Lytham St. Annes. [Official Guide. With Illustrations and a Map.]. Lytham Saint Annes, 1967 Lytham St. Annes ... Official Guide, 1937, [etc.] [With Illustrations.]. LYTHAM SAINT ANNES., 1937 **Images of Lytham St Annes** Steve Singleton, 2005-01-01 The splendour of Victorian and Edwardian life in Lytham St Annes is today sadly nothing more than a fast fading memory Imagine what fun it must have been to witness and enjoy the growth of the genteel seaside resort in the late 18th and early 19th centuries Here were two coastline neighbours eager for progress and prosperity but both determined to preserve their own identities It is a widely held belief that it was the great contrasts in the two townships that produced such an inspired partnership Lytham was the grand old lady of the Fylde coast steeped in history and tradition proud of its leafy image and its heritage dating back as far as 700 AD St Annes was the brash newcomer a town hacked out of the sandhills by rich and powerful industrialists as recently as the mid 1870s When the ancient and modern communities albeit reluctantly in 1922 they produced a borough of confidence catering mainly for businessmen and wealthy families from the East Lancashire cotton towns And as the acclaimed Opal of the West the resort quickly developed and fortunes soared The beaches were filled with relaxed holiday makers and St Annes and Lytham piers echoed with the laughter of day trippers A cut above bustling and brassy Blackpool Lytham St Annes attracted gentry eager to make their homes in the town Vast promenade residences replaced the sand dunes as the wealthy businessmen installed their families by the sea with their chauffeur driven limousines and domestic servants Images of Lytham St Annes is a pictorial record of some of the changes that the resort has seen which promise to jog the memories of residents and holidaymakers alike **Images of Lytham St Annes** , 1996 *Lytham St Anne's* Robert Haley, Robert Andrew Haley, 1995-01-01 *Lytham St. Annes* , 1968 Municipal Engineering; Sanitary Record and the Municipal Motor , 1927 **The England Coast Path** Stephen Neale, 2020-03-19 The opening of the England Coast Path means that anyone will be able to walk and wild camp along the entire 3 000 mile length of the English coast As well as being a remarkable national achievement in itself this new national trail is a hugely exciting prospect for all walkers campers fans of the coast and the outdoors In 2018 Stephen Neale became one of the first people to walk and wild camp along the whole of the path and in doing so has written a fantastically detailed and rich guidebook covering the route itself along with everything from the best places to swim hunt for fossils and eat seafood to hidden away beaches and canoeing spots The bulk of the book is divided up into the 16 coastal counties and features 1 000 places to see explore camp and adventure around the coast Each place has an OS map reference basic directions to it from the path and a short description Walkers can either visit specific places or link highlights together walking between them along the path The England Coast Path is a true embodiment of our national character at a time when all things English are so often seen in a negative light this is a wonderful success story Environmentalists volunteers social campaigners land owners and politicians have all come together to create a ninth wonder of the world This path represents what makes England so great a
