## **Magic And English Romanticism:**

**Magic and English Romanticism** Anya Taylor, 1979      *A Handbook to English Romanticism* Jean Raimond, Richard Watson, 1992-09-15      **Romanticism and Popular Magic** Stephanie Elizabeth Churms, 2019-01-16 This book explores how Romanticism was shaped by practices of popular magic It seeks to identify the place of occult activity and culture in the form of curses spells future telling charms and protective talismans in everyday life together with the ways in which such practice figures and is refigured in literary and political discourse at a time of revolutionary upheaval What emerges is a new perspective on literature s material contexts in the 1790s from the rhetorical linguistic and visual jugglery of the revolution controversy to John Thelwall s occult turn during a period of autobiographical self reinvention at the end of the decade From Wordsworth s deployment of popular magic as a socially and politically emancipatory agent in Lyrical Ballads to Coleridge s anxious engagement with superstition as a despotic system of mental enslavement and Robert Southey s wrestling with an increasingly alluring conservatism he associated with a reliance on ultimately incarcerating systems of superstition      **The Oxford Handbook of British Romantic Prose** Robert Morrison, 2024 The Oxford Handbook of British Romantic Prose is a full length essay collection devoted entirely to British Romantic nonfiction prose Organized into eight parts each containing between five and nine chapters arranged alphabetically the Handbook weaves together familiar and unfamiliar texts events and authors and invites readers to draw comparisons reimagine connections and disconnections and confront frequently stark contradictions within British Romantic nonfiction prose but also in its relationship to British Romanticism more generally and to the literary practices and cultural contexts of other periods and countries The Handbook builds on previous scholarship in the field considers emerging trends and evolving methodologies and suggests future areas of study Throughout the emphasis is on lucid expression rather than gnomic declaration and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples Taken as a whole the volume demonstrates the energy originality and diversity at the crux of British Romantic nonfiction prose It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers      **Magic, Rhetoric, and Literacy** William A. Covino, 1994-07-28 This book presents a selective introductory reading of key texts in the history of magic from antiquity forward in order to construct a suggestive conceptual framework for disrupting our conventional notions about rhetoric and literacy Offering an overarching pointed synthesis of the interpenetration of magic rhetoric and literacy William A Covino draws from theorists ranging from Plato and Cornelius Agrippa to Paulo Freire and Mary Daly and analyzes the different magics that operate in Renaissance occult philosophy and Romantic literature as well as in popular indicators of mass literacy such as The Oprah Winfrey Show

and The National Enquirer Magic Rhetoric and Literacy distinguishes two kinds of magic rhetoric that continue to affect our psychological and cultural life today Generative magic rhetoric creates novel possibilities for action within a broad sympathetic universe of signs and symbols Arresting magic rhetoric attempts to induce automatistic behavior by inculcating rules and maxims that function like magic ritual formulas JUST SAY NO In this connection the literate individual is one who can interrogate arresting language and generate counter spells      *William Gilbert and Esoteric Romanticism* Paul Cheshire, 2018 This first annotated edition of William Gilbert's enigmatic poem The Hurricane a Theosophical and Western Eclogue with extended interpretative chapters informed by Gilbert's magical and astrological writings shows how its dark materials fed the imaginations of his friends Coleridge Wordsworth and Southey in their formative years between 1795 and 1798      *A History of English Romanticism in the Eighteenth Century* Henry Augustin Beers, 1898      *A History of English Romanticism in the Eighteenth Century* Henry A. Beers, 2019-09-25 Reproduction of the original *A History of English Romanticism in the Eighteenth Century* by Henry A Beers      **The Routledge Research Companion to Nineteenth-Century British Literature and Science** John Holmes, Sharon Ruston, 2017-05-18 Tracing the continuities and trends in the complex relationship between literature and science in the long nineteenth century this companion provides scholars with a comprehensive authoritative and up to date foundation for research in this field In intellectual material and social terms the transformation undergone by Western culture over the period was unprecedented Many of these changes were grounded in the growth of science Yet science was not a cultural monolith then any more than it is now and its development was shaped by competing world views To cover the full range of literary engagements with science in the nineteenth century this companion consists of twenty seven chapters by experts in the field which explore crucial social and intellectual contexts for the interactions between literature and science how science affected different genres of writing and the importance of individual scientific disciplines and concepts within literary culture Each chapter has its own extensive bibliography The volume as a whole is rounded out with a synoptic introduction by the editors and an afterword by the eminent historian of nineteenth century science Bernard Lightman      **Robert Southey and the Contexts of English Romanticism** Lynda Pratt, 2016-04-08 Lynda Pratt's collection of specially commissioned essays is the first edited volume devoted to the multiple connections between Robert Southey 1774 1843 and English Romantic culture A major and highly controversial personage in his own day Southey has until recently been the forgotten member of the Lake School
