The book investigates how this doctrine that Christ exists both wholly within and wholly beyond his human flesh developed from its first articulation by Zwingli to the end of the sixteenth century and how this affected the Reformed understanding of Christ.

The Alternative Luther Else Marie Wiberg Pedersen, 2019-09-18. Contributors to this book analyze areas of Martin Luther's and Lutheran theology that have otherwise been neglected or underrepresented in the five hundred years since the Reformation. They constructively widen the scope of Luther and Lutheran theology by viewing both from the perspectives of the subaltern, those whose voices are barely or rarely heard. The book formulates an inclusive Lutheran theology that reaches out but does not close out. The book's sections address Precarious Life from Luther's own precarious existence as an outlaw under a death sentence to other precarious life situations seen from various Lutheran perspectives; Body and Gender, addressing different aspects of gender and sexuality from new angles; Women and Sexual Abuse, focusing on present-day problems of abuse in an encounter with Luther's exegesis of biblical texts of terror; and Economy, Equality, and Equity, addressing Lutheran views on economy and equality that break new ground regarding common goods and the Anthropocene.

Bonhoeffer's Reception of Luther Michael P. DeJonge, 2017 This study considers the influence of Martin Luther's theology on Dietrich Bonhoeffer with particular reference to justification ecclesiology the doctrine of the two kingdoms and political ethics

Luther's Augustinian Theology of the Cross Marco Barone, 2017-06-06 These theological paradoxes have been deduced well or poorly from St Paul the especially chosen vessel and instrument of Christ and also from St Augustine his most trustworthy interpreter These are some of Martin Luther's words that introduce his Heidelberg Disputation 1518 a

collection of doctrinal theses that serves as a manifesto of Luther's theology The German Reformer claimed that his theses were a faithful exposition not only of Pauline theology but also of Augustine's doctrine of salvation Luther's Augustinian Theology of the Cross is an unprecedented commentary of Luther's Heidelberg Disputation Through a wide range of Augustinian texts the author shows the accuracy of Luther's claim Moreover the work offers some original considerations that are of interest to both theology and philosophy In the year of the 500th anniversary of the Reformation this volume is a lively and stimulating addition to the debate about the relationship between Augustine's soteriology and the theology of the Reformation

The Work of Faith Justin Nickel, 2020-08-31 Many scholars assume that Luther advocates for a Christian life in which human beings are always passive recipients of God's grace as it is delivered in preaching and mere instruments through which God works to serve their neighbors The Work of Faith Divine Grace and Human Agency in Martin Luther's Preaching offers a different reading of Luther's views on human agency by drawing on a fresh source Luther's preaching Using Luther's sermons in the Church Postil as a primary source Justin Nickel argues that Martin Luther preached as though Christians have real if secondary agency in the lives they lead before God and neighbor As a result Nickel presents a Luther substantively concerned with how Christians lead their lives

Luther's Epistle of Straw Jason D. Lane, 2017-11-07 This work challenges the common consensus that Luther with his commitment to St Paul's articulation of justification by faith leaves no room for the Letter of St James Against this one-sided reading of Luther focused only his criticism of the letter this book argues that Luther had fruitful interpretations of the epistle that shaped the subsequent exegetical tradition Scholarship's singular concentration on Luther's criticism of James as an epistle of straw has caused many to overlook Luther's sermons on James the many places where James comes to full expression in Luther's writings and the influence that Luther's biblical interpretation had on later interpretations of James Based primarily on neglected Lutheran sermons in the sixteenth and seventeenth centuries this work examines the pastoral hermeneutic of Luther and his theological heirs as they heard the voice of James and communicated that voice to and for the sake of the church Scholars pastors and educated laity alike are invited to discover how Luther's theology was shaped by the Epistle of James and how Luther's students and theological heirs aimed to preach this disputed letter fruitfully to their hearers

Poverty in the Theology of John Calvin Bonnie L. Pattison, 2006-11-01 It is the thesis of this study that in Calvin's theology poverty and affliction not splendor and glory mark and manifest the kingdom of God on earth Poverty makes the kingdom visible to the eyes and therefore recognizable as divine Poverty acts to reveal or disclose that which is spiritual or that which is of God in the Christian faith This does not mean that Calvin sees the condition of physical poverty as revelatory in and of itself Rather poverty and affliction function as agents of divine revelation They are a condition or a chosen instrument God uses to disclose to humanity the nature of true spirituality godliness and poverty of spirit How this is demonstrated in Calvin's thought depends upon the

specific doctrine under examination This study explores three particular areas in Calvin s theology where his theological understanding of spiritual poverty and physical poverty or affliction intersect his Christology his doctrine of the Christian life and his ecclesiology Anti-cultic Theology in Christian Biblical Interpretation Valerie A. Stein,2007 Anti Cultic Theology in Christian Biblical Interpretation challenges the widely held view that Isaiah 66 1 4 is a prophetic indictment against temple worship Through critical analysis of representative interpretations from the Patristic Era the writings of Martin Luther and Modern Biblical Scholarship the book reveals the anti cultic interpretation of these verses to be theologically motivated The author argues instead that Isaiah 66 contrasts divine and human nature rather than cultic and spiritual worship This work contributes to the subject of Jewish Christian relations in a unique way grounding the discussion of anti Jewish interpretation of the Hebrew Bible in the analysis of a particular passage *Letters ... with M. Luther's preface; and containing a general view of the works of Huss, by É. de Bonnechose. Tr. by C. Mackenzie* Jan Hus,1846
