MacArthur And The American Century A Reader:

MacArthur and the American Century William Matthew Leary, 2003 MacArthur and the American Century William M. Leary, 2001-01-01 General Douglas MacArthur has been hailed as the greatest soldier in American history While not everyone would agree with that assessment there is no question that MacArthur played a prominent role in the emergence of the United States as a world power in the twentieth century A distinguished combat soldier during World War I and an innovative educator at West Point in the 1920s MacArthur became the army's chief of staff during the Great Depression He went abroad in the 1930s to prepare the Philippines for war His stand against the Japanese following Pearl Harbor made him a national hero and his subsequent campaign against Japanese forces in the Southwest Pacific only added to his reputation The Korean War gave MacArthur a final opportunity to display his military skills MacArthur and the American Century assembles for the first time a nuanced and full scrutiny of MacArthur's entire career Essays by such experts as Stanley L Falk and D Clayton James accompany materials by Dwight D Eisenhower and MacArthur himself providing analysis and evaluation of the immense impact this dramatic figure had on war peace and the American imagination **Captivity in War during the Twentieth Century** Marcel Berni, Tamara Cubito, 2021-08-27 This book offers new international perspectives on captivity in wartime during the twentieth century It explores how global institutions and practices with regard to captives mattered how they evolved and most importantly how they influenced the treatment of captives From the beginning of the twentieth century international organisations neutral nations and other actors with no direct involvement in the respective wars often had to fill in to support civilian as well as military captives and to supervise their treatment This edited volume puts these actors rather than the captives themselves at the centre in order to assess comparatively their contributions to wartime captivity Taking a global approach it shows that transnational bodies whether non governmental organisations neutral states or individuals played an essential role in dealing with captives in wartime Chapters cover both the largest wars such as the two World Wars but also lesser known conflicts to highlight how captives were placed at the centre of transnational negotiations *Encyclopedia of War and American Society* Peter Karsten, 2006 Publisher description **The A to Z of the Eisenhower Era** Burton I. Kaufman, Diane Kaufman, 2009-10-26 U S Army General Dwight D Eisenhower first entered into the public eye during World War II as the Supreme Commander of the Allied Forces in Europe In 1952 he was elected as the 34th President of the United States and served two terms During those terms he oversaw the cease fire of the Korean War kept up the pressure on the Soviet Union during the Cold War made nuclear weapons a higher defense priority launched the Space Race enlarged the Social Security program and began the Interstate Highway System The A to Z of the Eisenhower Era examines significant individuals organizations and events in American political economic social and cultural history during this era in American history In addition to the hundreds of cross referenced dictionary entries on politics economics diplomacy literature science sports and popular culture a chronology introductory essay and several appendixes

are also included in this valuable reference **World War II in Literature for Youth** Patricia Hachten Wee, Robert James Wee, 2004 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource **A History of Socio-cultural Intelligence and Research Under the Occupation of Japan** Michael B. Meyer, 2009 American forces entered a seemingly dangerous and very foreign world following the surrender of Japan A nation building mission unlike any other previously in U S history ensued Insight into Japanese sentiment and ways of conducting business would be paramount to the success of General Douglas MacArthur in demilitarizing and democratizing Japan Two complementary but rival organizations within MacArthur s Supreme Commander for the Allied Powers SCAP staff were created and charged with understanding Japanese thought patterns and culture to assist with successful reform The Research and Analysis Branch R A subordinate to the Civil Intelligence Section CIS was responsible for turning out quality anecdotal intelligence analysis It produced weekly Occupational Trends reports critical to monitoring Japanese sentiment on issues of seminal importance to demilitarization such as Japanese popular opinion concerning the maintenance of the Emperor The other organization the Public Opinion and Sociological Research Division PO SR under the Civil Information and Education Section CI E employed social scientists who worked closely with Japanese nationals on democratization For perhaps the first time in history sociological research supplemented traditional intelligence analysis in informing occupational leaders PO SR prepared scientific socio cultural reports that served various sections across MacArthur s government While rivalries existed between the R A and PO SR over methods and utility of services the framework established under the occupation serves as a model of how to process and produce foreign socio cultural intelligence and research during nation building Analytic lessons learned include encouraging close cooperation between intelligence professionals and more specialized sociologists incorporating diverse collection sources working closely with host nationals and formally documenting social science project findings P v **Spirit Power** Heonik Kwon, Jun Hwan Park, 2022-08-02 Spirit Power explores the manifestation of the American Century in Korean history with a focus on religious culture It looks back on the encounter with American missionary power from the late nineteenth century and the long political struggles against the country s indigenous popular religious heritage during the colonial and postcolonial eras The book brings an anthropology of religion into the field of Cold War history In particular it investigates how Korea s shamanism has assimilated symbolic properties of American power into its realm of ritual efficacy in the form of the spirit of General Douglas MacArthur The book considers this process in dialog with the work of Yim Suk jay a prominent Korean anthropologist who saw that a radically cosmopolitan and democratic world vision is embedded in Korea s enduring

shamanism tradition **Air & Space Power Journal win 01 , Eisenhower in War and Peace** Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America s thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike s maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower s superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike s finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith s chronicle of Eisenhower s presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith s perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America s prestige in the Middle East and throughout the world Unmatched in insight Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for Eisenhower in War and Peace A fine new biography Eisenhower s White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower s ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year s Eisenhower in War and Peace by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America s greatest living biographer shows why now more than ever Americans should like Ike George F Will **Philippine-American Military History, 1902-1942** Richard B. Meixsel, 2015-10-02 Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy s insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience

from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942 Historical Dictionary of the Eisenhower Era Burton I. Kaufman,Diane Kaufman,2008-12-04 U S Army General Dwight D Eisenhower first entered into the public eye during World War II as the Supreme Commander of the Allied Forces in Europe In 1952 he was elected as the 34th President of the United States and served two terms During those terms he oversaw the cease fire of the Korean War kept up the pressure on the Soviet Union during the Cold War made nuclear weapons a higher defense priority launched the Space Race enlarged the Social Security program and began the Interstate Highway System The Historical Dictionary of the Eisenhower Era examines significant individuals organizations and events in American political economic social and cultural history during this era in American history In addition to the hundreds of cross referenced dictionary entries on politics economics diplomacy literature science sports and popular culture a chronology introductory essay and several appendixes are also included in this valuable reference The Partition of Korea After World War II Jongsoo James Lee,2006-05-13 Drawing on multi archival research in Korean Russian and English this book looks at the complexity and changes in Stalin s policy toward Korea for answers about the division of Korea in 1945 and the failure of reunification between 1945 and 1948 Lee argues that the trusteeship decision is key to the division s origins and permanency *Honor* James Bowman,2007 From the earliest records of human civilization until the dawn of the twentieth century and in widely separated cultures throughout the world the story of honor was inseparable from the story of mankind Today an acquaintance with the concept of honor is indispensable to understanding the culture of the Islamic world and its sense of grievance against the West where honor has been disregarded or actively despised for three quarters of a century James Bowman draws from an wealth of sources across many centuries to illuminate honor s curious history in our own culture and he discovers that Western honor was always different from that found elsewhere Its idiosyncratic qualities derived partly from the classical tradition but mainly from the Judeo Christian heritage whose emphases on individual morality and more recently on sincerity and authenticity in private and personal life have acted as continual challenges to the traditional notion of honor as it is still maintained in other parts of the world These challenges to honor and the accommodations with it that they ultimately produced are a fundamental theme in our own culture s distinctive history and the eventual collapse of the honor culture in the West is the background against which the War on Terror and the Clash of Civilizations ought to be seen Jacket *Generals of the Army* James H. Willbanks,2013-05-01 A concise account of the extraordinary careers of the five men who had perhaps the greatest impact on

the US military of the late twentieth century Andrew Wiest author of *The Boys of 67 Charlie Company's War in Vietnam* Formally titled General of the Army the five star general is the highest possible rank awarded in the U S Army in modern times and has been awarded to only five men in the nation's history George C Marshall Douglas MacArthur Dwight D Eisenhower Henry H Arnold and Omar N Bradley In addition to their rank these distinguished soldiers all shared the experience of serving or studying at Fort Leavenworth Kansas where they gained the knowledge that would prepare them for command during World War II and the Korean War In *Generals of the Army* James H Willbanks assembles top military historians to examine the connection between the institution and the success of these exceptional men Historically known as the intellectual center of the Army Fort Leavenworth is the oldest active Army post west of Washington D C and one of the most important military installations in the United States Though there are many biographies of the five star generals this innovative study offers a fresh perspective by illuminating the ways in which these legendary figures influenced and were influenced by Leavenworth This concise volume offers an intriguing look at the lives of these remarkable men and the contributions they made to the defense of the nation An excellent review of the lives and challenges on and off the battlefield during trying times for our country Ike Skelton Former Chairman House Armed Services Committee US Congress

Twilight of the Gods Ian W. Toll, 2020-09-01 New York Times Bestseller No one has told the story of World War II in the Pacific from beginning to bitter end better than Ian W Toll This final volume concludes a brilliant trilogy Alex Kershaw New York Times best selling author of *The First Wave* and *Avenue of Spies* In June 1944 the United States launched a crushing assault on the Japanese navy in the Battle of the Philippine Sea The capture of the Mariana Islands and the accompanying ruin of Japanese carrier airpower marked a pivotal moment in the Pacific War No tactical masterstroke or blunder could reverse the increasingly lopsided balance of power between the two combatants The War in the Pacific had entered its endgame Beginning with the Honolulu Conference when President Franklin Delano Roosevelt met with his Pacific theater commanders to plan the last phase of the campaign against Japan *Twilight of the Gods* brings to life the harrowing last year of World War II in the Pacific when the U S Navy won the largest naval battle in history Douglas MacArthur made good his pledge to return to the Philippines waves of kamikazes attacked the Allied fleets the Japanese fought to the last man on one island after another B 29 bombers burned down Japanese cities and Hiroshima and Nagasaki were vaporized in atomic blasts Ian W Toll's narratives of combat in the air at sea and on the beaches are as gripping as ever but he also reconstructs the Japanese and American home fronts and takes the reader into the halls of power in Washington and Tokyo where the great questions of strategy and diplomacy were decided Drawing from a wealth of rich archival sources and new material *Twilight of the Gods* casts a penetrating light on the battles grand strategic decisions and naval logistics that enabled the Allied victory in the Pacific An authoritative and riveting account of the final phase of the War in the Pacific *Twilight of the Gods* brings Toll's masterful trilogy to a thrilling conclusion This prize winning and best selling trilogy will stand as the first

complete history of the Pacific War in more than twenty five years and the first multivolume history of the Pacific naval war since Samuel Eliot Morison's series was published in the 1950s United States Law and Policy on Transitional Justice
Zachary Daniel Kaufman, 2016 In United States Law and Policy on Transitional Justice Principles Politics and Pragmatics
Zachary D Kaufman explores the U S government's support for or opposition to certain transitional justice institutions By first presenting an overview of possible responses to atrocities such as war crimes tribunals and then analyzing six historical case studies Kaufman evaluates why and how the United States has pursued particular transitional justice options since World War II This book challenges the legalist paradigm which postulates that liberal states pursue war crimes tribunals because their decision makers hold a principled commitment to the rule of law Kaufman develops an alternative theory prudentialism which contends that any state liberal or illiberal may support bona fide war crimes tribunals More generally prudentialism proposes that states pursue transitional justice options not out of strict adherence to certain principles but as a result of a case specific balancing of politics pragmatics and normative beliefs Kaufman tests these two competing theories through the U S experience in six contexts Germany and Japan after World War II the 1988 bombing of Pan Am flight 103 the 1990 1991 Iraqi offenses against Kuwaitis the atrocities in the former Yugoslavia in the 1990s and the 1994 Rwandan genocide Kaufman demonstrates that political and pragmatic factors featured as or more prominently in U S transitional justice policy than did U S government officials normative beliefs Kaufman thus concludes that at least for the United States prudentialism is superior to legalism as an explanatory theory in transitional justice policymaking **Generals and**

Admirals, Criminals and Crooks Jeffrey J. Matthews, 2023-10-01 U S flag officers are intended to be exemplary defenders of duty honor and country but what can we learn by exposing the bad leaders lurking within these venerable ranks There is an ugly strain of criminal and unethical leadership in the upper ranks of the American military Despite the exemplary service of most American military members a persistent minority of U S flag officers Navy admirals and Army Air Force and Marine generals have embroiled the profession in scandal since the Revolutionary War In Generals and Admirals Criminals and Crooks award winning author Jeffrey J Matthews examines bad leadership in American military history over the past one hundred years beginning with war crimes in the Philippine American War and ending with the recent Fat Leonard corruption scandal Scrutinizing a range of leadership failures including moral cowardice sex crimes insubordination toxic leadership and obstruction of justice Matthews offers a fascinating analysis of the bases and motives leading to these missteps and explores what could be done to curtail future misconduct of generals and admirals The book also includes an up to date examination of President Trump's term in office that highlights the vital role honorable military leadership plays in our democracy Confronting the dark side of criminal and unethical conduct among U S flag officers this frank and historically grounded book offers valuable lessons in leadership that will stimulate further debate and critical self assessment within the U S military

ChiMoKoJa Frank Jacob, 2015-09-04 This journal has been discontinued Any issues are available to purchase separately

The American Century Donald Wallace White, 1996-01-01 From a wide range of sources the author identifies major trends in past American foreign policy and describes the decline of American power that has been in abeyance since the end of the Vietnam War
