## **Lyndons Legacy A Candid Look At Some Presidential Policymakers Hardcover:**

*Lyndon's Legacy* Frank L. Kluckhohn, 1964      *The Presidency of Lyndon B. Johnson* Vaughn Davis Bornet, 1983 Presents an assessment of the Johnson administration including the Vietnam issue      **Bowker's Law Books and Serials in Print**, 1995      *The Publishers Weekly*, 1964      *Lyndon Johnson and the American Dream* Doris Kearns Goodwin, 2015-08-04 With a new foreword The New York Times bestselling biography of President Lyndon Johnson from the Pulitzer Prize winning author of *Team of Rivals* Featuring a 2018 foreword by the Pulitzer Prize winning political historian that celebrates a reappraisal of Lyndon Johnson's legacy five decades after his presidency from the vantage point of our current profoundly altered political culture and climate Doris Kearns Goodwin's extraordinary and insightful biography draws from meticulous research in addition to the author's time spent working at the White House from 1967 to 1969 After Johnson's term ended Goodwin remained his confidante and assisted in the preparation of his memoir *In Lyndon Johnson and the American Dream* she traces the 36th president's life from childhood to his early days in politics and from his leadership of the Senate to his presidency analyzing his dramatic years in the White House including both his historic domestic triumphs and his failures in Vietnam Drawing on personal anecdotes and candid conversation with Johnson Goodwin paints a rich and complicated portrait of one of our nation's most compelling politicians in the most penetrating fascinating political biography I have ever read The New York Times      **The Passage of Power** Robert A. Caro, 2012-05-01 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD THE LOS ANGELES TIMES BOOK PRIZE THE MARK LYNTON HISTORY PRIZE THE AMERICAN HISTORY BOOK PRIZE One of the New York Times's 100 Best Books of the 21st Century A Kirkus Reviews Best Nonfiction Book of the Century Book Four of Robert A Caro's monumental *The Years of Lyndon Johnson* displays all the narrative energy and illuminating insight that led the Times of London to acclaim it as one of the truly great political biographies of the modern age A masterpiece *The Passage of Power* follows Lyndon Johnson through both the most frustrating and the most triumphant periods of his career 1958 to 1964 It is a time that would see him trade the extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him Yet it was as well the time in which the presidency the goal he had always pursued would be thrust upon him in the moment it took an assassin's bullet to reach its mark By 1958 as Johnson began to maneuver for the presidency he was known as one of the most brilliant politicians of his time the greatest Senate Leader in our history But the 1960 nomination would go to the young senator from Massachusetts John F Kennedy Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy's decision to offer Johnson the vice presidency revealing the extent of Robert Kennedy's efforts to force Johnson off the ticket With the consummate skill of a master storyteller he exposes the savage animosity between Johnson and Kennedy's younger brother portraying one of America's great political feuds Yet Robert Kennedy's overt contempt for Johnson was only part of the burden of humiliation and

isolation he bore as Vice President With a singular understanding of Johnson's heart and mind Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity For the first time in Caro's breathtakingly vivid narrative we see the Kennedy assassination through Lyndon Johnson's eyes We watch Johnson step into the presidency inheriting a staff fiercely loyal to his slain predecessor a Congress determined to retain its power over the executive branch and a nation in shock and mourning We see how within weeks grasping the reins of the presidency with supreme mastery he propels through Congress essential legislation that at the time of Kennedy's death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the revolutionary War on Poverty Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own This was without doubt Johnson's finest hour before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam In its exploration of this pivotal period in Johnson's life and in the life of the nation *The Passage of Power* is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is as well a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation It is an epic story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro's work confirming Nicholas von Hoffman's verdict that Caro has changed the art of political biography

**A Companion to Lyndon B. Johnson** Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B Johnson's life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President

**LBJ's Neglected Legacy** Robert H. Wilson, 2015-06-15 During the five full years of his presidency 1964-1968 Lyndon Johnson initiated a breathtaking array of domestic policies and programs including such landmarks as the Civil Rights Act Head Start Food Stamps Medicare and Medicaid the Immigration Reform Act the Water Quality Act the Voting Rights Act Social Security reform and Fair Housing These and other Great Society programs reformed the federal government reshaped intergovernmental relations extended the federal government's role into new public policy arenas and redefined federally protected rights of individuals to engage in the public sphere Indeed to a remarkable but largely unnoticed degree Johnson's domestic agenda continues to shape and influence current debates on major issues such as immigration health care higher education funding voting rights and clean water even though many of his specific policies and programs have been modified or in some cases dismantled since his presidency *LBJ's Neglected Legacy* examines the domestic policy achievements of one of America's most effective albeit controversial leaders Leading

contributors from the fields of history public administration economics environmental engineering sociology and urban planning examine twelve of LBJ's key domestic accomplishments in the areas of citizenship and immigration social and economic policy science and technology and public management Their findings illustrate the enduring legacy of Johnson's determination and skill in taking advantage of overwhelming political support in the early years of his presidency to push through an extremely ambitious and innovative legislative agenda and emphasize the extraordinary range and extent of LBJ's influence on American public policy and administration

**Indomitable Will (Enhanced Edition) Mark**

Updegrove, 2012-04-03 With more than a hundred photos videos recorded phone conversations letters and speeches this enhanced eBook edition of Indomitable Will brings to life the presidency of Lyndon B Johnson like never before Nearly fifty years after being sworn in as president of the United States in the wake of John F Kennedy's assassination Lyndon Baines Johnson remains a largely misunderstood figure His force of personality mastery of power and the political process and boundless appetite for social reform made him one of the towering figures of his time But he was one of the most protean and paradoxical of presidents as well Because of his flawed nature and inherent contradictions some claimed there were as many LBJs as there were people who knew him Intent on fulfilling the promise of America Johnson launched a revolution in civil rights federal aid to education and health care for the elderly and indigent and expanded immigration and environmental protection A flurry of landmark laws he would sign an unparalleled 207 during his five years in office including the Civil Rights Act of 1964 Voting Rights Act of 1965 Elementary and Secondary Education Act Head Start and Medicare are testaments to the triumph of his will His War on Poverty alone brought the U S poverty rate down from 20 percent to 12 percent the biggest one time drop in American history As president he was known for getting things done At the same time Johnson's presidency and the fulfillment of its own promise was blighted by his escalation of an ill fated war in Vietnam that tore at the fabric of America and saw the loss of 36 000 U S troops by the end of his term Presidential historian Mark K Updegrove offers an intimate portrait of the endlessly fascinating LBJ his extraordinarily eventful presidency and the turbulent times in which he served We see Johnson in his many guises and dimensions the virtuoso deal maker using every inch of his six foot three inch frame to intimidate his subjects the relentless reformer willing to lose southern Democrats from his party for a generation in his pursuit of civil rights for all Americans and the embattled commander in chief agonizing over the fate of his boys in Vietnam including his two sons in law yet steadfast in his determination to thwart Communist aggression through war or an honorable peace Through original interviews and personal accounts from White House aides and Cabinet members political allies and foes and friends and family from Robert McNamara to Barry Goldwater Lady Bird Johnson to Jacqueline Kennedy as well as through Johnson's own candid reflections and historic White House telephone conversations Indomitable Will reveals LBJ as never before For it is through firsthand narrative more than anything writes Updegrove that Lyndon Johnson who teemed with vitality in his sixty four years and remains enigmatic nearly four decades

after his passing comes to life      **Indomitable Will** Mark Updegrove, 2012-03-13 Nearly fifty years after being sworn in as president of the United States in the wake of John F Kennedy's assassination Lyndon Baines Johnson remains a largely misunderstood figure His force of personality mastery of power and the political process and boundless appetite for social reform made him one of the towering figures of his time But he was one of the most protean and paradoxical of presidents as well Because of his flawed nature and inherent contradictions some claimed there were as many LBJs as there were people who knew him Intent on fulfilling the promise of America Johnson launched a revolution in civil rights federal aid to education and health care for the elderly and indigent and expanded immigration and environmental protection A flurry of landmark laws he would sign an unparalleled 207 during his five years in office including the Civil Rights Act of 1964 Voting Rights Act of 1965 Elementary and Secondary Education Act Head Start and Medicare are testaments to the triumph of his will His War on Poverty alone brought the U S poverty rate down from 20 percent to 12 percent the biggest one time drop in American history As president he was known for getting things done At the same time Johnson's presidency and the fulfillment of its own promise was blighted by his escalation of an ill fated war in Vietnam that tore at the fabric of America and saw the loss of 36 000 U S troops by the end of his term Presidential historian Mark K Updegrove offers an intimate portrait of the endlessly fascinating LBJ his extraordinarily eventful presidency and the turbulent times in which he served We see Johnson in his many guises and dimensions the virtuoso deal maker using every inch of his six foot three inch frame to intimidate his subjects the relentless reformer willing to lose southern Democrats from his party for a generation in his pursuit of civil rights for all Americans and the embattled commander in chief agonizing over the fate of his boys in Vietnam including his two sons in law yet steadfast in his determination to thwart Communist aggression through war or an honorable peace Through original interviews and personal accounts from White House aides and Cabinet members political allies and foes and friends and family from Robert McNamara to Barry Goldwater Lady Bird Johnson to Jacqueline Kennedy as well as through Johnson's own candid reflections and historic White House telephone conversations *Indomitable Will* reveals LBJ as never before For it is through firsthand narrative more than anything writes Updegrove that Lyndon Johnson who teemed with vitality in his sixty four years and remains enigmatic nearly four decades after his passing comes to life      *Lyndon B. Johnson*, 1964      **A Texan Looks at Lyndon** James Evetts Haley, 1964      *Lyndon Johnson Remembered* Thomas W. Cowger, Sherwin Markman, 2003 In *Lyndon Johnson Remembered* An Intimate Portrait of a Presidency Thomas W Cowger and Sherwin J Markman bring together essays by Johnson administration insiders reflecting on his personality domestic agenda and legacy      *Lyndon B. Johnson and the Transformation of American Politics* John L. Bullion, 2008 This book offers a close look at how Johnson handled the issues of civil rights segregation Vietnam and an unruly economy and demonstrates how these issues and events wore away Johnson's once robust idealism Back cover      *The Passage of Power* Robert A. Caro, 2012-05-01 WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD THE LOS ANGELES TIMES BOOK PRIZE

THE MARK LYNTON HISTORY PRIZE THE AMERICAN HISTORY BOOK PRIZE One of the New York Times s 100 Best Books of the 21st Century Book Four of Robert A Caro s monumental The Years of Lyndon Johnson displays all the narrative energy and illuminating insight that led the Times of London to acclaim it as one of the truly great political biographies of the modern age A masterpiece The Passage of Power follows Lyndon Johnson through both the most frustrating and the most triumphant periods of his career 1958 to 1964 It is a time that would see him trade the extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him Yet it was as well the time in which the presidency the goal he had always pursued would be thrust upon him in the moment it took an assassin s bullet to reach its mark By 1958 as Johnson began to maneuver for the presidency he was known as one of the most brilliant politicians of his time the greatest Senate Leader in our history But the 1960 nomination would go to the young senator from Massachusetts John F Kennedy Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy s decision to offer Johnson the vice presidency revealing the extent of Robert Kennedy s efforts to force Johnson off the ticket With the consummate skill of a master storyteller he exposes the savage animosity between Johnson and Kennedy s younger brother portraying one of America s great political feuds Yet Robert Kennedy s overt contempt for Johnson was only part of the burden of humiliation and isolation he bore as Vice President With a singular understanding of Johnson s heart and mind Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity For the first time in Caro s breathtakingly vivid narrative we see the Kennedy assassination through Lyndon Johnson s eyes We watch Johnson step into the presidency inheriting a staff fiercely loyal to his slain predecessor a Congress determined to retain its power over the executive branch and a nation in shock and mourning We see how within weeks grasping the reins of the presidency with supreme mastery he propels through Congress essential legislation that at the time of Kennedy s death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the revolutionary War on Poverty Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own This was without doubt Johnson s finest hour before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam In its exploration of this pivotal period in Johnson s life and in the life of the nation The Passage of Power is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is as well a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation It is an epic story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro s work confirming Nicholas von Hoffman s verdict that Caro has changed the art of political biography

**The Triumph & Tragedy of Lyndon Johnson** ,2015      **Lyndon Johnson and Vietnam** Herbert Y.

Schandler,2014-07 This book examines the events that led up to the day March 31 1968 when Lyndon Johnson dramatically renounced any attempt to be reelected president of the United States It offers one of the best descriptions of U S policy surrounding the Tet offensive of that fateful March a historic turning point in the war in Vietnam that led directly to the end of American military intervention Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Path to Power Robert A. Caro,2011-11-23 The Years of Lyndon Johnson is the political biography of our time No president no era of American politics has been so intensively and sharply examined at a time when so many prime witnesses to hitherto untold or misinterpreted facets of a life a career and a period of history could still be persuaded to speak The Path to Power Book One reveals in extraordinary detail the genesis of the almost superhuman drive energy and urge to power that set LBJ apart Chronicling the startling early emergence of Johnson s political genius it follows him from his Texas boyhood through the years of the Depression in the Texas hill Country to the triumph of his congressional debut in New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he hungered We see in him from earliest childhood a fierce unquenchable necessity to be first to win to dominate coupled with a limitless capacity for hard unceasing labor in the service of his own ambition Caro shows us the big gangling awkward young Lyndon raised in one of the country s most desperately poor and isolated areas his education mediocre at best his pride stung by his father s slide into failure and financial ruin lunging for success moving inexorably toward that ultimate impossible goal that he sets for himself years before any friend or enemy suspects what it may be We watch him while still at college instinctively and ruthlessly creating the beginnings of the political machine that was to serve him for three decades We see him employing his extraordinary ability to mesmerize and manipulate powerful older men to mesmerize and sometimes almost enslave useful subordinates We see him carrying out before his thirtieth year his first great political inspiration tapping and becoming the political conduit for the money and influence of the new oil men and contractors who were to grow with him to immense power We follow close up the radical fluctuations of his relationships with the formidable Mr Sam Raybum who loved him like a son and whom he betrayed and with FDR himself And we follow the dramas of his emotional life the intensities and complications of his relationships with his family his contemporaries his girls his wooing and winning of the shy Lady Bird his secret love affair over many years with the mistress of one of his most ardent and generous supporters Johnson driving his people to the point of exhausted tears equally merciless with himself Johnson bullying cajoling lying yet inspiring an amazing loyalty Johnson maneuvering to dethrone the unassailable old Jack Garner then Vice President of the United States as the

New Deal's connection in Texas and seize the power himself Johnson raging Johnson hugging Johnson bringing light and indeed life to the worn Hill Country farmers and their old at thirty wives via the district's first electric lines We see him at once unscrupulous admirable treacherous devoted And we see the country that bred him the harshness and nauseating loneliness of the rural life the tragic panorama of the Depression the sudden glow of hope at the dawn of the Age of Roosevelt And always in the foreground on the move LBJ Here is Lyndon Johnson his Texas his Washington his America in a book that brings us as close as we have ever been to a true perception of political genius and the American political process

**The Passage of Power** Robert A. Caro, 2014-01-15 Hailed as the greatest biography of our era The Times Robert Caro's monumental work on American President Lyndon Johnson is a breathtakingly dramatic story told with consummate artistry and ardor The New York Times and a work of greatness of such acute observation of politics that its insights are applicable far beyond its time and place Independent This the series crowning volume Economist spans the years 1958 to 1964 arguably the most crucial years in the life of Johnson and pivotal years for American history This era saw some of the most frustrating moments of Johnson's career but also some of his most triumphant His battle with the Kennedy brothers over the 1960 Democratic nomination for president was a bitter one and the ensuing years of Johnson's vice presidency were marked with humiliation But thrust into power following the assassination of J F Kennedy Johnson grasped the presidential role with unprecedented skill Caro provides a fresh perspective on Kennedy's assassination from Johnson's viewpoint and penetrates deep into what it was like for him to assume a position of such power at a time of national crisis The Passage of Power documents Johnson's extraordinary early presidency forcing previously abandoned bills on the budget and civil rights through an uncooperative Congress and striving to achieve what he saw to be the highest standard of office Caro shows a delicacy of touch and a profoundness of insight into the state of a nation under the hand of a political master Collectively these volumes constitute a major history of America in the first three quarters of the twentieth century

**Looking Back at LBJ** Mitchell B. Lerner, 2005 Lyndon Baines Johnson ascended to the presidency in the wake of tragedy to lead the United States through one of its most violent and divisive decades His troubled presidency was marked by endless controversies over civil rights the Vietnam War foreign policy and law and order issues among others Nearly four decades later it's now possible to reexamine those controversies to illuminate as never before the achievements and failures of one of the nation's most misunderstood presidents Drawing upon a wealth of new sources including recently released phone conversations these authors shine a bright and probing light on LBJ's beleaguered White House tenure Collectively they reinforce the image of Johnson as a highly complex president whose very real achievements have been overshadowed by character flaws and events well beyond his control Four chapters focus on LBJ's foreign policies including a positive appraisal of his handling of the 1964 Panama Crisis but less favorable assessments regarding the downhill slide into Vietnam the Six Day War and policies toward the communist bloc Yet the authors generally depict a president who contrary to conventional views did not allow his

domestic agenda to overshadow his efforts as chief architect of foreign policy Five other chapters focus on aspects of LBJ s domestic policies that have been largely neglected women s rights Native Americans agriculture civil disorder and fiscal policy Whether responding to urban riots or balancing different versions of the 1964 Farm Bill Johnson emerges as a president who never lost sight of the political ramifications of his actions and whose legacy is often more complicated than is usually recognized All of these writings attest to the complexities of Lyndon Johnson a larger than life leader whose guiding principles can t always be reduced to the catch phrases he himself and others have employed The new perspectives and revelations they provide point students scholars and presidential buffs alike toward a much more enlightened view of this fascinating figure
