William Shakespeare, 2017-12-06 Excerpt from Macbeth My notes therefore are queries with here and there a conventional note to set forth a point I deemed too remote from the range of search possible to youth I have printed here a considerable number of the questions I would ask and the topics for exploration I would assign on the play of Macbeth By no means however would I be understood as having exhausted or come anywhere near exhausting the stock of possible classroom questioning on this play It will be easy to think of knotty Shakespearian problems much more perplexing than any I have broached I may say however that I have meant by my queries to indicate how far it seems to me in high schools desirable to push the discussion of Shakespearian difficulties The scope of possible querying among the easier subjects is of course practically unlimited To facilitate juvenile research in Shakespeare the first requisite is free access to the Globe edition of the poet's works The school should possess Globes enough for the pupils to use without restriction some carrying the books home at night and others finding their chance in the study hours The Crowell Globe Shakespeare is not a handsome book but it is cheap The Macmillan Globe costs twice as much and is all of twice as good About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Macbeth**

(Annotated) Unabridged Classic Work William Shakespeare, 2020-04-09 One night on the heath the brave and respected general Macbeth encounters three witches who foretell that he will become king of Scotland At first sceptical he's urged on by the ruthless single minded ambitions of Lady Macbeth who suffers none of her husband's doubt But seeing the prophecy through to the bloody end leads them both spiralling into paranoia tyranny madness and murder This shocking tragedy a violent caution to those seeking power for its own sake is to this day one of Shakespeare's most popular and influential masterpieces *Macbeth, Vol. 4* William Shakespeare, 2017-12-15 Excerpt from Macbeth Vol 4 With an Introduction In this Series the plays of Shakespeare appear in an altogether new guise In his Preface to the Tales from Shakespeare Charles

Lamb confessed the omission of many surprising events and turns of fortune which for their infinite variety could not be contained in this little book besides a world of sprightly and cheerful characters the humour of which I was fearful of losing if I attempted to reduce the length of them Here however in the Novels from Shakespeare the limit of length is removed and the plays appear as old time romances in which almost every character keeps his place and every incident is retained only the dramatic and poetic setting giving place to the devices of the novelist It is hoped that by means of this Series the charm of the stories in Shakespeare s plays will be better appreciated than before and that through this means a fresh inducement will be created to read the plays themselves and to see them upon the stage About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
