Make Room Segun Daramola, 2020-11-03 There is a saying that goes What you focus on expands I d like to say that what you make room for will feel welcome and at home When there is a desire to get closer or more intimate with something or someone a conscious effort is made to remove any distractions hindrances or anything that will stand in the way of the intimacy that one seeks Unfortunately most of us live very busy and complicated lives and it is becoming increasingly difficult to have those quality moments that we need in order to grow relationships and enjoy intimacy This has spilled over into our relationships with God as well In *Make Room* author Segun Daramola seeks to help us gain insight into the importance of making sure that our lives are available and pleasurable for God to reside He provides information about some of the things we can start to do to make that possible especially if our desire is to enjoy a wonderful relationship with God and draw closer to him Segun presents a discussion oriented approach to understanding this topic and suggests practical steps to making room for God *Making Room for Mystery* David M. Holley, 2025-07-25 We sometimes hear about events that seem too strange to fit with our usual ways of thinking about what can happen Someone perceives an appearance of a loved one in danger at the same moment the person is undergoing a crisis at a distant location A patient who has long ago lost all cognitive functioning suddenly begins to interact with others for a short time before dying Someone dreams of barely avoiding an accident and the near miss occurs the next day Some reports of strange occurrences can be explained away but repeatedly hearing about such things from credible sources can lead us to wonder whether the world is more mysterious than the predictable order we have taken for granted This book considers what it would mean for Christians to accept that the natural order has hidden depths that can produce strange phenomena How might it affect our understanding of such things as divine guidance or petitionary prayer or extraordinary healings How would we think about God s action in the world if our understanding of the created order allowed more room for mystery *Making Room* Billie Jauss, 2018-01-15 What is God doing in and through you It s a question we should all ask ourselves In *Making Room* join a spiritual journey toward the discovery of the reasons behind stagnant faith Be encouraged to dig deeper and learn how to put the distractions of life into perspective as you allow God to do more in them and through you It s time to embrace all the meaningful life moments God

has for you to glorify Him **Ultimate Guide to Prayer** Dutch Sheets,2013-06-18 In book one of this volume Intercessory Prayer explains the nuts and bolts of prayer with wisdom gentleness and humor This book not only shows you just how vital your prayers are but inspires you and gives you courage to pray for the impossible In book two How to Pray for Lost Loved Ones teaches you how to pray for the salvation of your friends and family This book examines biblical principles for interceding for the unsaved and in the process removes your fears and gives you tangible tools you can use to take back the lost In book three Watchman Prayer teaches you all about the watchman s vital role and how with the help of the Holy Spirit your strategic prayers can draw a perimeter of protection around your loved ones *Making Room* Annette L. This Is How We Pray Adam Dressler,2019-03-05 This book is about making room. God making room for us. Us making room for God. And through this relationship we end up becoming people who know firsthand what it means to walk with God. This Is How We Pray offers a fresh invitation to examine how we pray. Theology and doctrine can feel overwhelming. And specific devotional practices can feel too limiting. Instead, this book offers a unique and needed perspective on prayer, inviting you into a more intimate friendship with God. Through personal anecdotes, biblical stories, ancient wisdom, and modern insights from spiritual writers, philosophers, and even cooking documentaries, Adam Dressler walks through the realities we face in the midst of our everyday lives and then shows how they can direct us towards a deeper friendship with God through our prayers. God promises to meet with us. This Is How We Pray points to this timeless truth and reminds us that we can experience this promise right where we are. [Making Prayer Real](#) Rabbi Mike Comins,2010-12-15 Fresh Useful Perspectives on the Spiritual Dynamics of Prayer. Better music, better sermons, and better prayer books can only go so far. Many innovations have been tried around the world, and no doubt synagogue leadership will continue to think creatively about improving services. But deep and lasting change will only come when each of us takes ownership and responsibility for what only we can really guide our inner lives from. Preface. Join over fifty Jewish spiritual leaders from all denominations in a candid conversation about the why and how of prayer, how prayer changes us, and how to discern a response from God. In this fascinating forum, they share the challenges of prayer, what it means to pray, how to develop your own personal prayer voice, and how to rediscover meaning and God's presence in the traditional Jewish prayer book.
