Making The Local News

Doris A. Graber, Johanna Dunaway

Making The Local News:

Local Journalism and Local Media Bob Franklin, 2005-08-18 The local media local newspapers and radio regional television cable television and local news on the internet represents a diverse and rapidly changing sector of the British media landscape Bringing together media academics local journalists and other media professionals this text presents a thorough up to date and authoritative account of recent developments and future prospects for Britain's local newspapers local media and local journalism Drawing on current research and relevant literature the book covers key developments in the local media scene the distinctive editorial format of local newspapers news sources and other sources available to local journalists recent developments in media policy online journalism ethics and regulations the impact of new technology Situating the study within the context of local national and multi national media networks this unique text provides students with a well written and wide ranging assessment of all aspects of the local media in the UK and as such will be a welcome addition to the current literature

Making the Local News Bob Franklin, David Murphy, 1998

Making Local News Phyllis Kaniss, 1997-12-08 Why do crimes and accidents earn more news coverage than development and policy issues affecting thousands of people Filled with revealing interviews with both journalists and city officials Making Local News is the first comprehensive look at how the economic motives of media owners professional motives of journalists and the strategies of media wise politicians shape the news we see and hear thereby influencing urban policy Making Local News by Phyllis Kaniss is significant If we can continue to get smarter about that which journalism leaves out or distorts in its coverage of politics we may eventually get smarter about politics itself Mitchell Stephens The Philadelphia Inquirer View A convincing analysis of the factors and forces which color how and why local issues do or do not become newsworthy Michael H Ebner Journal of Interdisciplinary History This work serves as a reminder of the importance of a medium that is often overlooked until economic realities threaten its very existence Choice Kaniss is truly a pioneer in the study of local news Susan Herbst Contemporary Sociology

Making Local News Phyllis C. Kaniss, 1997

Mass Media James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

Responsible Journalism in Conflicted Societies Jake Lynch, Charis Rice, 2022-09-30 Setting out multiple perspectives from media and journalism scholars this collection addresses the implications that today's technological socio political and economic conditions have for relations between journalists sources audiences and wider publics Applying an inclusive concept of conflicted societies that goes beyond those affected by violent conflict to include traditionally stable but increasingly polarised democracies such as

the UK and the USA contributors engage with longstanding questions and new challenges surrounding concepts of responsibility trust public service and public interest in journalism The unique span of studies offers international scope including societies often overlooked in media and journalism studies such as Northern Ireland Turkey Cyprus Pakistan The Democratic Republic of Congo and the Central African Republic Chapters also feature contemporary case studies such as the COVID 19 pandemic as a route into understanding the pertinent issue of fake news and the local turn in journalism Responsible Journalism in Conflicted Societies is not only a valuable resource for those studying conflict reporting and international journalism but will also appeal to scholars working at the intersection of media journalism communication peace conflict and security studies

New Oxford English Anne Powling, John O'Connor, Geoff Barton, 1996 New Oxford English Students Book 2 has been designed to cover the requirements of the National Curriculum at Key Stage 3 The Students Book provides A flexible resource for teaching the National curriculum structured around the four modules An integrated approach to language study at all stages A rich and varied range of authors poets and playwrights from different centuries and cultures Language Study Units at the end of every module providing extensive language work from source texts which can be used alongside the featured texts or separately IT opportunities built into the books throughout Varied activities in each module which help to develop individual and group study skills

The Handbook of Journalism Studies Karin Wahl-Jorgensen, Thomas Hanitzsch, 2009-01-13 This Handbook charts the growing area of journalism studies exploring the current state of theory and setting an agenda for future research in an international context The volume is structured around theoretical and empirical approaches and covers scholarship on news production and organizations news content journalism and society and journalism in a global context Emphasizing comparative and global perspectives each chapter explores Key elements thinkers and texts Historical context Current state of the art Methodological issues Merits and advantages of the approach area of studies Limitations and critical issues of the approach area of studies Directions for future research Offering broad international coverage from top tier contributors this volume ranks among the first publications to serve as a comprehensive resource addressing theory and scholarship in journalism studies As such the Handbook of Journalism Studies is a must have resource for scholars and graduate students working in journalism media studies and communication around the globe

Making It in Broadcasting Leonard Mogel, 2010-08 *Mass Media and American Politics* Doris A. Graber, Johanna Dunaway, 2017-08-08 Mass Media and American Politics is the most comprehensive and best book for political communication This text has made it easy for my students to learn about research and theory related to political journalism and the political communication system in America It has great utility and insight while being comprehensive but not overwhelming for students Jason Martin DePaul University Known for its readable introduction to the literature and theory of the field Mass Media and American Politics is a trusted comprehensive look at media s impact on attitudes behavior elections politics and policymaking This Tenth Edition is thoroughly updated to reflect

major structural changes that have shaken the world of political news and examines the impact of the changing media landscape It includes timely examples from the 2016 election cycle to illustrate the significance of these changes This classic text balances comprehensive coverage and cutting edge theory shows students how the media influence governmental institutions and the communication strategies of political elites and illustrates how the government shapes the way the media disseminate information Written by Doris A Graber a scholar who has played an enormous role in establishing and shaping the field of mass media and American politics and Johanna Dunaway this book sets the standard FREE POSTER Fact or Fiction Use this checklist to avoid the pitfalls posed by the rise of fake news *Reporting the Courts* Richard Jones,2024-12-04 This book makes a critical intervention into debates about journalism and the crisis in local news Interrogating the history and current practice of court coverage in the UK the author argues for its importance as a central feature of both open justice and public interest reporting The book challenges narratives of a decline in the perceived quality of local media Yet it also highlights a reliance on major local press companies facing acute financial challenges meaning court reporting faces a potentially precarious future The book critically examines coverage of the courts in the context of financial crises which have diminished both newspapers and the criminal justice system How the norms of court journalism emerged and evolved are put under scrutiny and the book then considers how court reporting is practiced today including the use of cameras and social media as well as remote hearings during and since the pandemic The author takes us inside a major murder trial and explores why court reporting remains worth preserving and enhancing Offering recommendations which could help to maintain and extend coverage of the courts this volume will interest students and scholars of journalism mass communication media studies media law and communication studies **Mass Media and American Politics** Johanna Dunaway,Doris A. Graber,2022-02-05 A comprehensive trusted core text on media s impact on attitudes behavior elections politics and policymaking Mass Media and American Politics is known for its readable introduction to the literature and theory of the field and for staying current with each new edition on issues of new and social media media ownership the regulatory environment infotainment and war time reporting Written by the late Doris Graber a scholar who has played an enormous role in establishing and shaping the field of mass media and American politics and now lead by Johanna Dunaway this book has set the standard for the course New to this edition Extensive coverage of political misinformation the role changing communication technologies and mass media more generally are playing in its consumption and dissemination as well as how the press is handling and should handle reporting on political misinformation especially as it pertains to the presidency elections and crises like Covid 19 Updated coverage of the role social media and other popular digital platforms are playing or not playing in the effort to stop the spread of mis and dis information on their platforms with special attention to both foreign and domestic efforts to use these platforms to incite violence cause confusion about and or encourage distrust in democratic institutions Expanded treatment of rising affective social and ideological polarization in politics with a special

focus on whether and how mass media are contributing to these forms of polarization New updates on causes and consequences of expanding news deserts declining local news and rampant growth of hedge fund media ownership Up to date coverage of what researchers are learning about the implications of growth in digital social and mobile media use What does it mean for attention to news and politics

Imagined Audiences Jacob L. Nelson, 2021 Many believe the solution to ongoing crises in the news industry including profound financial instability and public distrust is for journalists to improve their relationship with their audiences This raises important questions How do journalists conceptualize their audiences in the first place What is the connection between what journalists think about their audiences and what they do to reach them Perhaps most importantly how aligned are these imagined audiences with the real ones Imagined Audiences draws on ethnographic case studies of three news organizations to reveal how journalists assumptions about their audiences shape their approaches to their audiences Jacob L Nelson examines the role that audiences have traditionally played in journalism how that role has changed and what those changes mean for both the profession and the public He concludes by drawing on audience studies research to compare journalism s imagined audiences with actual observations of news audience behavior The result is a comprehensive study of both news production and reception at a moment when the relationship between the two has grown more important than ever before

Making Media Work Derek Johnson, Derek Kompare, Avi Santo, 2014-08 The management and labor culture of the entertainment industry In popular culture management in the media industry is frequently understood as the work of network executives studio developers and market researchers the suits who oppose the more productive forces of creative talent and subject that labor to the inefficiencies and risk aversion of bureaucratic hierarchies However such portrayals belie the reality of how media management operates as a culture of shifting discourses dispositions and tactics that create meaning generate value and shape media work throughout each moment of production and consumption Making Media Work aims to provide a deeper and more nuanced understanding of management within the entertainment industries Drawing from work in critical sociology and cultural studies the collection theorizes management as a pervasive yet flexible set of principles drawn upon by a wide range of practitioners artists talent scouts performers directors show runners and more in their ongoing efforts to articulate relationships and bridge potentially discordant forces within the media industries The contributors interrogate managerial labor and identity shine a light on how management understands its roles within cultural and creative contexts and reconfigure the complex relationship between labor and managerial authority as productive rather than solely prohibitive Engaging with primary evidence gathered through interviews archives and trade materials the essays offer tremendous insight into how management is understood and performed within media industry contexts The volume as a whole traces the changing roles of management both historically and in the contemporary moment within US and international contexts and across a range of media forms from film and television to video games and social media

Encyclopedia of Journalism Christopher H. Sterling, 2009-09-23 Written in a clear and accessible style that

would suit the needs of journalists and scholars alike this encyclopedia is highly recommended for large news organizations and all schools of journalism Starred Review Library Journal Journalism permeates our lives and shapes our thoughts in ways we've long taken for granted Whether we listen to National Public Radio in the morning view the lead story on the Today show read the morning newspaper headlines stay up to the minute with Internet news browse grocery store tabloids receive Time magazine in our mailbox or watch the nightly news on television journalism pervades our daily activities The six volume Encyclopedia of Journalism covers all significant dimensions of journalism including print broadcast and Internet journalism U S and international perspectives history technology legal issues and court cases ownership and economics The set contains more than 350 signed entries under the direction of leading journalism scholar Christopher H Sterling of The George Washington University In the A to Z volumes 1 through 4 both scholars and journalists contribute articles that span the field's wide spectrum of topics from design editing advertising and marketing to libel censorship First Amendment rights and bias to digital manipulation media hoaxes political cartoonists and secrecy and leaks Also covered are recently emerging media such as podcasting blogs and chat rooms The last two volumes contain a thorough listing of journalism awards and prizes a lengthy section on journalism freedom around the world an annotated bibliography and key documents The latter edited by Glenn Lewis of CUNY Graduate School of Journalism and York College CUNY comprises dozens of primary documents involving codes of ethics media and the law and future changes in store for journalism education Key Themes Consumers and Audiences Criticism and Education Economics Ethnic and Minority Journalism Issues and Controversies Journalist Organizations Journalists Law and Policy Magazine Types Motion Pictures Networks News Agencies and Services News Categories News Media U S News Media World Newspaper Types News Program Types Online Journalism Political Communications Processes and Routines of Journalism Radio and Television Technology

Media Power, Media Politics
Mark J. Rozell, Jeremy D. Mayer, 2008-08-15 Media Power Media Politics Second Edition examines the role and influence of the media in every sphere of American politics Organized thematically the book analyzes the relationship between the media and key institutions political actors and nongovernmental entities as well as the role of the new media media ethics and foreign policy coverage Written clearly and concisely by leading scholars in the field the chapters serve as broad overviews to the issues while discussion questions and suggestions for further reading encourage deeper inquiry Updated throughout the second edition includes expanded coverage of the evolving role of new media a new chapter on terrorism and the media and new pedagogical exercises and featured interviews with journalists bloggers and media advisers *Editor & Publisher*, 1925

The fourth estate *The Little Book of Campaign Etiquette* Stephen Hess, 2010-12-01 Some people think that etiquette is fine for tea parties but there's no room for it when important political business has to be done writes Miss Manners otherwise known as Judith Martin That's not true The more controversy you have the more etiquette you need You need rules and order The missing ingredient in efforts to improve campaign discourse is a set of agreed upon norms and standards for

behavior In this shrewd and amusing series of observations Stephen Hess provides a political etiquette for campaign behavior on the part of both politicians and journalists Organized alphabetically under such headings as Advertising Bias Cyberpolitics Disclosure Families Lying Money Sex Scandals and Talk Radio forty three brief essays examine common practices and places where the system breaks down then recommend preventive or corrective action through a few clear rules After discussing the paucity of local television reporting on local and state political campaigns for example Hess comments the etiquette for local news directors is to ask If we are not reporting local elections who will Then act accordingly With its broad coverage of campaign related topics and its sensible suggestions this book provides a useful corrective for practices that are dishonest downright illegal or sometimes just endlessly irksome The book features illustrations by some of America s foremost political cartoonists including Herblock Jim Borgman Walt Handelsman Mike Peters Wayne Stayskal and Garry Trudeau

Handbook of Global Media Ethics Stephen J.A. Ward, 2021-09-02 This handbook is one of the first comprehensive research and teaching tools for the developing area of global media ethics The advent of new media that is global in reach and impact has created the need for a journalism ethics that is global in principles and aims For many scholars teachers and journalists the existing journalism ethics e g existing codes of ethics is too parochial and national It fails to provide adequate normative guidance for a media that is digital global and practiced by professional and citizen A global media ethics is being constructed to define what responsible public journalism means for a new global media era Currently scholars write texts and codes for global media teach global media ethics analyse how global issues should be covered and gather together at conferences round tables and meetings However the field lacks an authoritative handbook that presents the views of leading thinkers on the most important issues for global media ethics This handbook is a milestone in the field and a major contribution to media ethics

Changing and Unchanging Face of U.S. Civil Society Marcella Ridlen Ray, 2017-12-02 Ray has written a book that should be read by anyone interested in the current debates about the general health of civil society in the United States American Journal of Sociology The formation maintenance and well being of American civil society is a topic of intense debate in the social sciences Until now this debate has lacked rigor with the term civil society commonly used interchangeably and imprecisely with other terms such as civic engagement Today s discourse also lacks methodological discipline and relies too heavily on narrowly selected evidence in support of a particular argument In this invaluable contribution to the debate Marcella Ridlen Ray supplies an empirical study based on a theoretical model of democratic civil society one that posits high levels of communication diversity autonomy mediation and voluntary association In Ray s account the emergent story of U S civil society is that of a dynamic institution not necessarily one that is linear in its progression It is a tale of flux resilience and stability over the long term that is consistent with subtexts on political equilibrium she notes in the work of early political analysts such as Aristotle Machiavelli Locke Burke and later Tocqueville Ray dispels the widely accepted myth that Americans are increasingly apathetic and withdrawn from common

interests The evidence reveals a persistence of long standing public spiritedness despite the fact that individuals use wider discretion in deciding if and how to attach to community and despite a historical lack of enthusiasm for performing civic duties in lieu of more pleasurable leisure activity This public spiritedness continues to reflect embedded religious cultural values that disproportionately influence how and when people dedicate time and money to associational life U S civil society has grown more inclusive and democratic as Americans venture at growing rates across differences in perspective

The Captivating Realm of E-book Books: A Comprehensive Guide Revealing the Benefits of Kindle Books: A World of Convenience and Flexibility E-book books, with their inherent portability and ease of availability, have freed readers from the limitations of hardcopy books. Gone are the days of carrying bulky novels or meticulously searching for specific titles in shops. Kindle devices, stylish and portable, effortlessly store an extensive library of books, allowing readers to indulge in their preferred reads anytime, everywhere. Whether commuting on a bustling train, relaxing on a sunny beach, or simply cozying up in bed, Kindle books provide an unparalleled level of ease. A Reading Universe Unfolded: Exploring the Wide Array of E-book Making The Local News Making The Local News The Kindle Shop, a virtual treasure trove of literary gems, boasts an extensive collection of books spanning varied genres, catering to every reader's preference and choice. From gripping fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the Kindle Store offers an unparalleled variety of titles to discover. Whether looking for escape through engrossing tales of fantasy and adventure, diving into the depths of past narratives, or broadening one's understanding with insightful works of science and philosophical, the E-book Shop provides a doorway to a literary universe brimming with endless possibilities. A Revolutionary Factor in the Literary Scene: The Lasting Impact of Kindle Books Making The Local News The advent of E-book books has unquestionably reshaped the literary scene, introducing a paradigm shift in the way books are released, distributed, and consumed. Traditional publishing houses have embraced the online revolution, adapting their approaches to accommodate the growing demand for e-books. This has led to a rise in the accessibility of Kindle titles, ensuring that readers have entry to a wide array of literary works at their fingers. Moreover, E-book books have democratized access to books, breaking down geographical barriers and providing readers worldwide with equal opportunities to engage with the written word. Regardless of their place or socioeconomic background, individuals can now immerse themselves in the captivating world of books, fostering a global community of readers. Conclusion: Embracing the Kindle Experience Making The Local News E-book books Making The Local News, with their inherent ease, versatility, and vast array of titles, have undoubtedly transformed the way we encounter literature. They offer readers the liberty to discover the limitless realm of written expression, whenever, anywhere. As we continue to navigate the ever-evolving digital landscape, Kindle books stand as testament to the lasting power of storytelling, ensuring that the joy of reading remains reachable to all.
