## **Machiavellian Legacy Essays In Italian Political Thought:**

*The Machiavellian Legacy* J. Femia, 1998-10-19 What do classical elitists like Pareto and Mosca have in common with Marxists like Labriola and Gramsci In this collection of essays Joseph Femia argues that all four thinkers are united by the worldly humanism they inherited from Machiavelli Their distinctively Italian hostility to the metaphysical abstractions of natural law and Christian theology accounted for similarities in their thought that are obscured by the familiar terminology of left and right The collection includes critical essays on each of the four thinkers as well as an introductory chapter on their links with Machiavelli

*The Machiavellian Legacy* Joseph V. Femia, 1998 **Political Thought From Machiavelli to Stalin** E. A. Rees, 2004-03-12 This is the first book in English to explore the relationship between Stalin's ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism By providing a wide ranging survey of European political thought in the Nineteenth and early Twentieth century E A Rees locates the Bolshevik tradition within the wider European tradition **A HISTORY OF POLITICAL THOUGHT** SUBRATA MUKHERJEE, SUSHILA RAMASWAMY, 2011-08-09 This lucidly written text in its second edition continues to provide a comprehensive study of the classical political tradition from Plato to Marx The book elucidates the fascinating evolution of the history of political ideas through the works of thirteen key political thinkers which includes Plato Aristotle Machiavelli Hegel and Marx The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs localism in the classical tradition It focuses on the recent interpretations of the classical texts for instance feasibility of the ideal State in Plato civic humanism and republicanism in Machiavelli the radicalism of Locke and the contributions to the woman's cause by John Stuart Mill The text is intended for the undergraduate and postgraduate students of Political Science of various universities and for all those who are appearing for the civil services examinations NEW TO THIS EDITION Inclusion of two important liberal thinkers Mary Wollstonecraft the founder of liberal feminism and Immanuel Kant a deontological liberal Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times having played a crucial role in the revival of normative political theory *Piero Gobetti and the Politics of Liberal Revolution* J. Martin, 2008-11-24 Piero Gobetti was a radical liberal and critic of Italian politics in the years after World War I he proposed revolutionary liberalism which guided his opposition to Fascism and inspired key figures in the Italian Resistance Accessible but critical this volume offers a balanced assessment of his enduring significance

*Gramsci, Political Economy, and International Relations Theory* A. Ayers, 2008-11-10 This book seeks to provide the most comprehensive and sustained engagement and critique of neo Gramscian analyses available in the literature In examining neo Gramscian analyses in IR IPE the book engages with two fundamental concerns in international relations i The question of historicity and ii The analysis of radical transformation *Machiavelli, Marketing and Management* Phil Harris, Andrew

Lock, Patricia Rees, 2025-06-30 This second fascinating and cutting edge text provides insight into the meaning and interpretation of Machiavelli and his works for management marketing and political thought and highlights their particular relevance to the manager and policymaker today By bringing together contributions from authors both academic and practitioner this book addresses a number of common themes relating to the influences and arguments of perhaps the first political scientist and advocate of sound management and marketing principles The volume covers a wide range of topics including modern management and leadership public affairs technology marketing populist and fascist governments and strategic corporate philanthropy Machiavelli Marketing and Management Revisited will be of great interest to all practitioners students and scholars of management marketing political science and public affairs **Science Meets**

**Politics: Machiavelli's Influence and the Birth of Political Science** Gábor Almási, 2025-05-26 Machiavelli's early influence was more penetrating than has ever been believed and this book explains why The surprising answer leads the reader into the depths of the history of science connecting Machiavelli's thought to new ways of thinking about experience history nature and politics Machiavelli's works resonated with readers not merely because of the political and moral questions they raised and answered and this book argues that the ways in which Machiavelli engaged with these questions were of equal importance His method reinforced the reader's own belief in the importance of an inductive and comparative approach which relied on facts and numbers drawn from history and experience An impressive book that for a change measures Machiavelli's writings not against 21st century binary schemes but rather against the knowledge categories and strategies of his 16th century contemporaries and successors Navigating skillfully among texts and authors both well known and recondite the author shows how the Florentine's ideas prompted and shaped a revolution in Western thought William J Connell Professor of History Seton Hall University If you have ever wondered why Francis Bacon frequently quoted and lavished praise on Niccol Machiavelli this is the book for you In it Gábor Almási situates the latter with regard to the science of his time and shows that he was read initially in Italy then in France and finally in England as the exponent of an empiricism divorced from theology metaphysics and morals as pertinent to the study of the natural world as it is to the study of politics Paul A Rahe Charles O Lee and Louise K Lee Chair in the Western Heritage Hillsdale College **Encyclopedia of**

**Modern Political Thought (set)** Gregory Claeys, 2013-08-20 This groundbreaking new work explores modern and contemporary political thought since 1750 looking at the thinkers concepts debates issues and national traditions that have shaped political thought from the Enlightenment to post modernism and post structuralism Encyclopedia of Modern Political Thought is two volume A to Z reference that provides historical context to the philosophical issues and debates that have shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries It profiles major and minor political thinkers and the national traditions both Western and non Western which continue to shape and divide political thought More than 200 scholars from leading international

**Bibliography of Political Science** Compiled by the British Library of Political and Economic Science, 2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences      *Against the Masses* Joseph V. Femia, 2001-08-02 Given the almost universal assumption that democracy is a good thing the goal of mankind it is easy to forget that rule by the people has been vehemently opposed by some of the most distinguished thinkers in the Western tradition The author attempts to combat collective amnesia by systematically exploring and evaluating anti democratic thought since the French Revolution Using categories first introduced by A O Hirschman in *The Rhetoric of Reaction* Femia examines the various arguments under the headings of perversity futility and jeopardy This classification scheme enables him to highlight the fatalism and pessimism of anti democratic thinkers their conviction that democratic reform would be either pointless or destructive Femia shows how they failed to understand the adaptability of democracy its ability to co exist with the traditional and elitist values But controversially he also argues that some of their predictions and observations have been confirmed by history      **Unravelling Gramsci** Adam David Morton, 2007-02-20 Powerful and clarifying The book s combination of careful argument and cogent illustration will make this a landmark volume in Gramscian studies John Agnew University of California Los Angeles and author of *Hegemony The New Shape of Global Power* Morton draws upon an impressive knowledge of Gramsci s writings to provide new insights into key processes in today s world order Anne Showstack Sassoon Emeritus Professor Kingston University and Visiting Professor Birkbeck College University of London *Unravelling Gramsci* makes extensive use of Antonio Gramsci s writings including his much overlooked pre prison journalism prison letters as well as his prison notebooks to provide a fresh approach to understanding his contemporary relevance in the current neoliberal world order Adam Morton examines in detail the themes of hegemony passive revolution and uneven

development to provide a useful way of analysing the contemporary global political economy the project of neoliberalism processes of state formation and practices of resistance The book explores the theoretical and practical limitations of how Gramsci's ideas can be used today offering a broad insight into state formation and the international factors shaping hegemony within a capitalist framework *Gramsci's Marxism* Nigel M. Greaves, 2009 This book re-dresses the ambiguity that has arisen around Gramsci's writings in recent times It sets out to reclaim the philosophical linkages to historical materialism and to draw out a more integrated and less fragmented schema that seeks to place Gramsci on equal footing with other philosophers in the Marxist tradition *Classical Sociological Theory* Steven Loyal, Sinisa Malesevic, 2020-09-30 Introducing the founders of sociological theory from Marx Weber Durkheim and Martineau through to Simmel DuBois Mead and others this accessible textbook locates each thinker within their own social political and historical context By doing so it helps readers to understand the development of central sociological concepts and how they can help us understand the contemporary world The book includes lively biographical sections to help readers get to know each thinker Clear and easy to understand accounts of each theorist's arguments and the most common criticisms Key concept boxes highlighting the most influential ideas This comprehensive enlightening text brings the rich and diverse field of classical sociological theory to life *Scientific Statesmanship, Governance and the History of Political Philosophy* Kyriakos N. Demetriou, Antis Loizides, 2015-02-11 Over the centuries the question of good or effective governance has undergone several transformations and ramifications to fit within certain social cultural and historical contexts What defines political knowledge What is the measure of expert political leadership Various interpretations perspectives and re-conceptualizations emerge as one moves from Plato to the present This edited book explores the relationship between political expertise which is defined as scientific statesmanship or governance and political leadership throughout the history of ideas An outstanding group of experts study and analyze the ideas of significant philosophers such as Plato Aristotle Augustine Machiavelli Hobbes Locke Montesquieu Kant Burke Comte and Weber among others The contributors aim to interpret these thinkers' approaches to scientific statesmanship deepening our understanding of the idea itself and decoding its theoretical complexities In the face of the ongoing crisis of the traditional party system and the eroding structures within the new cultural financial and political environment in the era of globalization tracing the connection between Plato's idealist statesmanship to twentieth century modernist politics is an important and ever challenging enterprise one that promises to interest scholars of the history of western political thought philosophy classics and the classical tradition political science and sociology **Classical Liberalism and the Austrian School** Ralph Raico, 2012 **Political Elites** Geraint Parry, 2024-10-31 Elites have been described both as the bulwarks of democracy and its very antithesis *Political Elites* first published in 1969 reviews the literature on the role of elites in politics It deals with both the classic elite theorists Mosca Pareto Michels Burnham and C Wright Mills and with many of the empirical and theoretical works on elites by modern political scientists and sociologists It

seeks to clarify the central terms of elite discourse some of which have entered the everyday political vocabulary elitism power elite establishment elite consensus iron law of oligarchy and mass It explores the ways in which the descriptions of power relationships can subtly be infiltrated by the values of the observers For this ECPR Classics edition Professor Parry has added an introduction reviewing significant new developments in elite political science     *The Struggle for Development and Democracy* Alessandro Olsaretti,2021-12-13 In *The Struggle for Development and Democracy* Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics This book proposes as a first step a truly multidisciplinary humanist social science to overcome the flaws of neoliberal economic theories and to recover a balanced approach to theories and policies alike that is especially needed in the wake of the 9 11 attacks These led to divisive culture wars which were compounded by the divisive populist politics This book begins to sketch such a humanist social science and applies it to answer one question who is responsible for neoliberalism and the populist backlash All royalties from sales of this volume will go to GiveWell org in honour of Alessandro Olsaretti s memory     *Politics Recovered* Matt Sleat,2018-03-13 Is political theory political enough Or does a tendency toward abstraction idealization moralism and utopianism leave contemporary political theory out of touch with real politics as it actually takes place and hence unable to speak meaningfully to or about our world Realist political thought which has enjoyed a significant revival of interest in recent years seeks to avoid such pitfalls by remaining attentive to the distinctiveness of politics and the ways its realities ought to shape how we think and act in the political realm *Politics Recovered* brings together prominent scholars to develop what it might mean to theorize politics realistically Intervening in philosophical debates such as the relationship between politics and morality and the role that facts and emotions should play in the theorization of political values the volume addresses how a realist approach aids our understanding of pressing issues such as global justice inequality poverty political corruption the value of democracy governmental secrecy and demands for transparency Contributors open up fruitful dialogues with a variety of other realist approaches such as feminist theory democratic theory and international relations By exploring the nature and prospects of realist thought *Politics Recovered* shows how political theory can affirm reality in order to provide meaningful and compelling answers to the fundamental questions of political life     *A Critical Introduction to Contemporary Social Theory* Piotr Sztompka,2025-02-24 Examining the core sociological theories that have emerged in the first two decades of the current century *A Critical Introduction to Contemporary Social Theory* outlines their attempts to answer the most fundamental questions of the discipline from the nature of social order to the mechanisms of social change Through a careful exploration of the history of modern social theory Piotr Sztompka lays the critical groundwork for investigating the development of contemporary social theory from its founding fathers in the 19th century through the rich contributions of the 20th century known as the golden age of theory up to the most recent developments and illuminates how it is both anchored

in and a critique of previous attempts to theorize foundational questions to social being and action Contemporary theory the book argues is now moving toward analysis of action interpersonal relations social and epistemological realism and multivalent mechanisms at the root of social phenomenon Major social theoretical thinkers like Anthony Giddens Pierre Bourdieu Jeffrey Alexander Randall Collins Jonathan Turner Hans Joas Ulrich Beck Erving Goffman and others are presented and evaluated as significant contributors to contemporary social theory while pointing toward future possibilities for social theory in the current century This will be a key resource for undergraduate and graduate students in sociology social theory and contemporary cultural studies
