When the Spirit Moves Vincent Goddard,2022-02-10 Pastor Vince s memoir When the Spirit Moves is a carefully crafted literary exposition of the faithful journey of a poor Jamaican born Englishman Yet because of its articulated integrity and spiritual candour unnumbered thousands of Caribbean peoples will find this miraculous saga irresistible It has regional and international attractions and identifications baked into its articulated fibre Perhaps one of the most interesting aspects of this easy to read but hard to put down autobiography is the fact that the content generates emotional turbulence Yet at the same time it provides hope and comfort peace and pleasure vision and faith all wrapped securely in a sound Biblical theological blanket What Pastor Vince humbly permitted God to do in his life and with his lifestyle drowns out most excuses for living a life without purpose His story takes away excuses for not being all that God intends for one to become It leaves no excuses for failures By the grace of God Pastor Vince made quality decisions and did many magnanimous things that most people generally fail to do Ironically Pastor Vince like so many Caribbean and African peoples whose lands and treasures were borrowed destroyed or stolen had the courage to forgive and forget the colonial history Most interestingly they risked life in many instances to leave their native lands and journey to the very heart of the socio political and economic global empire that once oppressed They took advantage of available opportunities that enabled them to survive and thrive through hard work education and raw faith in themselves and a sanctified faith in Almighty God
