Croatia Under Ante Pavelic Robert B. McCormick,2014-09-23 Ante Pavelic was the leader of the fascist party of Croatia the Usta e who on Adolf Hitler s instruction became the leader of Croatia after the Nazi invasion of 1941 Paveli was an extreme Croatian nationalist who believed that the Serbian people were an inferior race he would preside over a genocide that ultimately killed an estimated 390 000 Serbs during World War II Croatia under Ante Paveli provides the full history of this period with a special focus on the United States role in the post war settlement Drawing on previously unpublished documents Robert McCormick argues that President Harry S Truman s Cold War priorities meant that Paveli was never made to answer for his crimes Today the Usta e remains difficult legacy within Croatian society partly as a result of Paveli political life in exile in South America This is a new account of US foreign policy towards one of the Second World War s most brutal dictators and is an essential contribution to Croatian war time history **The Death Camps of Croatia** Raphael Israeli,2017-07-12 In The Death Camps of Croatia Raphael Israeli shows that throughout Yugoslavia during World War II anti semitism was both deeply rooted and widespread This book traces the circumstances and the historical context in which the

pro Nazi Ustasha state encompassing Croatia and Bosnia erected the Jadovno and Jasenovac death camps Israeli distills fact and historical record from accusation and grievance noting that seventy years later the gap in research and the collection of data memoirs and oral histories has become almost irreparable This volume meets the challenge basing its conclusions on evidence from participants from the period The battle between the Serbs and the Croats is not likely to be settled any time soon Both sides have accused the other of the wrongdoings that everyone knows occurred While the German Nazis Croat Ustasha Serbian collaborators Cetnicks and Bosnian Hanjar recruits are often seen as the wrongdoers there were individuals who helped the Jews hid them at great risk and enabled them to survive These people absorbed the Jews in their own ranks and gave them the means to fight they were the only people who helped the Jews This volume is not about judging one side or the other it is about acknowledging the evil all sides inflicted upon the Jewish minority in their midst Serbs Muslims and Croats continue to dominate the ex Yugoslavian scene It has been their arena of battle for centuries while the flourishing Jewish minority culture in that area has all but come to a historical standstill and has almost completely vanished Yet the struggle over the historical record continues **Genocide in Satellite Croatia, 1941-1945** Edmond Paris, 2011-07-01

Resistance to the Persecution of Ethnic Minorities in Croatia and Bosnia During World War II Lisa Marie Adeli, 2009 Arguing against past and current apologists for the notion that different ethnic groups cannot coexist peaceably within a single state the author shows that within the genocidal crucible of the wartime Independent State of Croatia a partisan movement of Croats Muslims Jews Serbs Roma Volksdeutsch and Hungarians emerged dedicated to the idea that common humanity was more important than ethnic difference
