Ma vie comme rivière: Récit autobiographique, 1919-1942 Simonne Monet Chartrand, 1982 **Ma vie comme rivière** Simonne Monet-Chartrand, 1988 **Ma vie comme rivière: Récit autobiographique 1939-1949** Simonne Monet Chartrand, 1988 **Catholic Origins of Quebec's Quiet Revolution, 1931-1970** Michael Gauvreau, 2005 The Catholic Origins of Quebec's Quiet Revolution challenges a version of history central to modern Quebec's understanding of itself that the Quiet Revolution began in the 1960s as a secular vision of state and society which rapidly displaced an obsolete clericalized Catholicism Michael Gauvreau argues that organizations such as Catholic youth movements played a central role in formulating the Personalist Catholic ideology that underlay the Quiet Revolution and that ordinary Quebecers experienced the Quiet Revolution primarily through a series of transformations in the expression of their Catholic identity In so doing Gauvreau offers a new understanding of Catholicism's place in twentieth century Quebec *La pensée éducative et les intellectuels au Québec* Collectif Collectif, 2023-03-07T00:00:00-05:00 Cet ouvrage examine la pensée éducative de quelques figures intellectuelles marquantes au Québec entre 1915 et 1930 **Le mouvement familial au Québec 1960-1990** Denise Lemieux, Michelle Comeau, 2002-10-14T20:00:00-04:00 Dans le contexte d'expansion économique et de croissance de la natalité qui caractérise les années 1960 la réorganisation des systèmes d'éducation de bien-être et de santé entraîne un réaménagement des activités et suscite des intérêts concernant les familles Des associations familiales nées de l'Action catholique des associations créées autour de la réforme scolaire de nouvelles associations de parents en quête de nouvelles formes des associations féminines qui glissent vers le féminisme constituent le terreau d'un mouvement social créé dans la seconde partie des années 1960 Inspiré des mouvements européens favorisé au départ par des leaders politiques sociaux et religieux le Mouvement familial poursuit ses objectifs au cours des années 1970 tandis que l'on assiste à la montée du mouvement des femmes L'ouvrage retrace à partir des documents et mémoires issus de 17 fédérations d'organismes familiaux ou inter-familial comment la participation de ces groupements et de plusieurs autres diverses activités et revendications ainsi que leurs interactions avec la natalité et avec le mouvement des femmes contribuent à la mise en place d'une politique familiale Outre les domaines de la famille et des associations familiales au centre de l'analyse cette étude ajoute des données inédites à l'historiographie du Québec moderne en traitant du changement social de l'émergence des politiques et des institutions sous l'angle de l'apport des mouvements sociaux ces transformations **Household Politics** Magdalena Fahrni, 2005-01-01 The reconstruction of Canadian society in the wake of the Second World War had an enormous impact on all aspects of public and private life For families in Montreal reconstruction plans included a stable home life hinged on social and economic security female suffrage welfare state measures and a reasonable cost of living In Household Politics Magda Fahrni examines postwar reconstruction from a variety of angles in order to fully convey its significance in the 1940s as differences of class gender language religion and region naturally produced differing perspectives Reconstruction was not simply a matter of official policy Although the

government set many of the parameters for public debate federal projects did not inspire a postwar consensus and families alternatively embraced negotiated or opposed government plans Through in depth research from a wide variety of sources Fahrni brings together family history social history and political history to look at a wide variety of Montreal families French speaking and English speaking Catholic Protestant and Jewish making Household Politics a particularly unique and erudite study The Constant Liberal Christo Aivalis,2018-05-15 Pierre Elliott Trudeau radical progressive or unavowed socialist His legacy remains divisive Most scholars portray Trudeau s ties to the left as evidence either of communist affinities or of ideals that led him to found a progressive modern Canada The Constant Liberal traces the charismatic politician s relationship with left and labour movements throughout his career Christo Aivalis argues that although Trudeau found key influences and friendships on the left he was in fact a consistently classic liberal driven by individualist and capitalist principles While numerous biographies have noted the impact of the left on Trudeau s intellectual and political development this comprehensive analysis showcases the interplay between liberalism and democratic socialism that defined his world view and shaped his effective use of power The Constant Liberal suggests that Trudeau s leftist activity was not so much a call for social democracy as a warning to fellow liberals that lack of reform could undermine liberal capitalist social relations

Empire Within Sean Mills, 2010-03-26 In a brilliant history of a turbulent time and place Mills pulls back the curtain on the decade's activists and intellectuals showing their engagement both with each other and with people from around the world. He demonstrates how activists of different backgrounds and with different political aims drew on ideas of decolonization to rethink the meanings attached to the politics of sex, race and class and to imagine themselves as part of a broad transnational movement of anti-colonial and anti-imperialist resistance. The temporary unity forged around ideas of decolonization came undone in the 1970s however as many were forced to come to terms with the contradictions and ambiguities of applying ideas of decolonization in Quebec. From linguistic debates to labour unions and from the political activities of citizens in the city's poorest neighbourhoods to its Caribbean intellectuals *The Empire Within* is a political tour of Montreal that reconsiders the meaning and legacy of the city's dissident traditions. It is also a fascinating chapter in the history of postcolonial thought.

Livernois, 2015-10-01 T00:00:00-04:00 Voici une manière assez nouvelle de redécouvrir les débats d'idées tenus au Québec depuis un siècle et demi. Bien sûr les auteurs prennent en compte les deux trames fondamentales de la société québécoise : la religion et le nationalisme. Inévitablement ils s'interrogent sur la figure de l'intellectuel catholique par exemple ou sur les obstacles à l'émergence des intellectuels en général. Mais proposer une brève histoire des intellectuels est leur manière de dire qu'ils ont voulu porter une attention particulière à la forme spécifique d'affirmation intellectuelle des femmes. C'est aussi une manière de rappeler les hommes et les femmes qui ont tenu toutes les époques un discours critique sur la société. Historien Yvan LAMONDE est professeur maître de l'Université McGill. Marie-Andrée BERGERON est professeure de littérature québécoise et féministe à l'Université de Calgary. Michel LACROIX et Jonathan LIVERNOIS sont professeurs de littérature québécoise respectivement à l'Université du Québec Montréal et à l'Université Laval. **Ma vie comme rivière**

Histoire populaire de l'amour au Québec T.3 Jean-Sébastien Marsan, 2022-10-12 T00:00:00-04:00 Ce troisième et dernier tome de la série *Histoire populaire de l'amour au Québec* relate l'histoire des mœurs de ce coin d'Amérique de la Nouvelle-France jusqu'au seuil du Québec moderne : séduction, fréquentations, nuptialité, vie conjugale et familiale, séparation, divorce, bigamie, adultère, homosexualité, pornographie, prostitution, sans oublier les célibataires, les veufs, les veuves et les individus entrés en religion. Le Québec des années 1860-1960 a connu une série d'évolutions, de crises et de tensions. La province s'industrialise, s'urbanise et se bureaucratise. Elle connaît une forte migration vers les États-Unis. Les premiers féministes remportent leurs premières batailles malgré la criminalisation de l'avortement, une guerre mondiale éclate suivie de l'effervescence des Années folles, de la Grande Dépression et d'une autre guerre mondiale. Apparaissent alors les fameuses enterrements de vie de garçon, les showers, la commercialisation du mariage et la popularisation de l'automobile, du cinéma, de la radio et de la télévision. La société québécoise voit et bénéficie de constant progrès en matière d'hygiène, de médecine et de moyens
