Getting the Most Out of College Arthur W. Chickering, Nancy K. Schlossberg, 1995 Provides advice and exercises on adjusting to college life taking advantage of the educational and other opportunities and getting used to life after graduation

College Ready Student Guide John Bryson, Robert Lewis, 2012-03 Don t face college unprepared Be ready College Ready You ve waited your whole life and you ve finally made it Freedom Good times No parents This is what life is all about right But maybe college isn t just parties and 2 a m fast food runs If no one has told you yet Mom s not tagging along to do your laundry During your college years everything changes You ll need to know how to stay grounded with good friends but have fun at the same time From choosing a major and learning time management to dating and spiritual growth it s an entirely different world And that s why we developed this study so you can be ready to make the most of your college experience and your life How to Do College Right William Doonan, 2013-05-19 The secrets of college success have been passed down from professor to professor for many centuries Now for the first time these secrets are revealed How to Do College Right is a guidebook providing essential insights on how to navigate the foreign land of college Without a guidebook a traveler might wander around for a long time missing out on some important landmarks or wasting money by focusing on the wrong things

A student can just as easily wander through a couple years of college without accomplishing much And that can prove costly Other than the purchase of a home a college education is the biggest expense that most American families have With tuition at some colleges approaching 50 000 per year a four year education can cost 200 000 Most people don t think twice about consulting a realtor or a lending consultant before buying a house They want to be sure that their investment is sound But those same people will shell out a great deal of money for college tuition without making sure it s well spent How to Do College Right can help you make the most of your college experience by laying bare some of the expectations that guide professors in educating and evaluating students College is hard it s meant to be And it s easy to screw up I m a professor I know what it takes to succeed in college to make the most of it and to graduate fully prepared to take the next steps in life And I ve seen too many students who don t make it students who have the ability to succeed but fail anyway or otherwise waste their time College is a program of expectations and you would be wise to learn the rules that underlie those expectations It doesn t matter if you re rich or poor or if you re headed to the Ivy League or to the local community college This is an important stage of your life and you have to treat it as such The secrets revealed in this book can help you make the most of your college experience
