Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease Jesus on Trial David Limbaugh,2014-11-17 In Jesus on Trial New York Times bestselling author David Limbaugh applies his lifetime of legal experience to a unique new undertaking making a case for the gospels as hard evidence of the life and work of Jesus Christ Limbaugh a practicing attorney and former professor of law approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew Mark Luke and John His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian Ultimately Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry including his examination of historical and religious evidence beyond the gospels and thereby affirms Christian faith spirituality and tradition **Them, Us, and Me** Jacqueline Grey,2010-04-08 The Old Testament is much loved by readers around the world Yet many people struggle to understand it For example have you enjoyed the stories of the Old Testament but wondered about their relevance Been baffled by the unusual Laws Skipped books that seemed far removed from your 21st Century life If you answered yes to any of these questions then Them Us Me is for you This book offers a fresh approach to helping you read and understand the Old Testament The first section gives you some simple keys to discover the Old Testament It teaches you about the cultural world of ancient Israel Yet it does not end there it helps you to see how Jesus Christ fulfills the Old Testament and how it can be applied to your life Armed with this strategy for reading this book then outlines what the Old Testament is all about This second section presents an inspiring overview of the major ideas and events of the Old Testament This is a practical common sense book designed to help you gain confidence in reading the Bible It is for all people who want to better understand the significance of the Old Testament Did Jesus Really Rise from the Dead? Jesus raise many questions about one of the greatest controversies in history what really happened to the crucified body of Jesus of Nazareth Using a popular question and answer format this book examines the historical evidence concerning the fate of Jesus Did Jesus really die on the cross If so what became of his body Was it stolen Misplaced Is the resurrection a cleverly devised plot to found a new religion Did the disciples of Jesus hallucinate Is the Resurrection of Jesus a myth developed decades later after the original disciples experience of Jesus was distorted by a subsequent generation Or did Jesus rise from the dead as he promised and as his disciples came to believe and sacrifice their lives to proclaim Carl Olson carefully weighs the evidence with in depth analysis Whether you are a believer a skeptic or something in between be prepared to have your thinking challenged by this provocative and insightful book *Getting at Jesus* Peter S. Williams, 2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus
