Tranter,1978 Across a huge colourful canvas ranging from the wilds of Scotland to Norway Denmark and Rome here is the story of the real MacBeth Set aside Shakespeare s portrait read instead of his struggle to make and save a united Scotland In this impressively researched and vivid portrayal Tranter belies the popular perception of a savage murderous ambitious king Instead he tells of MacBeth s struggle to make and save a united Scotland his devotion to his great love the young Queen Gruoch the humane laws they fought for the great battle they were forced to fight And the terrible price they paid Through his imaginative dialogue he provides a voice for Scotland s heroes Scotland on Sunday The First and Last King of Haiti Marlene L. Daut,2025-01-07 The essential biography of the controversial rebel traitor and only king of Haiti Henry Christophe is one of the most richly complex figures in the history of the Americas and was in his time popular and famous the world over in The First and Last King of Haiti a brilliant award winning Yale scholar unravels the still controversial enigma that he was Slave revolutionary traitor king and suicide Henry Christophe was in his time popular and famous the world over Born in 1767 to an enslaved mother on the Caribbean island of Grenada Christophe first fought to overthrow the British in North America before helping his fellow enslaved Africans in Saint Domingue as Haiti was then called to gain their freedom from France Yet in an incredible twist of fate Christophe ended up fighting with Napoleon s forces against the very enslaved men and women he had once fought alongside Later reuniting with those he had betrayed he offered to lead them and made himself their king But it all came to a sudden and tragic end when Christophe after nine years of his rule as King Henry I shot himself in the heart some say with a silver bullet Why did Christophe turn his back on Toussaint Louverture and the very revolution with which his name is so indelibly associated How did it come to pass that Christophe found himself accused of participating in the plot to assassinate Haiti s first ruler Dessalines What caused Haiti to eventually split into two countries one ruled by Christophe in the north who made himself king the other led by President P tion in the south The First and Last King of Haiti is a riveting story of not only geopolitical clashes on a grand scale but also of friendship and loyalty treachery and betrayal heroism and strife in an era of revolutionary upheaval **Studies of Shakspeare** Charles Knight,1851
