Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act

Carolyn Spray, Beverley Jowett

Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act:

Making Sense of the Children Act 1989 Nick Allen, 2005-09-01 The Children Act is a major piece of legislation that affects all professionals working with children Since the third edition of this book was published in 1996 there have been some important developments This Fourth Edition takes these developments into consideration Topics discussed include case law in the superior courts the establishment of CAFCASS and the Fostering Services Regulations of 2002 and much more

The Child's World Janet Anne Basarab-Horwath, 2001-01-01 Written for professionals involved in the assessment of children in need this book is a comprehensive guide to recent developments in research and practice It looks at the policy framework for assessment the actual process of assessment how to assess the developmental needs of children and how to assess their parents and family s capacity to meet those needs The contributors are experts from a range of fields and the guide which was developed by the NSPCC and is published in association with them is designed to facilitate productive joint agency work Key topics covered include ecological perspectives on the child and the family attachment theory and child development assessing families where the parents have a learning disability working with children and families from minority ethnic groups the effect of sexual abuse within the family on the assessment process assessment prior to birth Originally commissioned by the Department of Health and outlining the developments and theory underpinning their Framework for the Assessment of Children in Need and their Families this book will be essential reading for qualified and trainee social workers and those completing the Post Qualifying Award in Child Care It will also be an indispensable guide for psychologists teachers health visitors and any other professionals and qualifying professionals involved in the assessment of children in need

Assessing Children's Needs and Circumstances Steve Walker, Hedy Cleaver, 2004-03-01 Drawing on interviews with social workers and their managers and families and young people themselves the authors of this important book show how the principles embodied in the Assessment Framework have been applied to social work practice This book should be read by all professionals working to promote the welfare and well being of children

Social Work Practice with Children and Families Carolyn Spray, Beverley Jowett, 2011-11-15 Carefully researched and highly readable this textbook explores what enables good and effective practice in local authority field social work delivered to children young people and their families The book sets the context for local authority social work practice and then chapter by chapter takes the reader carefully through the social work process Detailed case studies work really well in embedding the legal and theoretical context firmly within the practice challenges of safeguarding children Overall the book is about social workers effecting change so that children can continue to live successfully with their families and within their communities Key features include Strong links between theory and practice Core themes relevant to training and practice assessment decision making interprofessional collaboration and reflective practice Accessible and jargon free also includes a useful glossary of relevant legislation Learning points and case study exercises in each chapter Written in a lively and engaging style students and newly qualified

social workers will find this book provides a helpful introduction to children and families local authority social work as it exists today It will be invaluable for students taking courses in child and family social work and child protection The book will also appeal to experienced practitioners who want to explore action research or create the space for reflective practice as part of their continuous professional development It will help other professionals involved in supporting children develop insight into the practice of social workers

Social Work with Children and Families Maureen O'Loughlin, Steve O'Loughlin, 2016-03-10 An excellent introduction to social work with children and families It links practice with legislation and highlights relevant research findings Mr Dan Burrows Cardiff School of Health Sciences Cardiff Metropolitan University Working with children and families is one of the most challenging skilled but ultimately rewarding areas of social work practice Social workers need to be able to work with a diverse group of children and their families from babies to teenagers single parents to two parent families and multi carer families as well as with a diverse group of professionals such as the police schools hospitals health centres and various community organisations They need to be able to understand the law policy and legislation that surrounds social work with children and families while continually developing their own skills Such skills include communication preparation and planning intervention recognition identification and assessment of significant harm recording and report writing managing oneself and the work problem solving research and analysis and decision making This fully revised new edition aims to guide you through all of these areas and more There are chapters on safeguarding substitute care for children family support for children and families life story work and direct work with children

Child Social Work Policy & Practice Derek Kirton, 2008-11-19 A key text in the exploration of social political and historical changes around child social care It offers a broad overview of key themes in all areas and aspects of child care within the UK It is an essential resource for students studying the degree in social work and will support and encourage their knowledge of fundamental issues Sarah Thomas Programme Director BA Hons Social Work University of Wales Institute Cardiff This book offers an authoritative overview of child care policy and practice in the UK It covers assessment and family support services understanding child maltreatment and protection the care of looked after children including the contribution of adoption foster and residential care services for those leaving care and barriers facing disabled children and their families Child Care Policy and Practice reflects the complexity and contested nature of children s needs rights and interests and relationships between family and state It analyses relevant debates and research and highlights practice issues and dilemmas Readers are also directed to sources of further information on topics they may wish to explore in more depth At the end of each chapter there is guidance for further reading resources for practice and questions for discussion The book is aimed at social work practitioners and students both qualifying and post qualifying at allied professionals working with children and families and at undergraduate students in Childhood Studies or Social Policy

Enhancing the Well-being of Children and Families through Effective Interventions Wendy Rose, Professor Colette McAuley, Peter

Pecora, 2006-01-30 Services for families and children are rightfully the focus of intense scrutiny and debate and there is a clear need to establish a knowledge of which services work well This volume provides a comprehensive overview of research evidence from the UK and USA on the effectiveness of selected child welfare interventions **Understanding the Roots of Voluntary Action** Colin Rochester, George Campbell Gosling, Alison Penn, Meta Zimmeck, 2011-03-01 Draws on a range of empirical studies of aspects of the history of voluntary action This title includes chapters that range across two centuries and a variety of fields of activity geographical areas and organisational forms **Working with Children, Young People and Families** Graham Brotherton, Helen Davies, Gillian McGillivray, 2010-10-15 Written from a unique interprofessional perspective this book is an essential introduction to working with children young people and families It covers policy practice and theory exploring key themes and developments including poverty and disadvantage ethical practice child development education child protection children and young people s rights doing research The book introduces students to a range of theoretical perspectives links the key themes to the existing and emerging policy and practice context and supports students in engaging with and evaluating the central debates With case studies reflective questions and sources of further reading this is an ideal text for students taking courses in childhood studies working with children young people and families interprofessional children s services early years youth work and social work **Welfare: Needs, Rights and Risks** Mary Langan, 2005-10-27 Welfare Needs Rights and Risks addresses the question of how people get access to social welfare in the UK today It explores the public political and professional definitions constructions and conflicts about who should receive social welfare and under what conditions In a period during which the rationing targeting and selective provision of welfare have become more significant more visible and more disputed this book examines how individuals and groups come to be defined as in need at risk or deserving of welfare *Enhancing the Well-being of Children and Families Through Effective Interventions* Colette McAuley, Peter J. Pecora, Wendy Rose, 2006 This reader compares up to date policy and research evidence from the UK and USA on the effectiveness of core child welfare interventions The text shows how knowledge of effective interventions can be used to improve assessment of needs and planning and reviewing services to children and their families **Social Work with Children and Families** Ian Butler, Gwenda Roberts, 2004 First published in 2003 Routledge is an imprint of Taylor Francis an informa company **Improving Children's Services Networks** Marilyn Hughes, Jane Tunstill, Jane Aldgate, 2006-10-20 This book details and evaluates expert research into the developing role of family centres in the light of current political and social trends including A vital addition to the literature on child care services Improving Children s Services Networks is essential reading for social care practitioners and students and government policy makers Children and the State Jane Tunstill, 2000-03-01 In the consciousness of politicians professionals and the public children and young people loom increasingly large as a challenge to be faced This problematic image includes not only the inevitable and traditional difficulties faced by the young in negotiating a role in society but also an increasing tendency for children to

be problematized even vilified and for state intervention in their lives to reflect this trend Indeed the increasing scale and scope of central and local government policy responses to the age group can sometimes result both intentionally and unintentionally in additional challenges for children to overcome The text starts with the assumption that we cannot assume that state intervention in the lives of young people will always lead to positive outcomes The contributors explore the key policy areas such as health education and the youth justice system within the broader social and economic context including race and culture the economy and European integration

Parents and Children Andrew Bainham, 2017-03-02 This volume brings together some of the best journal articles of the last twenty years which deal with various aspects of the relationship between parents and children Adopting an inter disciplinary and comparative approach the book reproduces articles from a variety of journals in law and the social sciences The book is divided into eight parts dealing respectively with becoming a parent the status and obligations of parenthood issues of upbringing adolescence child support parental separation divorce and children child abuse and state intervention social parenthood and adoption The volume includes a substantial introduction by the editor

Approaches to Needs Assessment in Children's Services Harriet Ward, Wendy Rose, 2002 Examining the assessment of need in children's services this book addresses the full spectrum of practice policy and research developments in the field The contributors include leading academics policy makers and senior practitioners who generate a broad based holistic approach to the assessment of children in need They show how needs assessment in children's services can be used to tackle problems such as low achievement mental ill health and social exclusion at both individual and strategic levels Approaches to the Assessment of Need in Children's Services will enable service managers and practitioners to respond effectively to the increasing pressure to monitor outcomes and effectiveness in child care work and to improve and coordinate children's welfare service provision at individual and community levels and provides an indispensable overview and analysis for anyone working or studying in child welfare and social care

Making Sense of Every Child Matters Richard Barker, 2009 This much needed book examines the implications of the Every Child Matters ECM national and local framework for working with children It analyses the key issues from the perspective of the different professions that make up the new children's workforce and explores interprofessional considerations Offering a clear guide to the implications of Every Child Matters for practice this book will be widely welcomed by tutors and practitioners alike enabling readers to make sense of the legislation and national guidance and to understand better the new agendas for children's services

BOOK JACKET Working with Children and Families Robert Adams, 2011-10-25 Across 30 chapters a team of experienced teachers and practitioners introduce the fundamental professional issues concerning children young people and their families in the 21st century Working with Children and Families explores the diverse contexts in which children develop and the policies and practices that directly affect them essential knowledge for effective practice Offering a multidisciplinary approach this inclusive text gives a broad range of perspectives to support the study of children and

childhood Take a look inside to discover more about Key policies and agendas introduces the policies agendas and government guidance that serve as the foundation of children s services Contemporary issues tackles complex topics such as anti discriminatory and ethical practice child protection and safeguarding Reflective practice offers reflective activities throughout to help you engage understand and apply knowledge in practice Diversity helps you understand the variety of backgrounds and experiences children may have from sociological psychological educational and cultural perspectives Integrative working focuses holistically on the child rather than on specific professional approaches offering insight into important themes in all areas of work with children This text offers a broad basis from which to launch into any area of work or study involving children including early years social work education social policy nursing sociology and childhood studies It is great introductory reading for foundation and undergraduate degree level students **National Systems of Child**

Protection Lisa Merkel-Holguin, John D. Fluke, Richard D. Krugman, 2018-08-06 This volume provides a wide spectrum description analysis of the contemporary and well established child protection systems in a range of countries such as Australia Canada Netherlands and Spain It presents a brief orientation about the public and private systems involved in protecting children in each country Further the book identifies current key policy and implementation drivers that orient the systems of child protection such as children s rights family preservation use of evidence and public health orientation Finally it presents a critical analysis of the strengths and limitations of the systems as well as strategies for prospects for improving outcomes for children and their families **Child Abuse: An Evidence Base For Confident Practice** Corby, Brian, Shemmings, David, Wilkins, David, 2012-11-01 This book is an accessible knowledge base for the whole area of child abuse and child protection now fully updated in terms of policy cases and research

Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act has opened up a world of possibilities. Downloading Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act

has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Making Sense Of Section 17 Implementing Services For Children In Need Within The 1989 Childrens Act Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
